HAYNES HICKS

The Four Vintage Crime/Black Lizard

'The abbot winked roguishly and poured another glassful, which the child took with both hands and drained to the last drop' One of the greatest nineteenth-century Spanish novels, *The House of Ulloa* follows pure and pious Father Julián Alvarez, who is sent to a remote country estate to put the affairs of the marquis, an irresponsible libertine, in order. When he discovers moral decadence, cruelty and corruption at his new home, Julián's well-meaning but ineffectual attempts to prevent the fall of the House of Ulloa end in tragedy. Combining gothic elements with humour and social satire, *The House of Ulloa* is the finest achievement of Emilia Pardo Bazán, a prolific writer, feminist, traveller and intellectual, and one of the most dynamic figures of her time. Paul O'Prey and Lucia Graves's lively translation fully conveys the exuberance and rich descriptions of the

novel, while their introduction discusses Pardo Bazán's scandalous life and the historical context of revolution in Spain. Translated with an introduction by Paul O'Prey and Lucia Graves

Kitty and the Sky Garden Adventure Simon and Schuster

Researcher and thought leader Dr. Brené Brown offers a powerful new vision in *Daring Greatly* that encourages us to embrace vulnerability and imperfection, to live wholeheartedly and courageously. 'It is not the critic who counts; not the man who points out how the strong man stumbles, or where the doer of deeds could have done them better. The credit belongs to the man who is actually in the arena, whose face is marred by dust and sweat and blood; who strives valiantly; . . . who at best knows in the end the triumph of high achievement, and who at worst, if he fails, at least fails while daring greatly' -Theodore Roosevelt Every time we are introduced to someone new, try to be creative, or start a difficult conversation, we take a risk. We feel uncertain and exposed. We feel vulnerable. Most of us try to fight those feelings - we strive to appear perfect. Challenging everything we think we know about vulnerability, Dr. Brené Brown dispels the widely accepted myth that it's a weakness. She argues that vulnerability is in fact a strength, and

when we shut ourselves off from revealing our true selves we grow distanced from the things that bring purpose and meaning to our lives. *Daring Greatly* is the culmination of 12 years of groundbreaking social research, across the home, relationships, work, and parenting. It is an invitation to be courageous; to show up and let ourselves be seen, even when there are no guarantees. This is vulnerability. This is daring greatly. 'Brilliantly insightful. I can't stop thinking about this book' -Gretchen Rubin Brené Brown, Ph.D., LMSW is a #1 New York Times bestselling author and a research professor at the University of Houston Graduate College of Social Work. Her groundbreaking work was featured on Oprah Winfrey's Super Soul Sunday, NPR, and CNN. Her TED talk is one of the most watched TED talks of all time. Brené is also the author of *The Gifts of Imperfection* and *I Thought It Was Just Me (but it isn't)*.

A long-awaited English translation of the groundbreaking oral history of women in World War II across Europe and Russia—from the winner of the Nobel Prize in Literature NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The Washington Post • The Guardian • NPR • The Economist • Milwaukee Journal Sentinel • Kirkus Reviews For more than three decades, Svetlana Alexievich has been the memory and conscience of the twentieth century. When the Swedish Academy awarded her the Nobel Prize, it cited her invention of “a new kind of literary genre,” describing her work as “a history of emotions . . . a history of the soul.” In *The Unwomanly Face of War*, Alexievich chronicles the experiences of the Soviet women who fought on the front lines, on the home front, and in the occupied territories. These women—more than a million in total—were nurses and doctors, pilots, tank drivers, machine-gunners, and snipers. They battled alongside men, and yet, after the victory, their efforts and sacrifices were forgotten. Alexievich traveled thousands of miles and visited more than a hundred towns to record these women’s stories. Together, this symphony of voices reveals a different aspect of the war—the everyday details of life in combat left out of the official histories. Translated by the renowned Richard Pevear and Larissa Volokhonsky, *The Unwomanly Face of War* is a powerful and poignant account of the central conflict of the twentieth century, a kaleidoscopic portrait of the human side of war. THE WINNER OF THE NOBEL PRIZE IN LITERATURE “for her polyphonic writings, a monument to suffering and courage in our time.” “A landmark.”—Timothy Snyder, author of *On Tyranny: Twenty Lessons from the Twentieth Century* “An astonishing book, harrowing and life-affirming . . . It deserves the widest possible readership.”—Paula Hawkins, author of *The Girl on the Train* “Alexievich has gained probably the world’s deepest, most eloquent understanding of the post-Soviet condition. . . . [She] has consistently chronicled that which has been intentionally forgotten.”—Masha Gessen, National Book Award-winning author of *The Future Is History*

The World of Ballet Piccadilly Books

An emissary from the Vatican investigates the foul play surrounding the pending demolition of a crumbling church in the heart of old Seville, in a sophisticated thriller by the author of *The Club* Dumas. Reissue. 25,000 first printing.

[The Unwomanly Face of War](#) Anaya Infantil

This unconventional and lighthearted introduction to the ideas of the major Western philosophers examines *The Simpsons* — TV’s favorite animated family. The authors look beyond the jokes, the crudeness, the attacks on society — and see a clever display of irony, social criticism, and philosophical thought. The writers begin with an examination of the characters. Does Homer actually display Aristotle’s virtues of character? In what way does Bart exemplify American pragmatism? The book also examines the ethics and themes of the show, and concludes with discussions of how the series reflects the work of Aristotle, Marx, Camus, Sartre, and other thinkers.

The Age of Conversation Anaya Infantil

Your guide to understanding all dimensions of spiritual warfare! *The Handbook for Spiritual Warfare* is the most thorough treatment available of biblical and theological foundations and practical concerns for spiritual warfare. Further revised and updated for the 21st century. THE BOOK: Equips leaders and mature believers Comprehensive coverage of all 3 dimensions of spiritual conflict: the World, the Flesh, and the Devil Endorsed by Frank Peretti, Dr. C. [The Lucifer Effect](#) Anaya Infantil

"La malvada bruja del bosque ha usado su magia y ha encantado todos los espejos del castillo. Por eso, la reina Olga ya no puede admirar su belleza y se desespera. Para encontrar el modo de acabar con el poder de la bruja, la princesa Ágata tiene que partir hacia tierras desconocidas. En su viaje correrá un sinfín de aventuras"--P. [4] of cover.

Isabelita la exploradora Courier Dover Publications

"Uma es la pequeña de siete hermanos y la única niña. Su padre, el rey Molefi, ha de decidir quién le sucederá en el trono: 'Quien me haga el mejor regalo,' anuncia. La pequeña Uma, armada solo

con su audacia e imaginación, emprende un largo viaje en busca del regalo más preciado"--P. [4] of cover.

Little Women Tundra Books (NY)

“Wordsworth, Whitman, William Carlos Williams, and the Beats in their respective generations moved poetry toward a more natural language. Bukowski moved it a little farther.” –Los Angeles Times Book Review In what is widely hailed as the best of his many novels, Charles Bukowski details the long, lonely years of his own hardscrabble youth in the raw voice of alter ego Henry Chinaski. From a harrowingly cheerless childhood in Germany through acne-riddled high school years and his adolescent discoveries of alcohol, woman, and the Los Angeles Public Library’s collection of D.H. Lawrence, *Ham on Rye* offers a crude, brutal, and savagely funny portrait of an outcast’s coming-of-age during the desperate days of the Great Depression.

[Who Was Betsy Ross?](#) Penguin Classics

A haunting tale of power, corruption, and the complex search for identity *Conversation in The Cathedral* takes place in 1950s Peru during the dictatorship of Manuel A. Odría. Over beers and a sea of freely spoken words, the conversation flows between two individuals, Santiago and Ambrosia, who talk of their tormented lives and of the overall degradation and frustration that has slowly taken over their town. Through a complicated web of secrets and historical references, Mario Vargas Llosa analyzes the mental and moral mechanisms that govern power and the people behind it. More than a historic analysis, *Conversation in The Cathedral* is a groundbreaking novel that tackles identity as well as the role of a citizen and how a lack of personal freedom can forever scar a people and a nation.

[Good Night Stories for Rebel Girls](#) Scholastic Inc.

You have in your hands the most rigorous, complete and readable book ever written about the fascinating science of human sexuality. This book goes beyond the well-worn sexual education advice and the usual evolutionist psychology. After *The Brain Snatcher*, Pere Estupinyà comes back with the first popular science book on sex aimed at a wide audience. While there are some tips for the more adventurous, there is also a wealth of new information to be discovered. Distancing himself from the many books on advice or techniques, Estupinyà brings sex to another dimension by combining popular beliefs and science. Do you want proof that our decision-making in the “heat of the moment” is less rational than we think? Did you know that mind and vagina each go their own way? Are you interested in learning about the effects of yoga on sexual pleasure? Did you know about the attempts in the 60s to “cure” homosexuals with electric shock therapy, the chemical analysis of female ejaculation, or the fundamental relationship between the sympathetic and parasympathetic nervous system? The author has spoken directly with asexual and intersexual individuals, fetishists, multi-orgasmic women, women who never have orgasms through penetration, and men who have no refractory period. He has also participated in sadomasochistic events; learned tantric techniques with a couple of coaches, spoken with porn performers at Barcelona’s Bagdad, and attended workshops in which a woman teaches how to have orgasms with your mind and breathing. The result is an incredible miscellany of information that appeals to both the scientific community and the curious.

A NEW YORK TIMES BESTSELLER The New York Times bestselling *Good Night Stories for Rebel Girls* is a children’s book packed with 100 bedtime stories about the lives of extraordinary women from the past and the present, illustrated by 60 female artists from all over the world. This must-have volume brings readers on an empowering journey, introducing them to the real-life adventures of trailblazing women from Elizabeth I to Malala Yousafzai. The unique narrative style of *Good Night Stories for Rebel Girls* transforms each biography into a fairytale, filling readers with wonder and a burning curiosity to know more about each hero. Each woman’s story is also accompanied by a full-page, full-color portrait that captures her rebel spirit.

[Magic](#) Simon and Schuster

A MEMOIR BY THE YOUNGEST RECIPIENT OF THE NOBEL PEACE PRIZE As seen on Netflix with David Letterman "I come from a country that was created at midnight. When I almost died it was just after midday." When the Taliban took control of the Swat Valley in Pakistan, one girl spoke out. Malala Yousafzai refused to be silenced and fought for her right to an education. On Tuesday, October 9, 2012, when she was fifteen, she almost paid the ultimate price. She was shot in the

head at point-blank range while riding the bus home from school, and few expected her to survive. Instead, Malala's miraculous recovery has taken her on an extraordinary journey from a remote valley in northern Pakistan to the halls of the United Nations in New York. At sixteen, she became a global symbol of peaceful protest and the youngest nominee ever for the Nobel Peace Prize. I AM MALALA is the remarkable tale of a family uprooted by global terrorism, of the fight for girls' education, of a father who, himself a school owner, championed and encouraged his daughter to write and attend school, and of brave parents who have a fierce love for their daughter in a society that prizes sons. I AM MALALA will make you believe in the power of one person's voice to inspire change in the world.

Owen the baby hippo and his mama were best friends. They loved to play hide-and-seek on the banks of the Sabaki River in Africa. That was all before the tsunami came and washed Owen's world away. But after the rain stops, Owen befriends Mzee, a grayish brown tortoise. He plays with him, snuggles with him, and decides he just might turn out to be his best friend and a brand-new mama. Inspired by the tsunami of 2004, acclaimed storyteller Marion Dane Bauer and celebrated illustrator John Butler depict this heartwarming true tale of healing, adoption, and rebirth -- with splendid illustrations and oodles of love.

[S=EX2](#) Open Court

Hi, I’m Coralina, a cool girl. I’m sad because I can’t do anything right. The plasticine figure I made for the ogre turned out horrible. The little forest animals want me to fix it with magic. But I don’t know how to do magic. What would you do in my shoes?

[The King and the Sea](#) Anaya Infantil

A “dissident of the gender-sex binary system” reflects on gender transitioning and political and cultural transitions in technoscientific capitalism. Uranus, the frozen giant, is the coldest planet in the solar system as well as a deity in Greek mythology. It is also the inspiration for uranism, a concept coined by the writer Karl Heinrich Ulrich in 1864 to define the “third sex” and the rights of those who “love differently.” Following Ulrich, Paul B. Preciado dreams of an apartment on Uranus where he might live beyond existing power, gender and racial strictures invented by modernity. “My trans condition is a new form of uranism,” he writes. “I am not a man. I am not a woman. I am not heterosexual. I am not homosexual. I am not bisexual. I am a dissident of the gender-sex binary system. I am the multiplicity of the cosmos trapped in a binary political and epistemological system, shouting in front of you. I am a uranist confined inside the limits of technoscientific capitalism.” This book recounts Preciado's transformation from Beatriz into Paul B., but it is not only an account of gender transitioning. Preciado also considers political, cultural, and sexual transition, reflecting on issues that range from the rise of neo-fascism in Europe to the technological appropriation of the uterus, from the harassment of trans children to the role museums might play in the cultural revolution to come. An Apartment on Uranus is a bold, transgressive, and necessary book.

[Women Who Run with the Wolves](#) Ediciones Universidad de Salamanca

Ilide has an amazing talent—she can solve any riddle. She decides she must find a way to but this skill to good use.

[Ágata y los espejos mentirosos](#) Ballantine Books

Now in paperback, an award-winning look at French salons and the women who presided over them In the seventeenth and eighteenth centuries, between the reign of Louis XIII and the Revolution, French aristocratic society developed an art of living based on a refined code of good manners. Conversation, which began as a way of passing time, eventually became the central ritual of social life. In the salons, freed from the rigidity of court life, it was women who dictated the rules and presided over exchanges among socialites, writers, theologians, and statesmen. They contributed decisively to the development of the modern French language, new literary forms, and debates over philosophical and scientific ideas. With a cast of characters both famous and unknown, ranging from the Marquise de Rambouillet to Madame de Sta’l, and including figures like Ninon de Lenclos, the Marquise de Sevigne, and Madame de Lafayette, as well as Pascal, La Rochefoucauld, Diderot, and Voltaire, Benedetta Craveri traces the history of this worldly society that carried the art of sociability to its supreme perfection—and ultimately helped bring on the Revolution that swept it all away.
