But in their small lake town, forgetting the past--and Ben--proves impossible. He still seems to be everywhere: at work, at the movies . . . and in Lucy's heart. Lucy so wants to move on, but how can she forgive when

she can't forget? The Last Thing You Said is a deeply felt and romantic novel about listening to your heart and finding your path, whether that path leads to romance, healing, or your best self. "A heartwarming story about the indelible marks left by first love and first loss. This book will give you all the feels." --Julix Buxbaum, author of Tell Me Three Things, a New York Times bestseller "A

beautiful, gut-wrenching story about the complexities of grief and the saving grace of family, friendship, and love. Brave, raw, and exquisitely written." -- Marci Lyn Curtis, author of The One Thing "A beautiful look at the enduring power of first love." --S.M. Parker, author of The Girl Who Fell *I'll Fix Anthony* Profile Books Chronic pain affects nearly 100 million

Americans. Ongoing fatigue affects even more. The combination of fatigue and body-wide chronic pain, often called “fibromyalgia,” remains mysterious and confusing, and an alarming 66 percent of sufferers are misdiagnosed. Now, leading naturopathic medical doctor and nutritionist David Brady is here with the answer in his comprehensive book *The Fibro Fix*. For more than 23 years, Dr.

Brady has treated many thousands of patients seeking relief from fibromyalgia. In *The Fibro Fix*, he distills his life-changing prescription into an integrative 21-day program to help you determine if, in fact, you’re suffering from fibromyalgia or from one of several severe symptoms misdiagnosed as fibromyalgia. The plan begins with three simple steps—detox, diet, and movement—to

start relieving those symptoms for good and then offers deeper long-term solutions specific to the real cause in each person. *The Fibro Fix* is your groundbreaking guide to resolving fibromyalgia, and uncovering the mystery behind chronic pain and fatigue. [Even If I Fall](#) HarperCollins Some things are easy to fix...but are some meant to stay broken? When sixteen-year-old Jill

Whitaker's mom walks out—with a sticky note as a goodbye—only Jill knows the real reason she's gone. But how can she tell her father? Jill can hardly believe the truth herself. Suddenly, the girl who likes to fix things—cars, relationships, romances, people—is all broken up. It used to be, her best friend, tall, blond and hot flirt Sean Addison, could make her smile in seconds. But

not anymore. They don't even talk. With nothing making sense, Jill tries to pick up the pieces of her life. When a new guy moves in next door, intense, seriously cute, but with scars—on the inside and out—that he thinks don't show, Jill finds herself trying to make things better for Daniel. But over one long, hot Arizona summer, she realizes she can't fix anyone's life until she fixes her own. And she knows just

movie star.  
But can she  
handle life in  
the limelight?  
When Kelly  
Reynolds's  
husband died  
two years ago,  
he left her to  
raise their two  
young boys.  
She's barely  
pieced herself  
back together  
and takes  
refuge in her  
routine,

running her kids around town and running the trails near their Idaho home. A chance encounter on a trail run brings famous actor Andy Pettigrew into her life. He's clearly interested in her, but Kelly hates risk, and a love affair with Andrew is certainly tempting fate. She doesn't fit into his Hollywood world. She doesn't own a pair of Louboutins, and she couldn't walk five steps in

them if she did. Andrew oozes cool. She reeks of dork. Despite this, they click. But Andrew struggles with the pressures of his fame, and Kelly's hold on a so-called normal life is already tenuous. So as much as she wants to indulge the fantasy, she doesn't know how either of them is supposed to cope with stalkerazzi and tweet-happy fans with camera phones. Especially when she and

Andrew both have secrets that seem impossible to keep...  
*The Goal*  
Little, Brown  
Don't miss the second gripping and heartfelt story from the author of *If I Fix You!* A girl's plan to find her father's birth family turns potentially devastating when the secret DNA test she has done reveals that she has a half brother her age she never knew about. Dana Fields's father never knew his parents.

When Dana secretly does a DNA test for her dad, hoping to find him some distant relatives for his birthday, her entire world implodes. Instead of a few third cousins, Dana discovers a half brother her age whose very existence means her parents' happy marriage is a lie. Dana's desire to know her half brother, Brandon, and the extent of her dad's deception, clashes with

her wish not to destroy her family. When she sees the opportunity to get to know Brandon through his cousin, the intense yet kind Chase, she takes it. But the more she finds out about Brandon, her father's past and the irresistible guy who'll never forgive her if he discovers the truth, the more she sees the inevitable fallout from her own lies. With her family crumbling around her, Dana must

own up to her actions and find a way to heal the breach—for everyone—before they're torn apart for good.

*What Got You Here Won't Get You There*  
HarperCollins  
Your hard work is paying off. You are doing well in your field. But there is something standing between you and the next level of achievement. That something may just be one of your own annoying habits. Perhaps one

small flaw - a behaviour you barely even recognise - is the only thing that's keeping you from where you want to be. It may be that the very characteristic that you believe got you where you are - like the drive to win at all costs - is what's holding you back. As this book explains, people often do well in spite of certain habits rather than because of them - and need a "to stop" list rather than

one listing what "to do". Marshall Goldsmith's expertise is in helping global leaders overcome their unconscious annoying habits and become more successful. His one-on-one coaching comes with a six-figure price tag - but in this book you get his great advice for much less. Recently named as one of the world's five most-respected executive coaches by Forbes, he has worked with

over 100 major CEOs and their management teams at the world's top businesses. His clients include corporations such as Goldman Sachs, Glaxo SmithKline, Johnson and Johnson and GE.

**The Last Thing You Said** Random House Heartbreak brought them together...will love tear them apart? Adam's life used to be awesome. Straight As, close friends and a perfect home life.

Then his oldest brother died. Now his mom cries constantly, he and his middle brother can't talk without fighting, and the father he always admired moved out when they needed him most. Aspiring director Jolene's life is nothing like the movies she loves—not the happy ones anyway. With her divorced parents at each other's throats and using her as a pawn, no amount of mental

reediting will give her the love she's starving for. Forced to spend every other weekend in the same apartment building, the boy who thinks forgiveness makes him weak and the girl who thinks love is for fools begin an unlikely friendship. The weekends he dreaded and she endured quickly become the best part of their lives. Have Jolene and Adam found

something real? Or is their connection doomed from the start? They'll find out...every other weekend.

 Dealing with a sick plant is one of the most frustrating situations a gardener can face. More often than not, we have no idea what is causing the problem, or how to fix it. Fortunately, help is at hand. What's Wrong With

My Plant? (And How Do I Fix It?) provides an easy system for visually diagnosing any problem, and matching it to the right cure. This innovative and easy-to-use guide is split into three parts. Part One presents easy-to-follow, illustrated flow charts — organized by where on the plant the symptoms appear — that allow readers to accurately diagnose the problem. The format is so simple it doesn't even

require knowing the name of the plant; all you need to know is whether the problem is affecting its roots, stem, flowers, or leaves. It does not matter whether the plant is a houseplant, perennial, vegetable, tree, or shrub. Part Two offers a 100% organic way to fix the problem. From improper growing conditions and environmental factors, to molds, pests, and diseases, every problem has a safe,

natural solution. Part Three shows photographs and drawings of stressed, damaged, and diseased plants that help with accurate comparison. Whether your garden consists of herbs on a kitchen windowsill, a vegetable garden, an elaborate backyard border, or a container on a patio, *What's Wrong With My Plant?* is an indispensable resource. If you can see it, you can fix it.

Curing a sick plant just doesn't get any easier.

From Mike Michalowicz, the author of PROFIT FIRST, CLOCKWORK, and THE PUMPKIN PLAN, comes the ultimate diagnostic tool for every entrepreneur. The biggest problem entrepreneurs have is that they don't know what their biggest

problem is. If you find yourself trapped between stagnating sales, staff turnover, and unhappy customers, what do you fix first? Every issue seems urgent -- but there's no way to address all of them at once. The result? A business that continues to go in endless circles putting out urgent fires and prioritizing the wrong things. Fortunately, Mike Michalowicz has a simple system to help

you eradicate these frustrations and get your business moving forward, fast. Mike himself has lived through the struggles and countless distractions of entrepreneurs hip, and devoted years to finding a simple way to pinpoint exactly where to direct attention for rapid growth. He figured out that every business has a hierarchy of needs, and if you can understand where you are in that

hierarchy, you can identify what needs immediate attention. Simply fix that one thing next, and your business will naturally and effortlessly level-up. Over the past decade, Mike has developed an ardent following for his funny, honest, and actionable insights told through the stories of real entrepreneurs . Now, *Fix This Next* offers a simple, unique, and wildly powerful business compass that

has already helped hundreds of companies get to the next level, and will do the same for you. Immediately. *It All Comes Back to You* Simon and Schuster #1 NATIONAL BESTSELLER #1 INTERNATIONAL BESTSELLER What does everyone in the modern world need to know? Renowned psychologist Jordan B. Peterson's answer to this most difficult of questions uniquely

combines the hard-won truths of ancient tradition with the stunning revelations of cutting-edge scientific research. Humorous, surprising and informative, Dr. Peterson tells us why skateboarding boys and girls must be left alone, what terrible fate awaits those who criticize too easily, and why you should always pet a cat when you meet one on the street. What does the nervous system of the

lowly lobster have to tell us about standing up straight (with our shoulders back) and about success in life? Why did ancient Egyptians worship the capacity to pay careful attention as the highest of gods? What dreadful paths do people tread when they become resentful, arrogant and vengeful? Dr. Peterson journeys broadly, discussing discipline, freedom, adventure and responsibility,

distilling the world's wisdom into 12 practical and profound rules for life. *12 Rules for Life* shatters the modern commonplace s of science, faith and human nature, while transforming and ennobling the mind and spirit of its readers.

"Fix Her Up ticks all my romance boxes. Not only is it hilarious, it's sweet, endearing, heartwarming and downright

sexy. It's a recipe for the perfect love story." – Helena Hunting, New York Times bestselling author of *Meet Cute* A steamy, hilarious new romantic comedy from New York Times bestselling author Tessa Bailey, perfect for fans of Christina Lauren and Sally Thorne! Georgette Castle's family runs the best home renovation business in town, but she picked balloons

instead of blueprints and they haven't taken her seriously since. Frankly, she's over it. Georgie loves planning children's birthday parties and making people laugh, just not at her own expense. She's determined to fix herself up into a Woman of the World... whatever that means. Phase one: new framework for her business (a website from this decade, perhaps?) Phase two: a gut-reno on

her wardrobe (fyi, leggings are pants.) Phase three: updates to her exterior (do people still wax?) Phase four: put herself on the market (and stop crushing on Travis Ford!) Living her best life means facing the truth: Georgie hasn't been on a date since, well, ever. Nobody's asking the town clown out for a night of hot sex, that's for sure. Maybe if people think she's having a steamy love affair, they'll

acknowledge she's not just the "little sister" who paints faces for a living. And who better to help demolish that image than the resident sports star and tabloid favorite. Travis Ford was major league baseball's hottest rookie when an injury ended his career. Now he's flipping houses to keep busy and trying to forget his glory days. But he can't even cross the street without someone

recapping his greatest hits. Or making a joke about his... bat. And then there's Georgie, his best friend's sister, who is not a kid anymore. When she proposes a wild scheme—that they pretend to date, to shock her family and help him land a new job—he agrees. What's the harm? It's not like it's real. But the girl Travis used to tease is now a funny, full-of-life woman and there's nothing fake

about how much he wants her... *Girl on the Run* Henry Holt and Company New York Times bestselling author Jason Pargin's hilarious and horrifying *John Dies at the End* series continues with *If This Book Exists, You're in the Wrong Universe*. "Pargin once again delights with scathing social commentary thinly disguised as an outrageous action novel...This is a

feast."—*Publishers Weekly* "Within the snarky humor is an incisive commentary on social media and the state of our connected world, and a story about trauma and how people lash out when they're hurt...This isn't just a funny tale of inept supernatural investigators; it's a story of people struggling through pain to find a better path. Pargin offers us a welcome note of hope." — *Booklist* *If*

the broken neon signs, shuttered storefronts, and sub-standard housing didn't tip you off, you've just wandered into the city of "Undisclosed". You don't want to be caught dead here, because odds are you just might find yourself rising from the grave. That hasn't stopped tourists from visiting to check out the unusual phenomena that hangs around our town like radioactive

fallout. Interdimensional parasites feeding on human hosts, paranormal cults worshipping demonic entities, vengeful teenage sorcerers, we've got it all. Did I mention the possessed toy? It's a plastic football-sized egg that's supposed to hatch an adorable, colorful stuffed bird when a child "feeds" it through a synchronized smartphone app. What's

actually inside is an otherworldly monstrosity that's enticing impressionable wayward youth into murdering folks and depositing their body parts inside the egg as if it's a hungry piggy bank to trigger the end of the world. That's where Dave, John, and Amy come in. They face supernatural threats so the rest of us don't have to—and sometimes even earn a couple of bucks to so

do. But between the bloody ritual sacrifices and soul-crushing nightmares, our trio realizes this apocalypse is way above their pay grade.

Vintage

"Highly informative and remarkably entertaining."

—Elle From forest trails in Korea, to islands in Finland, to eucalyptus groves in California, Florence Williams investigates the science

behind nature's positive effects on the brain. Delving into brand-new research, she uncovers the powers of the natural world to improve health, promote reflection and innovation, and strengthen our relationships. As our modern lives shift dramatically indoors, these ideas—and the answers they yield—are more urgent than ever.

**Every Other Weekend**

Bloomsbury Publishing  
For fans of Sarah Dessen and Jenny Han, *Beyond the Break* is a funny and gorgeous debut about a girl experiencing her first love. Well, second, if you count her faith... and that's where things may get complicated. Manhattan Beach native Lovette has two rules in life. One: no surfing. Not after her brother's accident. Two: absolutely, no dating. And going into her

junior year of high school, she's pretty happy with that arrangement. She has friends, her church youth group, and God to fall back on when things get dicey. But after Jake Evans walks into her life, following these two simple rules gets a lot more complicated. Jake is the boy from Lovette's childhood who grew up. Handsome and sweet, he unlocks the part of Lovette that wants

nothing more than to surf the waves again. And as their relationship grows, she begins to question what it means to be faithful: to her family, to God, but mostly, to herself. Told with humor and heart, Heather Buchta delivers a sparkling debut that asks the question: Can you fall in love, be a teenager, and also be a good Christian? Let Me Fix You a Plate Harlequin "A badass

debut by any measure—nimble, knowing, and electrifying." —Colson Whitehead, Pulitzer Prize-winning author of *The Nickel Boys* and *Harlem Shuffle* "...'My Monticello' is, quite simply, an extraordinary debut from a gifted writer with an unflinching view of history and what may come of it." —The Washington Post Winner of the Weatherford Award in Fiction A winner of

2022 Lillian Smith Book Awards A young woman descended from Thomas Jefferson and Sally Hemings driven from her neighborhood by a white militia. A university professor studying racism by conducting a secret social experiment on his own son. A single mother desperate to buy her first home even as the world hurtles toward catastrophe. Each fighting to survive in America. Tough-

minded, vulnerable, and brave, Jocelyn Nicole Johnson's precisely imagined debut explores burdened inheritances and extraordinary pursuits of belonging. Set in the near future, the eponymous novella, "My Monticello," tells of a diverse group of Charlottesville neighbors fleeing violent white supremacists. Led by Da'Naisha, a young Black descendant of

Thomas Jefferson and Sally Hemings, they seek refuge in Jefferson's historic plantation home in a desperate attempt to outlive the long-foretold racial and environmental unravelling within the nation. In "Control Negro," hailed by Roxane Gay as "one hell of a story," a university professor devotes himself to the study of racism and the development of ACMs

(average American Caucasian males) by clinically observing his own son from birth in order to “painstakingly mark the route of this Black child too, one whom I could prove was so strikingly decent and true that America could not find fault in him unless we as a nation had projected it there.” Johnson’s characters all seek out home as a place and an internal state, whether in the form of

a Nigerian widower who immigrates to a meager existence in the city of Alexandria, finding himself adrift; a young mixed-race woman who adopts a new tongue and name to escape the landscapes of rural Virginia and her family; or a single mother who seeks salvation through “Buying a House Ahead of the Apocalypse.” United by these characters’ relentless struggles

against reality and fate, *My Monticello* is a formidable book that bears witness to this country’s legacies and announces the arrival of a wildly original new voice in American fiction.
