### JOURNEY POWERS

*The Winnie Years Journal* Abrams

Who better to take advice from than your future self? This hilarious novel from the author of *Ten Things We Did (And Probably Shouldn't Have)*, *Don't Even Think About It*, and *The Magic in Manhattan* series is sweet, entertaining, and all-too-relatable. A new life is just a phone call away! Devi's life isn't turning out at all like she wanted. She wasted the past three years going out with Bryan—cute, adorable, break-your-heart Bryan. Devi let her friendships fade, blew off studying, didn't join any clubs . . . and now that Bryan has broken up with her, she has nothing left. Not even her stupid cell phone—she dropped it in the mall fountain. Now it only calls one number . . . hers. At age fourteen, three years ago! Once Devi gets over the shock—and convinces her younger self that she isn't some wacko—she realizes that she's been given an awesome gift. She can tell herself all the right things to do . . . because she's already done all the wrong ones! Except . . . what if getting what you think you want changes everything? "Mlynowski is in peak form: an outrageous concept, plot jammed with twists, a laugh on every page, and a heroine — no, two heroines in one! — you completely connect with." —E. Lockhart, *New York Times* bestselling author of *Genuine Fraud* and *We Were Liars* "Read this fast-paced, absorbing, and sweet story to find out what happens when senior-year wisdom meets starry-eyed freshman dreams!" —Melissa de la Cruz, *New York Times* bestselling author of *The Isle of the Lost*, *Blue Bloods*, and *Alex and Eliza* "A warm, wonderful (and hilarious!) story about learning to be your own hero. I ♥ this book like crazy!!" —Lauren Myracle, *New York Times* bestselling author of *TTYL* and *Twelve*

For as long as she can remember, Wren Gray's goal has been to please her parents. But as high school graduation nears, so does an uncomfortable realization: Pleasing her parents once overlapped with pleasing herself, but now . . . not so much. Wren needs to honor her own desires, but how can she if she doesn't even know what they are? Charlie Parker, on the other hand, is painfully aware of his heart's desire. A gentle boy with a troubled past, Charlie has loved Wren since the day he first saw her. But a girl like Wren would never fall for a guy like Charlie—at least not the sort of guy Charlie believes himself to be. And yet certain things are written in the stars. And in the summer after high school, Wren and Charlie's souls will collide. But souls are complicated, as are the bodies that house them . . . Sexy, romantic, and oh-so-true to life, this is an unforgettable look at first love from one of young adult fiction's greatest writers. Praise for *The Infinite Moment of Us* STARRED REVIEW "The scenes of sexual intimacy are described with innocently erotic frankness, offering an ideal (if not idealized) model for readers on the cusp; this is Forever... for a new generation, offering character depth Cath and Michael never achieved. Summer love has never been so good." —Kirkus Reviews, starred review "In contrast to unhealthy depictions of sex and relationships that teenagers (and adults) are often exposed to in media and entertainment, Myracle offers up a passionate romance built on a bedrock of love, respect, and trust. And it's difficult to see that as a bad thing." —Publishers Weekly "Two mature recent high school graduates fall in love and bring out the best in each other in Lauren Myracle's thoughtful exploration of an intimate relationship...the relationship between Wren and Charlie always remains realistic and involving." —Shelf Awareness "This charming romance has multidimensional characters, straightforward sexuality, and a pace that lets readers fall in love with the main characters. Myracle expertly captures the intense connection of first love, from the need to spend every moment together to trying to figure out how to communicate with one another." —School Library Journal "The single-focus intensity of Wren and Charlie's feelings is spot-on for the age group... chapters move between

both their perspectives as they grow into the relationship, offering readers of both sexes a rather compelling example of the how-to's of intimacy." —The Bulletin of The Center for Children's Books *This Boy* Penguin

Fans of Lauren Myracle and Wendy Mass will adore the second book in this hilarious series about two BFFs who master middle school with a list of twelve goals they MUST achieve before their thirteenth birthday. Inspired by the success of their first birthday bucket list, Ari and her BFF Kaylan set twelve new goals for the next school year. And number one is "keep our friendship strong." But after a life-changing summer at camp, Ari feels torn between Kaylan and her camp friends. And as she faces down everything from boys to bat mitzvahs, Ari needs to figure out how to be her best self—before her friends come together at her thirteenth birthday party. Or the big win she and Kaylan were hoping for may become an epic fail.

*Friendship List #1: 11 Before 12* HarperCollins

The Flower Power books follow the funny fifth-grade adventures of four girls with little in common but their flower names who, nevertheless, blossom into the greatest of friends. Katie-Rose, Milla, Yasaman, and Violet have confronted their share of challenges in fifth grade: a dead hamster, turtle theft, trapeze lessons, and pesky boys, just to name a few. Nothing can stop these four fabulous friends. Well, nothing except for their archnemesis, the evil Modessa (a.k.a. "Medusa"). Somehow, Modessa has recruited one of the sweetest girls in the class to be her new sidekick. The flower friends are determined to save Elena, even if it means braving Modessa's wrath. But it will also mean getting Katie-Rose to focus—she's a bit too busy NOT flirting with cute-but-annoying Preston. And then there's Yasaman's little sister's birthday "bubblegum" party, which the four friends promised to organize . . . if it's possible to call anything involving 30 kindergartners organized. Luckily, Violet is back to herself and ready to lead the Flowers to their most glorious triumph. With mean girls, romance, and tons of fifth-grade drama, this critically acclaimed friendship series shows that author Lauren Myracle "has her finger firmly on the pulse of tween girlhood." (Booklist) Praise for *Awesome Blossom* "The girls' giggle-worthy antics and enough dangling plot threads will keep readers wanting more." --Kirkus Reviews "Shining example of themes and language (parts of the story are told in IMs, e-mails, and chat messages) that will cut straight to the heart of tween girls." --Booklist

*Gimme a Call* HarperCollins

Praised by Newbery Medal-winning author Katherine Applegate as "graceful" and "miraculous," this Schneider Family Book Award-winning novel tells how one girl's friendship with a homeless dog mends a family's heart. Cally Fisher knows she can see her dead mother, but the only other living soul who does is a mysterious wolfhound who always seems to be there when her mom appears. How can Cally convince anyone that her mom is still with the family, or persuade her dad that the huge silver-gray dog belongs with them? With beautiful, spare writing and adorable animals, *A Dog Called Homeless* is perfect for readers of favorite middle-grade novels starring dogs, such as *Because of Winn-Dixie* and *Shiloh*.

*Eleven* Penguin

Katie-Rose, Violet, Milla, and Yasaman—four girls with seemingly little in common but their flower names—are nurturing their new friendship and are busy building *luyabunches.com*, their very own social-networking site. Their first flower-power task? A doomed campaign to get their school to serve healthier snacks. The Jelly-Yums they champion—soon dubbed "beans of grossness"—taste like candied beets. And that's just the start of their troubles. A scheming classmate tries to drive a wedge between Katie-Rose and Yasaman, Violet may have been slammed in a secret journal, and poor Milla unintentionally commits hamstercide. It will take all the strength and genuine affection of these pals to weather a particularly stormy week of fifth grade. Bestselling author Lauren Myracle brings her understanding of the weight of fifth-grade dramas to another hilarious and memorable

book that preteens will love!

### **Thirteen Plus One** Penguin

"A book about a time-traveling app? I'm in! Jen Calonita strikes again with a coming-of-age middle grade full of wit and a little bit of magic." —Sarah Mlynowski, New York Times bestselling author of the *Whatever After* and *Upside Down Magic* series "A brilliant friendship story that champions kindness, resilience and the courage to challenge long held expectations - both of others and of yourself." --Lauren Myracle, co-author of the New York Times best-selling *Upside-Down Magic* series You can retake your photos...but what if could redo moments in your life too? With one magical app, Zoe is able to do just that! A smart and funny twist on time travel from New York Times bestselling author Jen Calonita, for fans for Disney's *Zapped* and *The Swap*. Zoe knows that the only thing harder than middle school is losing a best friend. She and Laura used to do everything together from taking silly selfies, to joining all the same clubs together and even throwing surprise birthday parties for one another. But lately things have been weird between them. Now Laura will post a photo of her hanging out with other girls before responding to Zoe's simple text. She doesn't even want to sit with her at lunch anymore. Zoe is heartbroken--all she wants is for things to go back to normal. But then a magical app downloads on her phone...and things get even weirder! Suddenly Zoe can travel back in time to moments where her and Laura started drifting apart. It is like a dream come true. A chance for Zoe to mend their friendship. But as Zoe goes back to moments of middle school drama--sleepover games gone wrong, field trips with cliques and crushes, and school projects that bring on more-than-awkward encounters--she realizes that second chances don't always go as planned and that sometimes you need to trust the magic of new beginnings. *The Retake* is a picture-perfect look at tween friendship, that also explores more serious themes of social media pressure, bullying and what it means to be yourself. "Jen Calonita puts a magical spin on all-to-real middle school drama. Warm, witty and wise, *The Retake* is for anyone who has broken up with a best friend and wished they could go back to the way it used to be."—Megan McCafferty, author of *True to Your Selfie* and *Jessica Darling's It List* series "As addictive as your favorite app, you won't be able to put it down." - Stacy McAnulty, the author of *The Miscalculations of Lightning Girl* - *Tty!* Candlewick Press

What do Katie-Rose, Yasaman, Milla, and Violet have in common? Other than being named after flowers, practically nothing. Katie-Rose is a film director in training. Yasaman is a computer whiz. Milla is third in command of the A list. And Violet is the new girl in school. They're fab girls, all of them, but they sure aren't friends. And if evil queen bee Medusa—'scuse me, Modessa—has her way, they never will be. But this is the beginning of a new school year, when anything can happen and social worlds can collide . . . Told in Lauren Myracle's inventive narrative style—here a fresh mix of instant messages, blog posts, screenplay, and straight narrative—*Luv Ya Bunches* has been called "enticing" by Publishers Weekly and received a starred review from Booklist, which called it "a fun, challenging, and gently edifying story."

### **The Infinite Moment of Us** Abrams

Kate was lissa's best friend. they've shared everything for four years. then one night at a drunken party, Kate leaned in to kiss lissa, and lissa kissed her back. And now Kate is pretending lissa doesn't exist. Confused and alone, lissa's left questioning everything she thought she knew about herself, and about life. but with the help of a free-spirit new friend, lissa's beginning to find the strength to realize that sometimes falling in love with the wrong person is the only way to find your footing.

### **Seize the Story** HarperCollins

When Katie's best friend Callie leaves her for a clique called the Popular Girls Club on the first day of middle school, Katie decides to find a group that she can join.

### **The Forgetting Spell** HarperCollins

Presents various elements of fiction, from creating believable dialogue to executing an exciting plot, through to real story excerpts. Filled with tips, tricks, and writing exercises, this guide encourages teen writers to write creatively and explore various elements and responsibilities of fiction.

### **The Retake** Penguin

Through texts and messages, the mega-bestselling, beloved *Internet Girls* series followed the ups and downs of high school for three very different, very close friends. Now it's freshman year of college for the winsome threesome, and the first semester is full of surprises. Bubbly Angela dives headfirst into sorority life, but faced with mean girls and hazing, she wonders whether she's a Greek girl after all. By choosing Santa Cruz, Maddie is finally surrounded by like-minded (i.e., not sorority-type) people, but feels lonelier than ever. And Zoe is keeping up a long-distance relationship with Doug, her high school boyfriend. She thought they'd be together forever, but after a few awful visits . . . not so much. In the face of all this change, what are the best friends to do? Make the most of every crazy moment, that's what. You only go to college once, after all.

### **Peace, Love, and Baby Ducks** Amulet Books

Having always shared a special bond, fifteen-year-old Carly doesn't know how to handle her younger sister, Anna, when she suddenly transforms into a fashion-obsessed, beauty queen during the course of one crazy summer.

### **Wishing Day** Penguin

Winnie Perry is fourteen now, and the countdown to high school is shaping up to be as eventful as an entire year of middle school. Not only are things shaky with her boyfriend, Lars, but BFFs Dinah and Cinnamon have been acting weird, big sister Sandra is college-bound, little brother Ty has smuggled a stolen penguin home in his backpack, and new baby sister Maggie has everything turned upside down. It's a lot for anyone to handle, and loyal Winnie is so busy worrying about everyone else that she hardly notices that she might just be struggling a little bit herself. With humor and honesty, Lauren Myracle brings us another pitch-perfect novel featuring the characters that her legions of fans have grown up loving.

### **Oopsy Daisy** HarperCollins

BFFs Ari and Kaylan make a new bucket list as they set out for different summer camps in the fourth and final *Friendship List* novel. The perfect summer read for fans of Lauren Myracle and Rachel Renee Russo's *Dork Diaries*! Ari and Kaylan aren't sure how they're going to survive their first summer apart. No pool. No sleepovers. No emergency late night chats on the porch. So as Ari returns to Camp Silver and Kaylan heads off to comedy camp, they come up with a new list of 13 and 3/4 ways to keep their friendship strong as they tackle everything from bias to batik and moping to matchmaking. Told in alternating perspectives, the fourth book in the popular *Friendship List* series is sure to make readers cry, laugh, and start plotting their own friendship lists.

### **Friends of a Feather** Abrams

The only thing more exciting than being eleven . . . is turning twelve! Winnie Perry went through a lot when she was eleven, from shifting friendships to her teenage sister's mood swings. But now that Winnie is twelve—and one step closer to being a teenager herself—there is so much more to deal with. Will her new friendship with Dinah last? Can she handle the pressures of junior high? And, most important, will Winnie survive bra shopping (in public!) with Mom? Bestselling author Lauren Myracle again sharply observes a year in the life of a winning young heroine whose humor, daring, and compassion for others is infectious and unforgettable.

### **The Life of Ty** Yearling

In this heartwarming novel, author Greg Kincaid tells the tender story of how one very special dog changed the lives of his adoptive family—and an entire town—forever. "Todd, they always want you to adopt a dog. That's what they do. Besides, we don't need another animal around here, and most definitely not a dog." When Todd McCray, a developmentally challenged young man still living on his parents' Kansas farm, hears that a local animal shelter is seeking temporary homes for its dogs during the days leading to Christmas, he knows exactly what he wants for the holidays. His father objects, but Todd's persistence quickly wins out. Soon the McCrays are the short-term foster family for a lovable pooch the young man names Christmas. But what about all the other dogs who will be forced to spend the Yuletide season in cages? In the days that follow, Todd uses his special gifts of persuasion to encourage his hometown to participate in the "Adopt a Dog for Christmas Program." What follows from his small act of kindness will teach his family, and his community, about peace on earth and good will toward men—and animals.

### **Kissing Kate** Penguin

New York Times bestseller Lauren Myracle's long-awaited prequel to *Eleven*! Winnie Perry is turning ten and ten is BIG. It means double digits, more responsibility, and being an almost-middle-schooler. Ten means that Winnie can handle anything, even a three-year-old baby brother and a practically teenage (and acting like it) older sister. And with her best friend, Amanda, by her side, Winnie plans on enjoying every last second of her last year in grade school.

### **Friendship List #2: 12 Before 13** Penguin

Winnie knows that change isn't all it's cracked up to be, especially when it means her best friend, Amanda, might be dropping her for someone else. Throw in a grumpy teenage sister, a cat who gets trapped in the wall, and a crush who has pinkeye, and you've got one big mess—one that Winnie's not going to clean up! Winnie's decided that she's going to remain exactly the same, no matter what the rest of the world does. But every month brings crazy adventures. A lot can change in a year . . . maybe even Winnie.

### **The Fashion Disaster that Changed My Life** Puffin

Seventh-grader Alli inadvertently arrives on the first day of school with underwear static-clinging partly outside her pant leg.
