La Muraille Invisible Seuil Policiers

SOFIA BRENDEN

An Event in Autumn University of Michigan Press
 La quatrième de couverture indique : "Le roman policier nordique (autrement dit du Danemark, de Finlande, d'Islande, de Norvège et de Suède) semble, aujourd'hui, être à la mode. Mais quels points communs les écrivains recensés dans ce Dictionnaire présentent-ils ? Comment s'inscrivent-ils dans le roman policier et, au-delà, dans la littérature de leur époque ? Quelles perspectives se dégagent de leurs oeuvres ? Au travers de la biographie et de la bibliographie d'auteurs aussi divers que Henning Mankell, Maria Lang, Arnaldur Indridason, Gunnar Staalesen, Karin Fossum, Matti Yrjänä Joensuu, Kjell Eriksson, Leif Davidsen, Camilla Läckberg, sans oublier Stieg Larsson, Maj Sjöwall et Per Wahlöö, et d'autres, tant d'autres, ce livre, qui se veut exhaustif (des origines à nos jours, donc, des écrivains traduits en langue française), s'attache à montrer qu'il existe bel et bien et de manière spécifique un genre que l'on peut nommer le roman policier nordique."

Depths Points

Tynnes Falk, informaticien, s'écroule mort devant un distributeur bancaire. Au même moment, deux adolescentes tuent sauvagement un chauffeur de taxi. Le lendemain, on découvre le corps de l'une d'elles calciné sur des câbles à haute tension, ainsi que celui de Falk, volé à la morgue et amputé de deux doigts. Un jeune hacker surdoué découvre dans l'ordinateur de Falk que quelque chose doit se passer le 20 octobre... Pour le commissaire Wallander, le compte à rebours a commencé.

"We fancied each other and that's that. Now it's over." Georges Duroy (the protagonist of *The Man from Beijing* Alire Editions
 L'automne est revenu à Ystad. Tynnes Falk, consultant en informatique, s'écroule mort devant un distributeur bancaire. Au même moment deux adolescentes, tuent sauvagement un chauffeur de taxi. La plus âgée s'enfuit du commissariat. Son corps est retrouvé à l'intérieur d'un transformateur à haute tension. C'est alors que Wallander découvre le sanctuaire clandestin de Falk. L'univers qui se dévoile peu à peu aux enquêteurs grâce à la complicité d'un jeune hacker surdoué est vertigineux. L'ennemi se révèle à la fois omniprésent, omnipotent et invisible. A ceci près qu'il menace les centres financiers de la planète. Confronté à l'enquête la plus difficile de sa carrière, Wallander est plus seul que jamais. Peut-il encore se fier à ses collègues ? Qu'en est-il de la Suède où des adolescentes passent

à l'acte à coups de marteau ? Et où ceux qui le peuvent cherchent à quitter le pays. Wallander, lui, n'a pas le choix. Il reste. Contre toute attente, une femme va croiser sa route...

Central Park Vintage Canada

An Inspector Kurt Wallander short novel by the bestselling author Henning Mankell, available in English for the first time. A Vintage Canada Original. Soon after Inspector Kurt Wallander moves into a new house with a charming garden, he makes an upsetting discovery: there is a hand--indeed, an entire corpse--buried in a shallow grave in the garden. It's the responsibility of the local police to handle the investigation...but Wallander, even though busy with another case, is soon drawn into the search for the truth about his new home, and its previous owner.

The bestselling author of the Kurt Wallander series delivers a "short, beautiful, and ultimately life-affirming novel" about the path to self-acceptance (Booklist). From the prize-winning "master of atmosphere" comes the surprising and affecting story of a man well past middle age who suddenly finds himself on the threshold of renewal (The Boston Globe). Living on a tiny island that is surrounded by ice during the long winter months, Fredrik Welin is so lost to the world that he cuts a hole in the ice every morning and lowers himself into the freezing water to remind himself that he is alive. Haunted by memories of the terrible mistake that drove him to this island and away from a successful career as a surgeon, he lives in a stasis so complete that an anthill grows undisturbed in his living room. When an unexpected visitor disrupts this frigid existence, Frederik begins an eccentric, elegiac journey—one that displays the full height of Henning Mankell's storytelling powers. A deeply human tale of loss and redemption, Italian Shoes is "a voyage into the soul of a man" expertly crafted with "snares that Mankell has hidden with a hunter's skill inside this spectral landscape" (The Guardian). "Beautiful." —The Boston Globe "A fine meditation on love and loss." —The Sunday Telegraph "Intense and precisely detailed. . . . A hopeful account of a man released from self-imposed withdrawal." —The Independent "The creator of police detective Kurt Wallander presents a tale of mortal reckoning in which all the deaths are natural but none the less powerful." —Kirkus Reviews
Dictionnaire du roman policier nordique Whiskered Mysteries
 "An atmospheric and complicated saga of crimes that criss-cross the narrow strait between Sweden and Denmark...great cop characters...and some imaginatively grisly perps."— Sunday Times
 Would you kill for the one you love? That's the question that international bestseller Stefan Ahnhem's *The Ninth Grave*: A Fabian Risk Novel seeks to answer in this spine-tingling thriller set six months before the events in *Victim Without a Face*. On a cold winter evening, the Swedish minister of justice disappears without

a trace from the short walk between the house of Parliament and his car. At the same time the wife of a famous Danish TV-star is found brutally murdered in her luxury home north of Copenhagen. Soon more bodies are discovered, all missing different body parts. As criminal investigator Fabian Risk and Danish counterpart Dunja Hougaard race to put the pieces together, they are dragged into a conspiracy worse than anyone could imagine.

A small-town murder leads to international intrigue in this "first-class thriller" from the New York Times–bestselling master of Scandinavian crime (The New York Times Book Review). Inspector Kurt Wallander returns in the second of Henning Mankell's award-winning, internationally–bestselling detective novels, this time to investigate the execution-style killing of a Swedish housewife. The local police focus on a determined stalker who's suddenly nowhere to be found, but when they finally catch up with their prime suspect his alibi turns out to be airtight. Digging deeper, Wallander discovers that the woman's death is more complex and dangerous than a crime of passion. His search for the truth takes him far from home and into the murky world of apartheid-era South Africa, where he uncovers a sinister assassination plot. Soon the small-town detective finds himself in a high-stakes tangle with the South African secret service and a ruthless ex-KGB agent. Combining heart-pounding suspense with probing social commentary, *The White Lioness* is an essential chapter in the addictive mystery series that inspired the hit TV show *Wallander* starring Kenneth Branagh. "It is not hard to see why the Wallander books have made such an impact" (Times Literary Supplement).

When the Snow Fell Little, Brown

France and the Netherlands have said "no" to the European Constitutional Treaty. In addition to domestic political motives, contradictory fears were in play. Some thought the Treaty brought with it "too much Europe." Some thought it did not bring

enough Europe. Others, particularly in the Netherlands, were protesting against the supposed cost of Europe. Yet others thought that the European Union's enlargement has gone ahead much too quickly. What is the next step? The Belgian Prime Minister, Guy Verhofstadt does not mince his words. He wishes to create a "United States of Europe," with all member states of the European Union participating if possible, with a group of "pioneers" if necessary. His book is required reading for anyone who cares about Europe.

From the #1 international bestselling author: a woman wakes up on a Central Park bench with no memory of how she got there in this "unpredictable and moving psychological thriller that keeps you holding your breath" (Métro) Alice, a fierce and respected Parisian cop, wakes up on a Central Park bench with no memory of the night before, handcuffed to a complete stranger—a musician named Gabriel. Disoriented, dazed, and with someone else's blood on her shirt, Alice works furiously to reconnect the dots. She remembers clubbing with her friends the night before on the Champs-Élysées. Gabriel claims he was playing a gig in Dublin. Was she drugged? Kidnapped? Why is the gun in her jacket pocket missing a bullet? And whose blood is on her clothes? Over the next twenty-four hours, Alice and Gabriel race across New York in search of answers, stumbling upon a startling set of clues that point to a terrible adversary from the past. Alice must finally confront her memories of hunting the serial killer who took everything from her—a man she thought was dead, until now. From France's #1 bestselling author, Central Park is a taut and suspenseful thriller that will keep readers riveted until its final shocking twist.

Joel is growing up. He is getting interested in girls. Just look at his New Year's resolutions: 1 - to see a naked lady, 2 - to toughen himself up so that he can live to be a hundred, and 3 - to see the sea. They all look pretty impossible for a motherless boy in

Northern Sweden. Especially as his sailor dad is keen to drown his sadness in drink, and all the local matrons are narrowly watching the pair of them. And then he saves old Simon from a frozen death in the woods, and Joel becomes a local hero.

"Its relevance lashes you across the face." —Stephen Metcalf, The Los Angeles Times • "A redemptive book, one that wills the reader to believe, even in a time of despair." —Roger Lowenstein, The Washington Post A haunting tale of human resilience and hope in the face of unrelieved horror, Albert Camus' iconic novel about an epidemic ravaging the people of a North African coastal town is a classic of twentieth-century literature. The townspeople of Oran are in the grip of a deadly plague, which condemns its victims to a swift and horrifying death. Fear, isolation and claustrophobia follow as they are forced into quarantine. Each person responds in their own way to the lethal disease: some resign themselves to fate, some seek blame, and a few, like Dr. Rieux, resist the terror. An immediate triumph when it was published in 1947, *The Plague* is in part an allegory of France's suffering under the Nazi occupation, and a timeless story of bravery and determination against the precariousness of human existence.

A Major New Translation *The Red and the Black*, Stendhal's masterpiece, is the story of Julien Sorel, a young dreamer from the provinces, fueled by Napoleonic ideals, whose desire to make his fortune sets in motion events both mesmerizing and tragic. Sorel's quest to find himself, and the doomed love he encounters along the way, are delineated with an unprecedented psychological depth and realism. At the same time, Stendhal weaves together the social life and fraught political intrigues of post-Napoleonic France, bringing that world to unforgettable, full-color life. His portrait of Julien and early-nineteenth-century

France remains an unsurpassed creation, one that brilliantly anticipates modern literature. Neglected during its time, *The Red and the Black* has assumed its rightful place as one of the world's great books, and Burton Raffel's extraordinary new translation, coupled with an enlightening Introduction by Diane Johnson, helps it shine more brightly than ever before.

Plymouth University academic, Dr Charlie Mansfield approaches literary tourism in this book initially from an historical perspective in order to define the phenomenon through a review of the existing academic literature in the field. The forms of literary tourism are analysed to provide a typology and from this the value of literary tourism is explained both from the visitor's point of view and the destination manager's. Current theories underpinning the existing literature on literary tourism, including Bourdieu's concept of cultural capital are reviewed. To extend the current state of research and to answer the research questions a case study of successful urban literary tourism is identified, in Brittany, France. The uses of French literature in literary tourism are reviewed to provide a sound basis on which to examine French texts and tourist destinations. Novel methods of field research are developed to formalise and to make reproducible the methodology for this study and for future work drawing on, and seeking to combine both literary theory and ethnography.

Following a pilot study on the French Riviera the full discovery instruments are designed and applied in fieldwork on the case destination, Concarneau, using the detective novel, *The Yellow Dog*, which is set in Concarneau. Analysis of the findings from this provide a new contribution to the field of literary theory, in the area of reader interpellation, and answer the research questions in the form of a new set of recommendations for DMOs and tourism stakeholders. From the empirical study that used Web 2.0 social media, only available since 2013, an analysis of which novels do stimulate literary tourism is presented for the first time. Out of the research process new methods have been evolved, and are presented in the conclusion, for the DMO to synthesise and leverage digital resources. This provides DMOs with interpretation processes for its managed heritage to use with its local stakeholders in hotels and in tourism businesses. Finally, an innovative conceptualisation of what constitutes tourism knowledge is proposed.
