We pride ourselves on our accurate, honest and informed travel guides."

The Rough Guide to England Penguin

The Rough Guide to the Pyrenees is the only guidebook available to the entire region, covering both the French and Spanish sides of this spectacular region, from the Atlantic to the Mediterranean. A full-colour section introduces the author's pick of the attractions, from relaxing in the picturesque spa towns to watching the Tour de France wind up the mountains. There are detailed listings of the best places to eat, drink and stay, from boutique hotels in Biarritz to the most remote mountain refuges. For the outdoor enthusiast there are exhaustive accounts of the walking and climbing routes available and information on the host of other activities available, including skiing, paragliding, rafting, cycling and horse riding. There is also expansive coverage of all the cultural highlights including the prehistoric cave art at Ariège and an accessible history of the region from

prehistory to the current day.

Readers' Guide to Periodical Literature Rough Guides UK

The surprise decision expressed by the British people in the referendum held in June 2016 to leave the European Union was remarkable. It also presents a "natural experiment" where the exposure of a society to an extraordinary event allows scholars to observe, in real time in the real world, the interaction of variables. The Routledge Handbook of the Politics of Brexit takes stock of what we know in the social science community about the Brexit phenomenon so far and looks to make sense of this remarkable process as it unfolds. The book asks simple questions across a range of areas and topics so as to frame the debate into a number of navigable "subdiscussions", providing structure and form to what is an evolving and potentially inchoate topic. As such, it provides a systematic account of the background for, the content of, and the possible implications of Brexit. The handbook therefore does not examine in detail the minutiae of Brexit as it unfolds on a day-to-day basis but raises its sights to consider both the broad contextual factors that shape and are shaped by Brexit and the deeper sources and implications of the British exit from the European Union. Importantly, as interest in Brexit reaches far beyond the shores of the United Kingdom, so an international team of contributors examines and reveals the global implications and the external face of Brexit. The Routledge Handbook of the Politics of Brexit will be essential reading and an authoritative reference for scholars, students, researchers and practitioners involved in and actively concerned about research on Brexit, British politics, European Union politics, and comparative politics and international relations.

A Handbook for Travellers in France, Alsace, and Lorraine Apa Publications (UK) Limited

This book constitutes the refereed post-conference proceedings of the 5th European Conference on Information Literacy, ECIL 2017, held in Saint Malo, France, in September 2017. The 84 revised papers included in this volume were carefully reviewed and selected from 358 submissions. The papers cover a wide range of topics in the field of information literacy and focus on information literacy in the workplace. They are organized in the following topical sections: workplace information literacy, employability and career readiness; data literacy and research data management; media literacy; copyright literacy; transliteracy, reading literacy, digital literacy, financial literacy, search engine literacy, civic literacy; science literacy; health information literacy; information behavior; information literacy in higher education; information literacy in K-12; information literacy instruction; information literacy and libraries; and theoretical framework.

An author subject index to selected general interest periodicals of reference value in libraries.

Bradshaw's monthly railway and steam navigation guide Penguin

The Celtic world is a rich source of myth and legend and this attractive volume aims to introduce the subject to a wide audience. Following a general history of Celts and druids, Curran presents extracts or summaries of myths that tell the stories of saints, giants and monsters, sea gods, earth and air spirits, sacred sites and heroes. Storytelling in the Celtic tradition is shown to be still alive in the far west of Britain. Each section is accompanied by numerous photographs of Celtic sites and past and present artistic representations of the legends.
