## MIDDLETON HAIDEN

---

The Catholics Ignatius Press

For all those who want to feel love, acceptance, forgiveness, peace, rest, and freedom from the past, Mike Bickle's timeless message will break open and restore any heart. Many men and women struggle with what they've done and who they are. They have never really had an opportunity to encounter Jesus' personality and to understand how He

sees His children--until now. What does God feel about you? No matter what you have done, God wants you to know that His love is very deep. Seeing the passion of God's personality will help bring you to a personal wholeness and spiritual maturity. It will awaken a stronger devotion to God and a passion for Jesus.

Every ending is a new beginning. In the first two Immortal Beloved novels, 450-year-old ex-party girl Nastasya Crowe spends five months at River's Edge, a rehab for immortals with troubled pasts. In between uncovering her family's epic magickal history and flirting with Reyn, a heartbreakingly hot Viking wonder boy, Nastasya finally learns that being good is a choice within her power. Just as she's starting to truly change, she discovers that someone is killing immortals around the world and that River's Edge and her new friends may be the next targets. Armed with her own brand of kick-butt magick, Nastasya joins forces with her immortal friends and teachers as they battle an evil that has plagued the world for much too long. By claiming her heritage, Nastasya fights back against darkness...but can she also fight against true love? Probably not if

Reyn has anything to say about it. With vivid historical flashbacks, stark emotional reckoning, and laugh-out-loud dialogue, the Immortal Beloved trilogy is a fascinating and unique take on what it would mean to live forever.

"Talk doesn't cook rice." —Chinese Proverb According to Socrates, knowledge is "food for the soul." That's all well and good for the Socratic but, according to Maslow, food for the stomach is a far more pressing matter. But why can't you have your talk, and cook rice too? With *The Philosopher's Table*, Marietta McCarty shows you that you can. In this book, you will find all of the necessary ingredients to start a Philosophy Dinner Club, taking a monthly tour around the world with friends to sample hors d'oeuvres of succulent wisdom and fill your plate with food from

each philosophers' home country. With recipes, theories, and insights both old and new—all peppered with McCarty's charming and informative prose—you and your friends will: —Enjoy fresh homemade lamb meatballs and tzatziki, and the simple pleasures of life in Epicurus's ancient Greek garden. —Practice nonviolence (in life and at the dinner table) while sharing tofu curry with Burma's Aung San Suu Kyi. —Learn the fundamentals of rational decision-making with a mouthful of bratwurst from Germany's Immanuel Kant —In the spirit of accepting change, ditch the familiar take-out containers and dine on homemade shrimp dumplings with China's Lao Tzu. —And so much more! Complete with McCarty's recommendations for ethnic music from each region to enjoy during your gatherings and discussion questions to prompt debate, *The Philosopher's Table* contains everything you need to leave your host's home brimming with both nutritional and mental satisfaction. From the bestselling author of My Ex-Best

Friend's Wedding comes a novel about four friends who share a passion for a beloved British television show that will change all of their lives. When the concierge of The Alexander, a historic Atlanta apartment building, invites his fellow residents to join him for weekly screenings of *Downton Abbey*, four very different people find themselves connecting with the addictive drama, and—even more unexpectedly—with each other... Samantha Davis married young and for the wrong reason: the security of old Atlanta money—for herself and for her orphaned brother and sister. She never expected her marriage to be complicated by love and compromised by a shattering family betrayal. Claire Walker is now an empty nester and struggling author who left her home in the suburbs for the old world charm of The Alexander, and for a new and productive life. But she soon wonders if clinging to old dreams can be more destructive than having no dreams at all. And then there's Brooke MacKenzie, a woman in constant battle with her faithless ex-husband. She's just starting to realize that it's time to take a deep breath and come to terms with the fact that her

life is not the fairy tale she thought it would be. For Samantha, Claire, Brooke—and Edward, who arranges the weekly gatherings—it will be a season of surprises as they forge a bond that will sustain them through some of life's hardest moments—all of it reflected in the unfolding drama, comedy, and convergent lives of *Downton Abbey*.
