 Veronica Vera, creator and founder of the world's first cross-dressing academy, knows that a host of goods and services for the girl with something extra are just a mouse click away. But who wants to spend hours surfing the Net? Fear no more: Miss Vera has done the legwork, combing the Internet for irresistible and fun fashions, friendly social groups, and time-tested beauty tips for cross-dressers and trannies of every stripe. Whether you're dressing up for Halloween or choosing a new lifestyle, let Miss Vera be your guide. Looking for an open-nipple bullet bra or a sexy peignoir? Some tips on hair removal or makeup? Miss Vera will point you in the right direction. A handy guide at the back of this book tells you where to go for comprehensive information on:
 Accessories Bridal gowns Counselors and therapists Drag performers Fetish and exotic wear Hair removal Legal aid Lingerie Makeup and cosmetics Medical websites Sex education Shoes

Social and support groups Wigs And much more!
Grammar and Dictionary of the Dakota Language Oxford University Press

This book documents hundreds of customs and traditions practiced in countries outside of the United States, showcasing the diversity of birth, coming-of-age, and death celebrations worldwide. • Examines cultural events in the general categories of birth and childhood events, teen and early adulthood milestones, and aging and death customs • Offers primary and cultural document excerpts that are useful for the purposes of meeting Common Core standards • Includes color inserts that help bring the text to life • Features sidebars that present fun facts, interesting anecdotes, and recipes that are often used to celebrate various life-cycle customs in different countries • Provides information ideal for students studying geography, global studies, anthropology, and world cultures

Celebrating Life Customs around the World: From Baby Showers to Funerals [3 volumes] Otto Harrassowitz Verlag
 It is 1979 and sixteen-year-old Judith's survivalist father has never been so relaxed and cheerful since he returned from Vietnam with a debilitating case of PTSD. The eight years he and

his family have spent hidden deep in the Kalmiopsis wilderness of Oregon have been good for him. Unfortunately none of them have any idea that disaster is about to strike. While camping away from their cabin, Judith and her younger sister, Kali, witness the murder of their parents and older brother. Afraid of being tracked down by the killers, the girls escape to their family's isolated cabin, occupied by their grandmother. As Judith cares for a now mute Kali, the girls struggle to survive, especially after their Gramma dies. Throughout their trials, they often find comfort under the special tree that shelters their grandmother's grave. But when a secretive visitor brings them aid, only time will tell if they will uncover the identity of their guardian angel and find a way to return to the outside world—or be alone forever. *The Communing Tree* is a novel about courage, persistence, and survival as two sisters are forced to face a perilous new life alone in the wilderness.

In Desert and Wilderness DigiCat

FLI (Friends of Legacy and Intrigue) Reveals Lost Family Found is a story about finding family history hidden for almost a century. FLI is a mysterious group that has decided to enlighten the narrator's Filipino niece, Jets, and wife, Gemma, to previously unknown family from Germany descent. FLI provide clues that eventually take them to the archdiocese archives where two journals are revealed. The problem is that church and government consider the journals too controversial for public release, let alone to possible descendants. FLI is very influential, pressing the archbishop and others to release the information. The first journal was written by Sara, who laments over a family secret involving a queen from the mid-1800s. The second journal is written by her son, Aaron, who continues their story detailing his struggles from 1930 to 1945 in Germany. The investigations FLI lead Jets, Gemma, and their companions on quests to find the truth and fate of family during World War II are difficult, painful, and satisfying. In the end, they are left with more to find and a single piece of a puzzle that will not be fully understood until all adventures are successfully completed.

Addressing one of the most difficult conceptual topics in the study of classical Hinduism, Ariel Glucklich presents a rigorous phenomenology of dharma, or order. The work moves away from the usual emphasis on symbols and theoretical formulations of dharma as a religious and moral norm. Instead, it focuses on images that emerge from the basic experiential interaction of the body in its spatial and temporal contexts, such as the sensation of water on the skin during the morning purification, or the physical manipulation of the bride during the marriage ritual. Images of dharma are examined in myths, rituals, art, and even the physical landscape of the Hindu world. The varied and contingent experiences of dharma infuse it with a meaning that transcends a false analytical distinction from adharma, or chaos. Glucklich shows that when dharma is experienced by means of living images, it becomes inescapably temporal, and therefore inseparable from adharma.

FLI Reveals a Lost Family Found University of Chicago Press
This is the first volume of a projected three-volume work on the little-known South Indian folk cult of the goddess Draupadi and on the classical epic, the Mahabharata, that the cult brings to life in mythic, ritual, and dramatic forms. Draupadi, the chief heroine of the Sanskrit Mahabharata, takes on many unexpected guises in her Tamil cult, but her dimensions as a folk goddess remain rooted in a rich interpretive vision of the great epic. By examining the ways that the cult of Draupadi commingles traditions about the goddess and the epic, Alf Hiltebeitel shows the cult to be singularly representative of the inner tensions and working

dynamics of popular devotional Hinduism.

The Sense of Adharma ABC-CLIO

Vampires, shifters, & demons...not to mention a few fallen angels and a goddess, the best-selling Kali Sweet urban fantasy series is now available as a special collection! Don't miss the first three full-length, action-packed novels that will keep you turning the pages and to see if Kali can save the world - and her love life - or will set everyone and everything straight to hell. *Revenge Is Sweet, Book 1* Payback is a bitch and her name is Kali Sweet... I'm Kali Sweet, the best damn vengeance demon on earth. I work for the supernatural world's Justice Department and protect innocent humans from otherworldly creatures like me. While I can't take revenge for myself, I make sure justice is done for others. But when my latest run-in with Chicago's vampire king backfires, the fallout leaves me with three big problems: a powerful Undead enemy who wants my head, my boss looking over my shoulder, and three personal blood slaves jeopardizing my reputation. *Sweet Chaos, Book 2* The past always finds a way to bite you in the ass. As a three-hundred-year old vengeance demon, I've made a lot of enemies. Two of them are back, and together they're bringing a war to Chicago that will topple the carefully constructed world I've protected for centuries. But I'm Kali Sweet. I never run from my past...and I'm not about to hide from my present. *Sweet Soldier, Book 3* Life is one battle after another... Armageddon is coming, and it's up to me to stop the Four Horsemen and their heavenly army of angels. The only way I can stop them and the coming biblical apocalypse is to recruit an army - an army led by the king of hell. Lucifer's not about to help without getting something in return, and following anyone's orders - even his - is not my style. But what price will I pay for dealing with the devil? Going to the dark side has never been so sweet.

Greek Dress iUniverse

The Vikings, Anglo-Saxons, Germanic tribes, Goths, and other Germanic-speaking tribes are renowned today in myth, legend, and popular culture. But how did they live? What did they wear? How did they worship? What did they eat? And how did their traditional ways of life reflect their spiritual beliefs? *Heathen Garb and Gear* takes you on a tour of the world that our forebears knew. More importantly, it shows you how their ways of dressing and living-from weaving woolen cloth and cooking food, to making music and taking steam baths-are reflected in the myths and traditions that have come down to us. Anyone who's ever wanted to wear Viking clothing, or serve authentic Viking feasts, will find plenty of practical tips here. But even if you're not interested in re-enacting the old ways, you'll find much vital information and inspiration for the practice of Heathenry as a living religious tradition.

Katai-Silai Theory (Drafting) Christian Faith Publishing, Inc.

Payback is a bitch and her name is Kali Sweet... I'm Kali Sweet, the best damn vengeance demon on Earth. I work for the supernatural world's Justice Department and protect innocent humans from otherworldly creatures like me. While I can't take revenge for myself, I make sure justice is done for others. But when my latest run-in with Chicago's vampire king backfires, the fallout leaves me with three big problems: a powerful Undead enemy who wants my head, my boss looking over my shoulder, and three personal blood slaves jeopardizing my reputation. One of those slaves happens to be sexy rock star Radison Beaumont - the half-human, half-chaos demon who left me at the altar three hundred years ago. Even if he does need my blood now to survive, Rad and I will always be enemies. = Especially since he's

joined an ancient society of demon killers—and I'm the number one demon on their most wanted list.

The Communing Tree Beach Path Publishing, LLC.

'In Desert and Wilderness' is a popular young adult novel by Polish author and Nobel Prize-winning novelist Henryk Sienkiewicz. It tells the story of two young friends, Staś Tarkowski (14 years old) and Nel Rawlison (8 years old), kidnapped by rebels during the Mahdist War in Sudan. The language and themes used may be dated for modern readers, but it shows the current prevailing sentiment at the time.
