Turtleback Books

In the first book in a brilliant new fantasy series, books that aren't finished by their authors reside in the Library of the Unwritten in Hell, and it is up to the Librarian to track down any restless characters who emerge from those unfinished stories. Many years ago, Claire was named Head Librarian of the Unwritten Wing-- a neutral space in Hell where all the stories unfinished by their authors reside. Her job consists mainly of repairing and organizing books, but also of keeping an eye on restless stories that risk materializing as characters and escaping

the library. When a Hero escapes from his book and goes in search of his author, Claire must track and capture him with the help of former muse and current assistant Brevity and nervous demon courier Leto. But what should have been a simple retrieval goes horrifyingly wrong when the terrifyingly angelic Ramiel attacks them, convinced that they hold the Devil's Bible. The text of the Devil's Bible is a powerful weapon in the power struggle between Heaven and Hell, so it falls to the librarians to find a book with the power to reshape the boundaries between Heaven, Hell....and Earth. *Violet Made of Thorns* Houghton Mifflin Harcourt "Heart-pounding romance and intense action wrapped in a spellbinding world. I was hooked from the first page!" - Elise Kova, USA Today bestselling author of *A Deal with the Elf King*. What if you fell in love with the one person you'd sworn to destroy? Lara has only one thought for her husband on their wedding day: I will bring your kingdom to its knees. A princess trained from childhood to be a lethal spy, Lara knows that the Bridge Kingdom

represents both legendary evil - and legendary promise. The only route through a storm-ravaged world, the Bridge Kingdom controls all trade and travel between lands, allowing its ruler to enrich himself and deprive his enemies, including Lara's homeland. So when she is sent as a bride under the guise of fulfilling a treaty of peace, Lara is prepared to do whatever it takes to fracture the defenses of the impenetrable Bridge Kingdom. But as she infiltrates her new home - a lush paradise surrounded by tempest seas - and comes to know her new husband, Aren, Lara begins to question where the true evil resides. Around her, she sees a kingdom fighting for survival, and in Aren, a man fiercely protective of his people. As her mission drives her to deeper understanding of the fight to possess the bridge, Lara finds the simmering attraction between her and Aren impossible to ignore. Her goal nearly within reach, Lara will have to decide her own fate: Will she be the destroyer of a king or the savior of her people? Intense and action-packed, *The Bridge Kingdom* is a sexy and addictive fantasy perfect

A young woman with a dangerous power she barely understands. A smuggler with secrets of his own. A country torn between a merciless colonial army, a terrifying tyrant, and a feared rebel leader. The first book in acclaimed author Heidi Heilig’s *Shadow Players* trilogy blends traditional storytelling with ephemera for a lush, page-turning tale of escape and rebellion. *For a Muse of Fire* will captivate fans of Sabaa Tahir, Leigh Bardugo, and Renée Ahdieh. Jetta’s family is famed as the most talented troupe of shadow players in the

land. With Jetta behind the scrim, their puppets seem to move without string or stick—a trade secret, they say. In truth, Jetta can see the souls of the recently departed and bind them to the puppets with her blood. But ever since the colonizing army conquered their country, the old ways are forbidden. Jetta must never show, never tell. Her skill and fame are her family's way to earn a spot aboard the royal ship to Aquitan, where shadow plays are the latest rage, and where rumor has it the Mad King has a spring that cures his ills. Because seeing spirits is not the only thing that plagues Jetta. But as rebellion seethes and as Jetta meets a young smuggler, she will face truths and decisions that she never imagined—and safety will never seem so far away. Heidi Heilig creates a vivid, rich world inspired by Southeast Asian cultures and French colonialism. Told from Jetta's first-person point-of-view, as well as chapters written as play scripts and ephemera such as telegrams and letters, *For a Muse of Fire* is an engrossing journey that weaves magic, simmering romance, and the deep bonds of family

with the high stakes of epic adventure. *Jo & Laurie* Little, Brown Books for Young Readers An instant New York Times bestseller! From the New York Times bestselling

author of *Sorcery of Thorns* and *An Enchantment of Ravens* comes a thrilling, “dark coming-of-age adventure” (Culturess) about a teen girl with mythic abilities who must defend her world against restless spirits of the dead. The spirits of the dead do not rest. Artemisia is training to be a Gray Sister, a nun who cleanses the bodies of the deceased so that their souls can pass on; otherwise, they will rise as ravenous, hungry spirits. She would rather deal with the dead than the living, who whisper about her scarred hands and troubled past. When her convent is attacked by possessed soldiers, Artemisia defends it by awakening an ancient spirit bound to a saint’s relic. It is a revenant, a malevolent being whose extraordinary power almost consumes her—but death has come, and only a vespertine, a priestess trained to wield a high relic, has any chance of stopping it. With all knowledge of vespertines lost to time, Artemisia turns to the last remaining expert for help: the revenant itself. As she unravels a sinister mystery of saints, secrets, and dark magic, Artemisia discovers that facing this

hidden evil might require her to betray everything she believes—if the revenant doesn’t betray her first. *Sorcery of Thorns* Forever Everyone else in the tiny town of Enfield, Texas, calls fall football season, but for the forty-three members of the Fighting Enfield Marching Band, it’s contest season. And for new saxophonist Anna James, it’s her first chance to prove herself as the great musician she’s trying hard to be. When she’s assigned a duet with mellophone player Weston Ryan, the boy her small-minded town thinks of as nothing but trouble, she’s equal parts thrilled and intimidated. But as he helps her with the duet, and she sees the smile he seems to save just for her, she can’t help but feel like she’s helping him with something too. When her strict parents find out she’s been secretly seeing him and keep them apart, Anna and Weston learn what it truly means to fight for something they love. With the marching contest nearing and the two falling hard for one another, the unthinkable happens, and Anna is left grappling for a way forward without Weston. Ashley Schumacher’s *Full Flight* is about how first

love shapes us—even after it’s gone. [The Shadow Queen](#) Chicken House Inspired by the works of Georgette Heyer and Jane Austen, Garth Nix’s *Newt’s Emerald* is a Regency romance with a fantasy twist. New York Times bestselling author Gail Carriger calls it “charming; quite, quite charming.” After *Lady Truthful*’s magical Newington Emerald is stolen from her she devises a simple plan: go to London to recover the missing jewel. She quickly learns, however, that a woman cannot wander the city streets alone without damaging her reputation, and she disguises herself as a mustache-wearing man. During *Truthful*’s dangerous journey she discovers a crook, an unsuspecting ally, and an evil sorceress—but will she find the Emerald? *A Treason of Thorns* Feiwel & Friends Tous les sorciers sont maléfiques.
