So many times we come to the Lord with a list of needs, and we miss an opportunity to encounter love. Love takes time. Each psalm was birthed from an intimate moment with Jesus. May these

ninety-one Psalms of a lovesick Bride kindle and inspire you to passionately pursue Jesus like never before. How sweet are Your words to my taste, sweeter than honey to my mouth! Psalm 119:103 NKJV I charge you, O daughters of Jerusalem, if you find my beloved, that you tell him I am lovesick! Song of Solomon 5:8

NKJV “Annette is a passionate lover of Jesus. Her poems express a deep and powerful intimacy with God. As you read her powerful anointed poems, you will be taken even further into the huge heart of God’s glory love.”
–Heidi Baker, best-selling author of *Compelled by Love*

All De’Shane wanted was to have Cherie all to himself. He wanted the family and the fantasy of happiness. Everything came to a screeching halt when he swallowed a handful of pills, hoping to kill himself. Did he survive and dive into gangsters’ business? Someone’s going to have to since the

feared drug lord, Apollo Cruz, has finally gone home to his maker. As for Cherie, adjusting to life without Shane is more than difficult. Once, he told her that together they had plenty of power. She feels more than powerless without the one person who understood her. With her new love interest, Damon, things just aren’t the same. He’s not Shane, and his desperate attempts to come close to recreating the “it” factor that Shane had are falling short. When hearing the news that he had the wrong woman killed, Terry is forced to go to Virginia to see Cherie face to face. Never being one to lose, Terry is outraged and dumbfounded because he could’ve sworn that

the woman he had the hit out on was Cherie. He has no other choice but to finish what he started by visiting his ex-fiancée himself to get it over with.

The millionaire. The orphaned Texan woman. The deadly night that changes everything. The contract that nobody

bargained for. This rich guy and his friend show up, one's drunk as a skunk, the other has an accent matching mine. I wonder why this stranger is here, dressed to kill, hanging with the usual vagrants that patronize my fifty-dollar-a-night motel. When he leaves his wallet here by mistake, I end up learning a whole lot more about this Terence Daniels fellow than I ever dreamed.

Unfortunately, he doesn't shed all the light, but when Ruby, his former lover, does, I realize why he kept mum...but I'm not about to keep my mouth shut. I don't trust her to keep my wallet safe, or to send it via courier, so I drive, from Louisiana to Dallas, again, to get it.

In the few minutes that I talk to her, this time sober, I wish like hell that I didn't make the mistakes that I did. Before I know it, I'm emotionally involved with this woman, who runs a dilapidated motel, but has so much more promise. And days later, her world falls apart. Kobie is guarded, rightfully so, although what I offer her makes her eyes twinkle. But can what I've given her be the glue that holds us together? Or will Ruby's fate darken Kobie's future... A smart, romantic comedy about how finding The One doesn't always have to be love at first sight... Lavinia Ferrari is in her fifth year at Bocconi University where she studies Economics when she is introduced to a new project that will guarantee her extra credits. She's intrigued... but it means the class must team up with students from the Computer Engineering course. Lavinia has absolutely no interest in the project, and to top things off, she's paired with Seb Marconi who is less than enthusiastic. When the work begins, her friends seem to be

making great progress with their partners, but Lavinia isn't having the same luck... Seb is making it quite clear that he's not interested in the project, or Lavinia, fuelling her frustration. She has no choice - they're stuck in this, and besides, she won't receive her extra credits unless they work together. Lavinia must come up with a way to convince the guy who drives her crazy to put the work in... but how? From the author of LOVE TO HATE YOU, YOU DRIVE ME CRAZY and UNTIL LOVE DO US PART. *Stuck in the Astral with You* Amelia Wilde 'Sweet, charming and full of hope. Amoral, cunning, ruthless, and instructive, this multi-million-copy New York Times bestseller is the definitive manual for anyone interested in gaining, observing, or defending against ultimate control - from the author of *The Laws of Human Nature*. In the book that *People* magazine proclaimed "beguiling" and "fascinating," Robert Greene and Joost Elffers have distilled three thousand years of the history of power

into 48 essential laws by drawing from the philosophies of Machiavelli, Sun Tzu, and Carl Von Clausewitz and also from the lives of figures ranging from Henry Kissinger to P.T. Barnum. Some laws teach the need for prudence (“Law 1: Never Outshine the Master”), others teach the value of confidence (“Law 28: Enter Action with Boldness”), and many recommend absolute self-preservation (“Law 15: Crush Your Enemy Totally”). Every law, though, has one thing in common: an interest in total domination. In a bold and arresting two-color package, *The 48 Laws of Power* is ideal whether your aim is conquest, self-defense, or simply to understand the rules of

the game.

Are you happy with where you currently are in life? Do you want more out of life? Do you seek to be fulfilled and have a greater sense of purpose and understanding? Most people don't realize that their thoughts, words, and actions determine their future. You are where you are right now in life, good or bad, because of everything you've thought, said, and done in the past. The purpose of this book is to simplify seven key biblical principles to help the reader discover and understand that they have control over their future. However, the key to understanding these biblical principles is to awaken the spirit

within in order to live an emotionally stable, blessed, and prosperous life. We live life through the seeds we plant each day in our thoughts, words, and actions. - Begin to understand the true power and importance of your thoughts, words, and actions, and the role each plays in manifesting your future. - Have a clear understanding of certain biblical principles, that as Christians, we cannot ignore if we truly wish to live a faith filled abundant life. - Learn that everything comes from God and that developing a relationship with God is the key to everything. - Be drawn closer to God and have a new perspective in your thinking with an open heart and a clear mind.

- More importantly, awaken your inner spirit to the simple truths that God has laid out for every one of us to live by.

America is the most mobile society in history, but our transportation system is on the verge of collapse. Traffic congestion is today five times greater than it was 25 years ago, yet many transportation plans and projects are making it worse. As Randal O'Toole reveals in *Gridlock*, the prime causes of our ailing system are a government transportation planning philosophy whose primary goal is to diminish auto use—hence, personal mobility—in combination with federal budget

incentives that perversely encourage transportation planners to increase congestion. As a result, the automobile which is accessible to almost every family in the nation and provides unparalleled access to better housing, low-cost consumer goods, a choice-driven affordable life, and freedom—is being deliberately forced off the transportation grid by the expensive “solution” of little-used high-speed trains and urban transit lines. *Gridlock* presents a wide range of innovative ideas and policy recommendations for creating an effective transportation system—improvements that will increase our mobility and pay for themselves, whether

it's cars, buses, planes, or trains. At the center of O'Toole's solutions are three core principles: those who use transportation facilities should pay for them; negative effects should be dealt with in a cost-efficient manner; and new technologies that will increase mobility at a low cost must be embraced. In *Gridlock*, Randal O'Toole brings energetic and unconventional thinking to transportation strategies that have, until now, only driven us into the breakdown lane.

The 1960s were a colorful, tumultuous age that transformed American society. Ever since the decade

ended, Americans have debated the changes that it unleashed. While most liberals argue that the era's effects were mainly positive and long overdue, conservatives perceive the 1960s as a disastrous time that has left ruinous legacies for us. *Stuck in the Sixties* analyzes conservatives' views about the 1960s era and its legacies by examining their discourse about such sixties figures and movements as John F. Kennedy, Martin Luther King, Jr., the civil-rights movement, the Warren Court, the Great Society, the Vietnam War, the anti war movement, the New Left, and the counterculture. The book reveals that, for a generation, a focus on attacking and

reversing the legacies of the 1960s has been essential to the conservative Republican agenda. **Stuck on You** BelleBooks
Enemy, meet lover. Beau Bliss doesn't just throw parties at the resort he owns with his brothers—he is the party. That is, until prim, proper Claire Cashmore is hired to do damage control for a party gone wrong. She puts a deep freeze on Beau's budget, his wild nights on the beach, and his reputation as the life of the party. It's easy to hate her. It's a challenge to charm her. But it's impossible not to fall for her. One misstep, and he'll lose his job. Two, and he'll lose his heart. Gridlock Standard Publishing

The Wheel of Time is now an original series on Prime Video, starring Rosamund Pike as Moiraine! In *The Shadow Rising*, the fourth novel in Robert Jordan's #1 New York Times bestselling epic fantasy series, *The Wheel of Time®*, Rand al'Thor now wields the sword Callandor. He is both the Champion of Light and the Dragon Reborn. Now, he seeks answers to another prophecy that lies with the warrior people known as the Aiel to put him on the path of learning how to wield the One Power. Accompanied by Moiraine Damodred, Rand arrives at the Aiel Waste and is granted permission by the Wise Ones to enter the sacred city of Rhuidean. After passing through a

doorframe ter'angreal, Moiraine gains foresight while the Aiel await Rand's return, either with both arms marked by dragon symbols, validating his identity as He Who Comes With the Dawn, the Chief of Chiefs of all the Aiel—or to never emerge at all. Since its debut in 1990, *The Wheel of Time®* has captivated millions of readers around the globe with its scope, originality, and compelling characters. The last six books in series were all instant #1 New York Times bestsellers, and *The Eye of the World* was named one of America's best-loved novels by PBS's *The Great American Read*. *The Wheel of Time®* New Spring: *The Novel* #1 *The Eye of the World* #2 *The Great*

Jennifer Finney Boylan
returns with a
remarkable memoir
about gender and
parenting that
discusses how families
are shaped and the
difficulties and
wonders of being
human. A father for six
years, a mother for
ten, and for a time in
between, neither, or
both, Jennifer Finney
Boylan has seen
parenthood from both
sides of the gender
divide. When her two
children were young,
Boylan came out as
transgender, and as
Jenny transitioned from
a man to a woman and
from a father to a
mother, her family

faced unique challenges and questions. In this thoughtful, tear-jerking, hilarious memoir, Jenny asks what it means to be a father, or a mother, and to what extent gender shades our experiences as parents. Through both her own story and incredibly insightful interviews with others, including Richard Russo, Edward Albee, Ann Beattie, Augusten Burroughs, Susan Minot, Trey Ellis, Timothy Kreider, and more, Jenny examines relationships between fathers, mothers, and children; people's memories of the children they were and the parents they became; and the many different ways a family can be. With an Afterword by Anna

Quindlen, *Stuck in the Middle with You* is a brilliant meditation on raising—and on being—a child. Now with Extra Libris material, including a reader's guide and bonus content *Stuck in Texas* Tor Books

The Plateau Effect is a powerful law of nature that affects everyone. Learn to identify plateaus and break through any stagnancy in your life—from diet and exercise, to work, to relationships. The Plateau Effect shows how athletes, scientists, therapists, companies, and musicians around the world are learning to break through their plateaus—to turn off the forces that cause people to “get used to” things—and turn on human potential and

happiness in ways that seemed impossible. The book identifies three key flattening forces that generate plateaus, two principles to guide readers in engineering a plateau's destruction, and three actions to take to achieve peak behavior. It helps us to stop wasting time on things that are no longer of value and to focus on the things that leverage our time and energy in spectacular ways. Anything you want to do better—play guitar, make friends, communicate with your children, run a business—you can accomplish faster by understanding the plateau effect. It may not be healthy, or particularly tasty,

but it's reasonably affordable and Earthlings LOVE it! Tanny and Esper's rebel syndicate needs to hit the Ruckers hard and where it hurts: in the finances. They decide on a target, one that most of the galaxy is blissfully unaware is owned by a vicious criminal gang: Friendli Foods. Purveyors of the Milky Way's favorite junk foods, they make shipments to Earth on a megafreighter large enough to feed billions. Tanny has a plan to hijack it. Meanwhile, Esper embarks on a mission to ensure that the rebels aren't blamed for the hijacking. They need a patsy, and what better way to set one up than to replace a mid-level lieutenant in the Rucker organization with a mole. It'll be up

to Esper to convince a bunch of hardened killers that she's one of them—and to turn them against their own people. Stuck in the Astral with You is the fourteenth mission of Black Ocean: Mercy for Hire. Set in the Black Ocean Universe, it continues the saga of

the galaxy's sweetest bounty hunter and her loyal sidekick (who is NOT a dog!) and introduces a colorful cast for new and returning readers alike. Fans of vigilante justice and heroes who exemplify the word will love this series.
