Leonard Maltin's Family  
Film Guide Signet  
A landmark American  
drama that inspired a  
classic film and a  
Broadway  
revival—featuring an

introduction by David  
Mamet A blistering  
character study and an  
examination of the  
American melting pot and  
the judicial system that  
keeps it in check, Twelve  
Angry Men holds at its  
core a deeply patriotic  
faith in the U.S. legal

system. The play centers  
on Juror Eight, who is at  
first the sole holdout in an  
11-1 guilty vote. Eight  
sets his sights not on  
proving the other jurors  
wrong but rather on  
getting them to look at  
the situation in a clear-  
eyed way not affected by

their personal prejudices or biases. Reginald Rose deliberately and carefully peels away the layers of artifice from the men and allows a fuller picture to form of them—and of America, at its best and worst. After the critically acclaimed teleplay aired in 1954, this landmark American drama went on to become a cinematic masterpiece in 1957 starring Henry Fonda, for which Rose wrote the adaptation. More recently, *Twelve Angry Men* had a successful, and award-winning, run on

Broadway. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-

date translations by award-winning translators.

### **Ideologies, Scripts, Education**

Iberoamericana Editorial  
Um romance hilário e poderoso sobre o experimento de hibernação de uma jovem, sua amiga desastrada e uma das piores psiquiatras da história da literatura. Estamos no ano 2000, em Nova York, uma cidade cheia de possibilidades. E a narradora de *Meu ano de descanso* e relaxamento não tem

motivo para queixas. Ela é jovem, bonita, trabalha numa galeria descolada, mora num belo apartamento e recebeu uma herança polpuda. Mas traz um enorme vazio no peito. E não apenas porque perdeu os pais ou por causa da relação destrutiva que desenvolveu com sua melhor amiga. O que pode estar tão errado? Durante um ano, ela passa a maior parte do tempo dormindo, embalada por uma combinação de remédios prescritos por uma

psiquiatra inescrupulosa. O pior é que ela parece ter razão em seu desprezo pelo mundo. Tudo fica um pouco ridículo sob sua ótica. Moshfegh nos convence de que a alienação, em tempos confusos como os nossos, pode ser razoável e até mesmo necessária. Delicado e carregado de humor ácido, impiedoso e compreensivo, este romance revela por inteiro uma escritora inventiva e extremamente talentosa.

**Warfare** Lulu.com

Bambi, con un corpo modificato da interventi, indossando i suoi “tacchi” da scaltro felino della notte, si trasferisce a Milano. Qui si muove agile Miss Myra, acuta e provocante investigatrice di infedeltà coniugali, pronta ad aiutare donne tradite o presunte tali. Come un segugio, in un pedinamento che attesta le sue innate capacità di metamorfosi, svela tradimenti e sordide storie relazionali che si consumano all’ombra del Duomo. Un racconto

psicologico al limite dell'identità sessuale, nel quale la narrazione dell'altro diventa fatalmente la propria. Si intrecciano nel romanzo tante vite che hanno in comune un nodo da sbrogliare: l'enigma maschio o femmina? che conduce all'esaltazione o alla follia gli stravaganti personaggi di questa storia "fuori dalle righe". *Roads to Health* Springer

Representing the first comprehensive analysis of Gaga and Ohad Naharin's aesthetic approach, this book follows the sensual

and mental emphases of the movement research practiced by dancers of the Batsheva Dance Company. Considering the body as a means of expression, *Embodied Philosophy in Dance* deciphers forms of meaning in dance as a medium for perception and realization within the body. In doing so, the book addresses embodied philosophies of mind, hermeneutics, pragmatism, and social theories in order to illuminate the perceptual experience of dancing. It

also reveals the interconnections between physical and mental processes of reasoning and explores the nature of physical intelligence. [Embodied Philosophy in Dance](#) Crown

What is the essence of black dance in America? To answer that question, Brenda Dixon Gottschild maps an unorthodox 'geography', the geography of the black dancing body, to show the central place black dance has in American culture. From the feet to the butt, to hair to skin/face, and

beyond to the soul/spirit, Brenda Dixon Gottschild talks to some of the greatest choreographers of our day including Garth Fagan, Francesca Harper, Meredith Monk, Brenda Buffalino, Doug Elkins, Ralph Lemon, Fernando Bujones, Bill T. Jones, Trisha Brown, Jawole Zollar, Bebe Miller, Sean Curran and Shelly Washington to look at the evolution of black dance and it's importance to American culture. This is a groundbreaking piece of work by one of the foremost African-

American dance critics of our day.

Twelve Years a Slave

Edizioni Sonda

In their contributions, the authors elaborate on research and cultural practices. For that, they take a closer look at specific regularities by focusing on historical texts, art, literature, music in past and present. *The Moronic Inferno* Open Book Publishers  
The Romance languages offer a particularly fertile ground for the exploration of the relationship between language and

society in different social contexts and communities. Focusing on a wide range of Romance languages – from national languages to minoritised varieties – this volume explores questions concerning linguistic diversity and multilingualism, language contact, medium and genre, variation and change. It will interest researchers and policy-makers alike.

For movie-loving New Yorkers, travelers and armchair film buffs, New York: The Movie Lover's Guide is the ultimate insider's guide to the Big Apple's reel attractions. *African Literacies* Springer  
 La vita extraterrestre. Attraversare un buco nero. Un viaggio nel tempo. La quinta dimensione. Superare la velocità della luce. C'è una parola che siamo soliti usare per riferirci a queste cose: «impossibile». A un certo punto della nostra storia abbiamo tracciato una linea mentale oltre la quale la realtà scompariva e iniziava la fantascienza: navi stellari in fiamme al

largo dei bastioni di Orione, colonie terrestri su altri pianeti, alieni xenomorfi, portali interdimensionali. La fantasia. L'assurdo. Ma siamo certi che quella linea sia ancora lì dove stava molti anni fa? In un'epoca in cui i treni levitano sopra i binari, le automobili si guidano da sole e le cellule di esseri preistorici estinti da millenni vengono clonate e riportate in vita, che cosa significa davvero «Non è possibile»? Cosimo Bambi ci guida alla scoperta

dell'impossibile: tra spazitempi curvi, ipercubi, onde gravitazionali e universi paralleli, il suo è un viaggio nei meandri della fisica contemporanea per provare a capire quanto c'è di vero nelle idee che la nostra immaginazione ha prodotto. Da Flatlandia di Abbott alla teoria delle stringhe, da Star Trek ai muoni, da Ritorno al futuro agli esperimenti del Cern di Ginevra, Bambi passa in rassegna alcuni dei grandi tabù della scienza raccontati da cinema e narrativa per

esplorarne la plausibilità alla luce di quello che oggi sappiamo sul cosmo. Niente è impossibile è una mappa spaziale per spiriti curiosi. Un'opera che, con chiarezza e semplicità, ci mette di fronte ad alcune delle più sconcertanti rivelazioni della ricerca scientifica, facendoci meravigliare non per ciò che ignoriamo ma per ciò che già conosciamo. Perché niente è più stupefacente dell'impossibile che diventa realtà. *Dizionario di chirurgia pratica* Penguin

Domhoff's neurocognitive model helps explain the neural and cognitive bases for dreaming. He discusses how dreams express conceptions and concerns, and how they are consistent over years and decades. He also shows that there may be limits to understanding the meaning of dreams as there are many aspects of dream content that cannot be related to waking cognition or personal concerns. In addition, the book includes a detailed explanation of the

methods needed to test the new model as well as a case study of a comprehensive dream journal. Particularly valuable is a discussion of a new system of content analysis that can be used for highly sophisticated studies of dream content. In this provocative book, Domhoff sets forth a convincing argument that will encourage a resurgence in dream research among both new and established cognitive psychologists and neuropsychologists. Se Bambi fosse un trans?

Random House  
In Roads to Health, G. Geltner demonstrates that urban dwellers in medieval Italy had a keen sense of the dangers to their health posed by conditions of overcrowding, shortages of food and clean water, air pollution, and the improper disposal of human and animal waste. He consults scientific, narrative, and normative sources that detailed and consistently denounced the physical and environmental hazards urban communities faced:

latrines improperly installed and sewers blocked; animals left to roam free and carcasses left rotting on public byways; and thoroughfares congested by artisanal and commercial activities that impeded circulation, polluted waterways, and raised miasmas. However, as Geltner shows, numerous administrative records also offer ample evidence of the concrete measures cities took to ameliorate unhealthy conditions. Toiling on the frontlines were public

functionaries generally known as viarii, or "road-masters," appointed to maintain their community's infrastructures and police pertinent human and animal behavior. Operating on a parallel track were the camparii, or "field-masters," charged with protecting the city's hinterlands and thereby the quality of what would reach urban markets, taverns, ovens, and mills. Roads to Health provides a critical overview of the mandates and activities of the viarii

and camparii as enforcers of preventive health and safety policies between roughly 1250 and 1500, and offers three extended case studies, for Lucca, Bologna, and the smaller Piedmont town of Pinerolo. In telling their stories, Geltner contends that preventive health practices, while scientifically informed, emerged neither solely from a centralized regime nor as a reaction to the onset of the Black Death. Instead, they were typically negotiated by diverse stakeholders,

including neighborhood residents, officials, artisans, and clergymen, and fostered throughout the centuries by a steady concern for people's greater health.

*Trattato dei parti delle malattie delle donne e dei bambini* MERIDIANO ZERO  
 Have a rockin' time introducing children to Footloose, rewritten for children by the one and only Kenny Loggins himself. Time to cut loose! Have a rockin' time introducing children to the fun of Footloose, rewritten for children by the one

and only Kenny Loggins. As a zookeeper named Jack joins the zoo animals in an all-night dance party, this new original story from Loggins is sure to get your feet moving. Little ones will love the cast of characters, including the rockin' chimp Louise ("Geez, Louise"), Mister DJ Elephant, the lemur Marie ("Oo Wee, Marie"), Milo the wombat, Luke the funkiest cat in the zoo, and so many more rocking, bopping, boogeying, tangoing, shaking, rattling and

rolling animals!

**Footloose** Springer

At the age of ten, when Martin Amis spent a year in Princeton, New Jersey, he was excited and frightened by America. As an adult he has approached that confusing country from many arresting angles, and interviewed its literati, filmmakers, thinkers, opinion makers, leaders and crackpots with characteristic discernment and wit. Included in a gallery of Great American Novelists are Norman Mailer, Gore

Vidal, Truman Capote, Joseph Heller, William Burroughs, Kurt Vonnegut, John Updike, Paul Theroux, Philip Roth and Saul Bellow. Amis also takes us to Dallas, where presidential candidate Ronald Reagan is attempting to liaise with born-again Christians. We glimpse the beau monde of Palm Beach, where each couple tries to out-Gatsby the other, and examine the case of Claus von Bulow. Steven Spielberg gets a visit, as does Brian de Palma, whom Amis asks why his

films make no sense, and Hugh Hefner's sybaritic fortress and sanitised image are penetrated. There can be little that escapes the eye of Martin Amis when his curiosity leads him to a subject, and America has found in him a superlative chronicler.

Oxford University Press  
Este libro é gay trata de

uma questão muito importante e, às vezes, de difícil abordagem entre professores, pais e jovens: a sexualidade. Com um texto muito claro e ilustrações engraçadas, o livro lembra um manual. O autor convida os leitores a refletir, de maneira honesta e sem preconceitos, sobre os desejos sexuais de cada um, defendendo, acima de tudo, o respeito às escolhas.

Step into the world of

cinema and discover everything there is to know about movies, directors, genres, and styles. Profiling more than 100 of the most significant films ever made, and the world's most influential directors, *The Film Book* will take you on a journey through the changing landscape of cinema. Discover the behind-the-scenes stories about timeless classics like *Citizen Kane* and *The Godfather*, and take a front-row seat at lavish blockbusters like *Star Wars* or *Titanic*. Covering

every national school of film-making from Hollywood to Bollywood, *The Film Book* has something for everyone. *Top 10* and *What to Watch* boxes will inspire your next movie night. Test your knowledge with the essential trivia section - how much do you know about Oscar winners, biggest flops, banned films, and more? From the birth of cinema right up until the present, *The Film Book* is essential reading for movie lovers everywhere.

**Maschio o femmina? II**

Saggiatore  
 uno Dawson è autrice di  
 diversi romanzi per  
 giovani adulti e nel 2014 è  
 stata nominata «Queen of  
 Teen» per la sua attività  
 di scrittrice per ragazzi e  
 di divulgazione. Questo  
 libro è gay nasce dalla  
 raccolta di fatti, idee e  
 testimonianze ed è stato  
 definito «la guida  
 definitiva a tutti gli aspetti  
 dell'essere LGBT e non». Arricchito dalle esilaranti  
 vignette di Spike Gerrell,  
 è un libro per tutti e  
 racconta che gli esseri  
 umani sono ricchi di  
 sfaccettature e a nessuno

si dovrebbe applicare  
 un'etichetta sbagliata,  
 solo perché non  
 corrisponde all'idea di  
 «normalità» di qualcun  
 altro. Senza peli sulla  
 lingua e con dosi  
 massicce di umorismo,  
 l'autrice presenta il  
 variegato mondo LGBT e  
 propone un percorso  
 attraverso cui gli  
 adolescenti arrivano a  
 conoscersi meglio e a  
 capire quale tipo di  
 sessualità li rispecchia,  
 veramente, al di là delle  
 pressioni sociali e  
 culturali.  
Tra le rose e le viole DK

This book presents a  
 semiotic study of the re-  
 elaboration of Christian  
 narratives and values in a  
 corpus of Italian novels  
 published after the  
 Second Vatican Council  
 (1960s). It tackles the  
 complex set of ideas  
 expressed by Italian  
 writers about the biblical  
 narration of human  
 origins and traditional  
 religious language and  
 ritual, the perceived clash  
 between the immanent  
 and transcendent nature  
 and role of the Church,  
 and the problematic  
 notion of sanctity

emerging from  
contemporary narrative.
