Champagne may be the most misunderstood category of wine in the world, as many labels of sparkling wines bear the name in error. True champagne comes only from the French province of Champagne and contains three specific grape varieties. But figuring out more about the wine can be confusing: what is the difference between cuvée de prestige, blanc de noirs, and rosé? What is the best kind of food to pair with champagne? How many different kinds of sweetness are there? What is the best method of storage? Richard Juhlin, the world's foremost champagne expert, answers these questions and more as he takes the reader on a journey to the geographical area of Champagne and through the history of the drink. He explains how to arrange tastings and develop one's sense of smell, and why the setting where you drink champagne is important, including personal anecdotes about his lifelong journey from PE teacher to connoisseur. Also included is a catalog section that describes and ranks different champagne houses, types, and vintages. Sit back and enjoy Juhlin's graceful prose with a lovely glass of champagne, the sparkling wine that has come to epitomize luxury and elegance. Skyhorse Publishing, along with our Good Books and Arcade imprints, is proud to publish a broad range of cookbooks, including books on juicing, grilling, baking, frying, home brewing and winemaking, slow cookers, and cast iron cooking. We've been successful with

books on gluten-free cooking, vegetarian and vegan cooking, paleo, raw foods, and more. Our list includes French cooking, Swedish cooking, Austrian and German cooking, Cajun cooking, as well as books on jerky, canning and preserving, peanut butter, meatballs, oil and vinegar, bone broth, and more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

Ivy Castlefield is a famous motivational speaker who has lost the drive to go on with her career and her life. But after six months of wallowing in her own misery, she decides to get back in the game and boards a flight bound for Las Vegas to present at a conference. Lucas Freeman is the handsome pilot of this plane, but he strikes out when he approaches Ivy to introduce himself. When they reach their final destination, the pair are reunited and given another chance to reconnect. But can Ivy overcome the scars of her past and give Lucas and herself the chance at love they both deserve? And can Lucas fight off the demons that threaten to separate him from Ivy when they have only just found each other?

The Champagne Guide tells you everything you need to know about how the exquisite French sparkling wine is grown and made, as well as information about what to buy, and how to store, serve and open it, all for less than the price of a bottle of Champagne! The 2016-2017 edition is fully updated, with all-new tasting notes and for the first time, a section on vintages has been included.

The Champagne Guide offers fully independent assessments, and frank commentary on the issues facing Champagne. The Champagne Hall of Honour ranks the best producers and the best cuvees at all price points. With extensive notes on each producer, information on cellar doors, family and producer histories and colour photography throughout, this is the ultimate guide to bring this historic French region to your doorstep.

Tyson Stelzer is an award winning wine writer, television presenter and international speaker. He is the author of 15 wine books and a regular contributor to various wine magazines. Stelzer is the sparkling reviewer for the *Halliday Wine Companion* and has presented at wine conferences around the world. In 2015, he was the winner of the International Wine & Spirit Communicator of the Year.

Bayou Brides Ten Speed Press

Meticulously researched by a senior private banker now turned historian, No More Champagne reveals for the first time the full extent of the iconic British war leader's private struggle to maintain a way of life instilled by his upbringing and expected of his public position. Lough uses Churchill's own most private records, many never researched before, to chronicle his family's chronic shortage of money, his own extravagance and his recurring losses from gambling or trading in shares and currencies. Churchill tried to keep himself afloat by borrowing to the hilt, putting off bills and writing 'all over the place'; when all else failed, he had to ask family or friends to come to the rescue. Yet within five years he had taken advantage of his worldwide celebrity to transform his private fortunes with the same ruthlessness as he waged war, reaching 1945 with today's equivalent of £3 million in the bank. His lucrative war memoirs were still to come. Throughout the story, Lough highlights the threads of risk, energy, persuasion, and sheer willpower to survive that link Churchill's private and public lives. He shows how constant money pressures often tempted him to short-circuit the ethical standards expected of public figures in his day before usually pulling back to put duty first—except where the taxman was involved.

Culinary arts student, Hope Mastriano, is down on her luck. Homeless on Thanksgiving Day, she's caught trying to break into her cousin's apartment by her sexy boss and lifelong secret crush. Since getting dumped seven months ago, head chef Vinnie DiFrancesco has been in a frustrating holding pattern. He returns relaxed from a retreat, but his life is sent into a tailspin when he offers Hope, the event coordinator at his family's trattoria, temporary housing. With the trattoria's traditional Italian Christmas Eve charity dinner slated to be featured on a local TV segment and things heating up in his apartment, the two must set aside their different visions to make the event a success. When a computer glitch threatens their plans, Hope proposes a risky solution. Vinnie must believe in Hope and his heart in order to secure the future of the restaurant and make it a Christmas to remember.

Jazz The Wild Rose Press Inc

Rashid will help Olivia and the baby she's been caring for escape the violence in Behruz, but he must guard his heart. He can't risk being hurt by her again. Olivia has her own reasons for keeping her distance from Rashid. If Rashid learns that the baby is actually hers—and his—the sultan of Behruz will make sure she loses everything that matters to her. Their escape involves traveling with a group of nomads across the mountains into Iran. As they trek together by day and sleep beside each other in a nomad tent at night, the attraction that has always drawn them to each other grows ever stronger. Can Olivia survive the trip without revealing her secrets and without losing her heart to Rashid once again?

The Finish Line Picador

Before filming starts on her next movie, America's sweetheart, Grace Carradine, wants a girls' night out. As she dons a disguise to evade the paparazzi, her brown hair isn't the only deception, so is her upcoming marriage to her costar. Naval-pilot-turned-author, Sebastian "Bash" Baron finds his friends are pairing up and starting families. Given his history, he knows that life isn't for him—even if the period romance he wrote is being made into a movie. Those stories only exist in fiction—or other people's lives. The two begin a secret romance, meant to last only as long as the starlet is on location in Bash's hometown. When the paparazzi, obligations, and pride tear them apart, will Bash come to his senses in time, or will Grace marry the wrong man?

Out of Time John Wiley & Sons

Joy Barbieri has hit rock bottom—divorced, unemployed, sleeping on her parent's couch until she finds an apartment suitable for two kids and a fur-baby—but she's determined to start over. Eager for independence, she takes the first job she finds. A handsome stranger catches her eye, but with a name like Casanova, he's got to be a world champion player—right? Tristan Casanova's only visiting this rustic town until he recuperates from his painfully quick divorce, not to make friends. However as he gets to know sweet and savvy Joy, he realizes their unexpected alliance comes with undeniable chemistry. She's the perfect excuse to stay in Scenic View permanently, but when will she quit giving every excuse in the book why they shouldn't be together? Will pains of the past, excessive ex-spouse baggage, and interfering relatives keep these two from the happily-ever-after they deserve?

At Last in Laguna Infinite Ideas

When Maxine Nicholls discovers her fiancé is cheating, she turns to fast food and nighttime soap operas, but her sister has a plan—unbridled rebound sex with a stranger. As one of Toronto's hottest players, Antony Laurent tallies scores on and off the ice, but when the chiseled defense man hits a slump, rumors of a trade to the minor league send him to ambush a managers meeting at a posh club. That night a chance encounter ends up as an unforgettable evening of passion. But Maxine and Antony are about to discover a game of casual hook ups can lead to something neither one of them thought they deserved—the right fit.

When Sophie Barnes's fiancé jilts her at the altar, her carefully planned life implodes. Considering his betrayal to be a rude wake-up call, she leaves everything she knows in San Diego and flees to Laguna Beach. She vows to transform her life by avoiding men for a year and by fulfilling her dream of writing a wildly successful novel. Sophie's new landlord, Nicholas Morgan, is a gorgeous, successful architect with a player reputation. Nick's avoided the intimacy of a long-term relationship—until Sophie's independence, courage, and beauty touch his guarded heart. Both Sophie and Nick are terrified of being hurt again, but can they resist the pull of true love?

Wine For Dummies The Wild Rose Press Inc

This is the first book to offer a complete overview of the way in which champagne as a product is organized, managed and marketed and what its future prospects are. The book covers the entire range of issues surrounding the management of the champagne industry by reviewing the current context of champagne (structural, economic and legal), the role of 'place' (identity and terroir and tourism), marketing the 'myth' of champagne (image and competitive advantage) and the management of the industry (accountability, people and the territorial brand). The book brings together leading academics and examines the champagne region from multidisciplinary perspectives.

Believe in My Heart The Wild Rose Press Inc

Talented and witty portrait artist Serena MacQuire is successful in everything but love. Her gift for capturing people on canvas is rivalled only by her fiery and legendary temper. A tragedy from the past keeps her heart securely locked away, preventing any man from getting close enough to claim it. But Seamus Cleary isn't just any man. After he left his professional football career to become a veterinarian, his bitter wife ended their marriage.

Now, as he starts his life over in a new town, love is the last thing he's looking for. The more he tends to Serena's horses, though, the more he realizes her own heart needs tender care and healing as well. Will he be the man who finally unlocks and claims her heart?

Second Chance in Laguna The Wild Rose Press Inc

After a brutal attack leaves Mia Jones with a traumatic brain injury, she learns the key to discovering her attacker's identity lies within her damaged brain. As she battles to recover from her injuries, she finds it's not her fiancé by her side but her foster brother, Hank. When navy pilot, Hank Taggart ditches his plane in the sea, he thinks the worst has happened—until he returns home to learn Mia, the closest thing he's ever had to family, is in ICU. While struggling to accept the end of a career that defines him and battling his own medical diagnosis, he must also suppress his newfound feelings for Mia. With Hank rejecting her love at every turn and the bad guys upping the stakes, Mia wonders, which fate is worse: falling into the hands of her enemy or losing the man she loves.
