[The Vampire](#) Harpercollins Childrens Books

When Rat comes to live at the edge of their wood, the animals decide they don't like having a stranger in their midst. But Frog is friendly by nature, and decides to find out if Rat is really as unpleasant as he is made out to be. As Frog discovers, Rat is intelligent and good hearted, and proves in a series of unexpected emergencies that the other animals have been too quick to condemn him.

Wild Will Random House

Provides an introduction to the planets, stars, comets, and meteors that can be found in the solar system.

[Let's Look at Caves](#) Gullane Children's Books

Frog and his friends, Duck and Pig, don't believe in ghosts, until they all hear frightening noises in the dead of night. They huddle together for comfort in Pig's bed, but in the morning it is Hare who gets a real fright when he finds Frog's house empty and gets no answer at Pig's because the three friends are now fast asleep! 'Frog is an inspired creation - a masterpiece of graphic simplicity.' - Guardian

[The Dancing Vampire](#) Moonlight Pub Limited

Explore the amazing underground world of caves, caverns, lakes, and glaciers as if you were a pot-holer.

[A Windy Day](#) Raintree

Charmingly illustrated by Sophia Touliatou, this picture book takes readers on a colourful tour through the world of numbers, from one full moon to a hundred twinkling stars. There are number patterns, picture puzzles and lots of extra things to spot along the way. Things to count are grouped together so that children can begin counting, adding and multiplying in concrete terms before moving onto abstract calculations.

[The Red Chalk](#) Weigl Publishers

After hearing the grouchy retired pirate Wild Will tell stories about treasure and the monsters he has fought, Frank gets the idea of accompanying Will on a return to the sea.

[Darwin and the Beagle](#) Random House
