Children of the Mists is a story of enduring love. Set in the 1800s, life on Sardinia had barely changed since the time of the Caesars. Two families, the Sannas and the Canus, are united by friendship and honour; love and laughter; joy and promises; omens and superstitions; youth and experience transcend generations. However, for Raffaella and Antonio, their passionate love becomes entangled with revenge. Death changes devotion. Promises are forgotten. Vendettas cannot be ignored. Ambition clouds judgments. Antonio and Raffaella were promised to each other,

nothing would keep them apart, not even family. Committed to each other, they fight for their love against all odds... Children of the Mists is a gripping journey back in time that will make the perfect addition to any romance lover's collection.

Orlando furioso, with memoirs and notes by A. Panizzi Lulu.com

This critical edition of a Scots translation of Ariosto's Orlando Furioso will provide an essential primary key text and a useful academic tool for tracing the development of Scottish poetry and of the influences, European and otherwise, on it.

Le confessioni Stanford University Press
Sulla tomba paterna, il giovane e impetuoso Edgar Ravenswood giura vendetta contro sir William Ashton,

guardasigilli di Scozia, che aveva espropriato la sua famiglia di tutti i possedimenti, compresi il castello e le terre. Sul punto di punire l'usurpatore, Edgar si innamora perduto di una giovane donna, Lucia, la quale altri non è che la figlia del suo acerrimo nemico. Per amore della fanciulla, Edgar decide di rinunciare ai suoi propositi di vendetta. Ma la terribile e orgogliosa Lady Ashton, madre di Lucia, è determinata a impedire con ogni mezzo la loro unione. Donna altera, perfida e manipolatrice, Lady Ashton ricorre all'aiuto di una veggente cieca, che suggestiona la ragazza col racconto di antiche leggende e profezie sinistre sulla famiglia Ravenswood. Lucia, fragile e influenzabile, cede alla fine alla volontà materna e acconsente a un matrimonio

di interesse. Ma sul suo capo aleggia minaccioso lo spettro della follia. Ambientata nel paesaggio selvatico delle Highlands, nei primi anni del XVIII secolo, questa appassionante vicenda d'amore e morte dai toni shakespeariani mescola sapientemente elementi da tragedia romantica a quelli gotici e tenebrosi attinti dalle leggende popolari dell'antica Scozia. Fonti insanguinate e maledette, torri in rovina, magia, leggende, apparizioni sovrannaturali, accompagnano l'evoluzione della storia d'amore tra i due sventurati amanti e fanno da sapiente contraltare agli eventi storici e politici. Pubblicata nel 1819, la vicenda della sposa di Lammermoor ispirò a Donizetti una delle sue opere più famose e suggestive. *La Sacra Bibbia, ossia l'Antico e il Nuovo*

Testamento, tradotti da G. Diodati, con sommari e riferenze del medesimo BRILL
 This book offers a new reading of early modern romance in the light of historically contemporary accounts of mind, and specifically the medical tradition of love-melancholy. The book argues that the medical profile of the melancholic lover provides an essential context for understanding the characteristic patterns of romance: narrative deferral, epistemological uncertainty, and the endless quest for a quasi-phantasmic beloved. Unlike many recent studies of romance, this book establishes a detailed historical basis for investigating the psychological structure of romance. Wells begins by tracing the development of the medical disorder first known in the Latin west as amor

hereos (lovesickness) from its earliest roots in Greek and Arabic medicine to its translation into the Latin medical tradition. Drawing on this detailed historical material, the book considers three important early modern romances: Ariosto's *Orlando Furioso*, Tasso's *Gerusalemme Liberata*, and Spenser's *The Faerie Queene*, concluding with a brief consideration of the significance of this literary and medical legacy for Romanticism. Most broadly, the interdisciplinary nature of this study allows the author to investigate the central critical problem of early modern subjectivity in substantially new ways.  ...While deep within the chapel, praying hands are trembling low, And a feeling of dread descends on us, no matter where

we go. Our spirits are disconcerted, like a most discordant song, Something is supernatural here, there is something going wrong. You and your companions are trapped in an ancient and mysterious fortress, but you are not alone. There is also another one present who walks the darkened halls. He seems to oppose you, though he has not openly regarded you and your friends as an enemy. He is tall, dark and handsome - very well educated and much experienced in the ways of life. He may even be considered wise. He speaks to you, and at times even sings to you with a deep, beautiful baritone voice. He is charming and charismatic - and one thing more... He is the Devil! If you could save your souls by losing your lives, or save your lives by risking your souls,

which would you choose? If he has foresworn to answer 33 questions truthfully, what would you ask him? Could you trick the devil; would you even try? But wait - act quickly... for the solstice is upon you! Winter Solstice is the first volume of the Alaric Trilogy. It will follow the devil's trail from Eastern Europe through Western Europe and eventually to America. But more importantly, it will show how he has changed his ways to adjust to mankind's adapting to the rapid changes in 20th century society and technology. But be not afraid. The Alaric Trilogy will help you spot him, whatever form he takes.

The Life of Michael Angelo

Buonarroti Troubador Publishing Ltd
Il piccolo principe (in francese: Le Petit Prince) è un romanzo breve e l'opera più

famosa dello scrittore e aviatore francese Antoine de Saint-Exupéry. Il lavoro è stato pubblicato nell'aprile del 1943, in inglese e in francese. Incluso tra i migliori libri del ventesimo secolo in Francia, *Il Piccolo Principe* è diventato il libro più letto e tradotto scritto in francese.

The Italian criminologist Cesare Lombroso (1835 - 1909) is the single-most important figure in the founding of criminology and the study of aberrant conduct in the human sciences. The *Cesare Lombroso Handbook* brings together essays by leading Lombroso scholars and is divided into four main parts, each focusing on a major theme.

Part one examines the range and scope of Lombroso's thinking; the mimetic quality of Lombroso; his texts and their interpretation. The second part explores why his ideas, such as born criminology and atavistic criminals, had such broad appeal. Developing this, the third section considers the manners in which Lombroso's ideas spread across borders; cultural, linguistic, political and disciplinary, by including essays on the science and literature of opera, 'La donna delinquente' and 'Jewish criminality'. The final part investigates examples of where, and when, his influence extended and explores the reception of Lombroso in the UK, USA, France, China, Spain and the Philippines. This text presents interdisciplinary work on Lombroso from academics engaged in

social history, history of ideas, law and criminology, social studies of science, gender studies, cultural studies and Jewish studies. It will be of interest to scholars, students and the general reader alike.
