The voices of
yesteryear's
scholastics are
silenced. Scholastic
distinctions discarded.
Faith seeking

understanding
cancelled. This book
turns to university
professors who brought
classical, medieval,
Reformation, and
Renaissance thought to
bear on the teaching of
the doctrine of
providence at the early
New England Colleges.
Their ultimate purpose
was to exonerate God

from the charge that he was the author, even actor, of evil. Their scholastic method drew from a long and surprisingly ecumenical and philosophical enterprise in the history of the church. This book's aim is to let the scholastic approaches to the mystery of divine providence speak for themselves. Part One introduces the reader to the art of disputation and provides a guided historical-theological tour of scholastic distinctions that were used by doctors of the church to explain issues related to the doctrine of divine providence. Part Two invites the reader to follow the author on his journeys to Harvard, Yale, the College of

New Jersey, and the College of Rhode Island, and Providence Plantations' commencement-day disputations as he engages in Platonic-like dialogues with presidents, rectors, and students of the New England Colleges. While the dialogues are imagined, the characters, times, locations, and quoted texts are real.

The fascinating characters that roam across the pages of Emma Donoghue's stories have all gone astray: they are emigrants, runaways, drifters, lovers old and new. They are gold miners and counterfeiters, attorneys and slaves. They cross other borders too: those of race, law, sex, and sanity. They travel for love or money,

incognito or under duress. With rich historical detail, the celebrated author of Room takes us from puritan Massachusetts to revolutionary New Jersey, antebellum Louisiana to the Toronto highway, lighting up four centuries of wanderings that have profound echoes in the present. Astray offers us a surprising and moving history for restless times.

Two founding fathers of American industry. One desire to dominate business at any price. "Masterful . . .

Standiford has a way of making the 1890s resonate with a twenty-first-century audience."—USA Today
"The narrative is as

absorbing as that of any good novel—and as difficult to put down.”—Miami Herald

The author of *Last Train to Paradise* tells the riveting story of Andrew Carnegie, Henry Clay Frick, and the bloody steelworkers’ strike that transformed their fabled partnership into a furious rivalry. Set against the backdrop of the Gilded Age, *Meet You in Hell* captures the majesty and danger of steel manufacturing, the rough-and-tumble of the business world, and the fraught relationship between “the world’s richest man” and the ruthless coke magnate to whom he entrusted his companies. The result is an extraordinary work of popular history. Praise for *Meet*

You in Hell “To the list of the signal relationships of American history . . . we can add one more: Andrew Carnegie and Henry Clay Frick . . . The tale is deftly set out by Les Standiford.”—Wall Street Journal

“Standiford tells the story with the skills of a novelist . . . a colloquial style that is mindful of William Manchester’s great *The Glory and the Dream*.”—Pittsburgh Tribune-Review

“A muscular, enthralling read that takes you back to a time when two titans of industry clashed in a battle of wills and egos that had seismic ramifications not only for themselves but for anyone living in the United States, then and now.”—Dennis Lehane, author of

American national trade bibliography. Horseless Carriage Gazette McFarland Buried deep within the pages of America's newspapers from a century ago are an untold number of amazing stories waiting to be discovered. The Library of Congress has painstakingly digitized millions of pages from American newspapers published between 1789 and 1924 in a remarkable online collection called Chronicling America. In this second volume of The Yesteryear Gazette, we have collected twenty of the most compelling, moving, humorous and quirky stories from this treasure trove of

American newspapers. Highlights include...- The 1901 White House dinner that caused shockwaves across the southern United States.- In 1908, Americans are shocked when 11 bodies are discovered buried on an Indiana farm.- H.H.Holmes built a Chicago hotel in 1893 and designed it for mass murder.- In 1915, reefer madness takes hold.- Eight Chicago White Sox players stand accused of fixing the 1919 World Series.- Meet the doctor who offered to pay someone \$5000 to slice off their right ear.- Arthur Conan Doyle, the creator of Sherlock Holmes, believed in fairies. For real. All of these stories have been carefully transcribed directly

from the original newspaper stories. Some have been edited for length or clarity. Each story includes an introduction in order to provide some background and context. So step into the past and discover what Americans were reading at the breakfast table a hundred years or more ago.

Billings exploded when the railroad arrived, and good food was here to stay. Montana Avenue anchored the first establishments serving oysters, chop suey and steaks. Modern comfort arrived with the Northern Hotel and never left. Locals

sipped, savored and swung at the Skyline, Bella Vista, Elmo and Windmill Supper Clubs from the 1930s to the 1960s. Entrepreneurs debuted the Level 3 Tea Room, La Toque, Bruno's and New Moon Cafe. Beef still reigns at the Rex, Jake's and Bistecca at the Granary. Writer Stella Fong testifies why names like Yegen, McCormick, Schaer and Honaker have persisted throughout Billings' culinary history.

Corporation Dunstable, once a stagecoach centre, then a hat making town, and lately a major base for printing and vehicle manufacture, is once again reinventing itself to adapt to a changing

world. Dunstable Through Time, based on the popular 'Yesteryear' series published each week in the Dunstable Gazette, contains a wide selection of historic photographs alongside pictures of the corresponding scenes today. The continuing transformation is astonishing. Chickens once roamed where a roundabout stands today. The Gary Cooper pub is on a park where the film star played 'cowboys and indians'. A school's nature pond marks the spot where parents dug an open-air swimming pool. Vast factories and three civic halls have vanished and houses now cover the site of the California ballroom. This book enables newer Dunstablians to

explore the town's history through a fascinating selection of photographs.

This volume presents a detailed look at Forbes Field, the home of the Pittsburgh Pirates for 62 seasons. Part I consists of chapters on the construction and legacy of Forbes, the park's place in the Progressive Era, important baseball, football, and boxing events that took place at the park, and changes to the field's dimensions and configurations, as well as a transcript of the last Pirate game played there. In Part II, 56 former Pirates, two wives of former Pirates, 111 fans, and five members of the media

reminisce about the park. The appendices include a numerical review of Lady Forbes from 0 (the number of no-hitters pitched there) to 1,705,828 (the Pirate attendance for the 1960 season) and a list of the park's ground rules.

The Capital Region has always had a rich sports tradition, and over the years, many outstanding athletes, coaches, and teams have graced its athletic facilities. Olympic gold medal winner Jeff Blatnick, Brooklyn Dodgers pitcher Johnny Podres, NFL star Ernie Stautner, NYU basketball All-American Barry Kramer, race car driver Shirley Muldowney, and the Whiz Kids are just a drop in the bucket. Volume 1 of New York Capital Region Sports Memories 1910-2013 is a collection of more than 350 sports figures and teams of yesteryear, plus trivia. The Schenectady Gazette, Schenectady Union Star, Albany

Times Union, Troy Record, and other area newspapers, as well as my personal memories and conversations with area sports figures and fans, were my sources for putting this collection of memories together.

Today "Deliriously wild, funny and imaginative. Cantero is an original voice." --Charles Yu, author of *How to Live in a Science Fictional Universe* With raucous humor and brilliantly orchestrated mayhem, *Meddling Kids* subverts teen detective archetypes like the Hardy Boys, the Famous Five, and Scooby-Doo, and delivers an exuberant and wickedly entertaining celebration of horror, love, friendship, and many-tentacled, interdimensional demon spawn. SUMMER 1977. The Blyton Summer Detective Club (of Blyton Hills, a small mining town in Oregon's Zoinx River Valley) solved their final mystery and unmasked the elusive

Sleepy Lake monster—another low-life fortune hunter trying to get his dirty hands on the legendary riches hidden in Deboën Mansion. And he would have gotten away with it too, if it weren't for those meddling kids. 1990. The former detectives have grown up and apart, each haunted by disturbing memories of their final night in the old haunted house. There are too many strange, half-remembered encounters and events that cannot be dismissed or explained away by a guy in a mask. And Andy, the once intrepid tomboy now wanted in two states, is tired of running from her demons. She needs answers. To find them she will need Kerri, the

one-time kid genius and budding biologist, now drinking her ghosts away in New York with Tim, an excitable Weimaraner descended from the original canine member of the club. They will also have to get Nate, the horror nerd currently residing in an asylum in Arkham, Massachusetts. Luckily Nate has not lost contact with Peter, the handsome jock turned movie star who was once their team leader . . . which is remarkable, considering Peter has been dead for years. The time has come to get the team back together, face their fears, and find out what actually happened all those years ago at Sleepy Lake. It's their only

chance to end the nightmares and, perhaps, save the world. A nostalgic and subversive trip rife with sly nods to H. P. Lovecraft and pop culture, Edgar Cantero's *Meddling Kids* is a strikingly original and dazzling reminder of the fun and adventure we can discover at the heart of our favorite stories, no

matter how old we get. Memories of Yesteryear Joining the newly formed NYPD in 1845, Timothy reluctantly assumes his duties near the notorious Five Points slum, where in the middle of the night he hears a little girl's claim that dozens of bodies have been buried in a local forest. **Pure-bred Dogs, American Kennel Gazette**
