book discusses new cognitive informatics tools, algorithms, and methods that mimic the mechanisms of the human brain which leads to an impending revolution in understating a large amount of data generated by various smart applications. The book includes novel work in data intelligence domain which combines with the increasing efforts of artificial intelligence, machine learning, deep

learning, and cognitive science to study and develop a deeper understanding of the information processing systems. Early State Papers of New Hampshire: June, 1790- June, 1793, with an appendix containing the journal of the Senate on the impeachment of Woodbury Langdon, the records of the New Hampshire Society of the Cincinnati, and biographical sketches of

men who sustained important relations to the state government during the period covered by those records and journals, taken from the manuscript biographies of Governor William Plumer Academic Foundation "HOW WOULD YOU LIKE TO CHANGE YOUR LIFE FROM A 9 TO 5 SALARIED PERSONAL TO STARTING YOUR OWN RELOCATION & REMOVAL BUSINESS?"

This book is not only a tutorial and a guide for young entrepreneurs to start their own removal business but also for those who want to know what removal business is all about. The author has written a well researched book covering topics of Relocations, International packing and moving, pet moving, customs clearance, Laws of International Trade. At the same time the author has

made some bold attempts and startling revelations on the mishappenings at custom bonded warehouses, how gangs operate at sea and airports, how pilferage happens behind the scenes inside the airports right underneath the customs' nose who turn a blind eye to it. The blend of the traditional way of doing business using modern technology culminating into one will explode your

mind with vibrant new ideas of doing business. Explosive details that will surely change or accelerate your career. A must read tutorial for all entrepreneurs . Pragmatics tips given every now and then combined with the intelligence of a genius in this trade makes this a very interesting read. This is the first book on Removals by any author in this planet."

This report describes selected social protection schemes in India for

under-privileged and vulnerable populations in general and their relevance to people living with HIV (PLHIV) in particular. It assesses the utilisation of the schemes by PLHIV and highlights the experiences of users and non-users among the PLHIV in accessing the schemes. Facilitating factors and barriers to access are identified.
