Faking 19 St. Martin's Griffin

The Silence of the Lambs meets Sadie in this riveting psychological thriller about two teenagers teaming up with the FBI to track down juvenile serial killers. In 1982, two teenagers—serial killer survivor Emma Lewis and US Marshal candidate Travis Bell—are recruited by the FBI to interview convicted juvenile killers and provide insight and advice on cold cases. From the start, Emma and Travis develop a quick friendship, gaining

information from juvenile murderers that even the FBI can't crack. But when the team is called in to give advice on an active case—a serial killer who exclusively hunts teenagers—things begin to unravel. Working against the clock, they must turn to one of the country's most notorious incarcerated murderers for help: teenage sociopath Simon Gutmunsson. Despite Travis's objections, Emma becomes the conduit between Simon and the FBI team. But while Simon seems to be giving them the information they need to save lives, he's an expert manipulator playing a very long game...and he has his sights set on Emma. Captivating, harrowing, and chilling, *None Shall Sleep* is an all-too-timely exploration of not only the monsters that live among us but also the monsters that live inside us.

One Sloane gets a taste of life on the A-list, she slams that door in Winter's face. Suddenly cast out of her former best friend's life, Winter takes revenge the modern way: by announcing all of Sloane's dirty little secrets on an anonymous blog. Then the blog becomes more popular than she ever dreamed and Winter must decide if her retaliation is really worth the consequences—and if the price for popularity is one she's willing to pay.
