While most other prep manuals mix together instruction for very different tests into one single volume, all of the material in Success on the Middle Level SSAT is specific to the Middle Level SSAT. Students can use this book confidently and independently without being distracted by material that is not relevant. Test Prep Works has developed two books specifically for the Middle Level SSAT, including: Success on the Middle Level SSAT -- Students benefit from the comprehensive content instruction, test-taking strategies, and practice provided in this book, including vocabulary lessons and drills, math content lessons and problem sets, reading strategies and drills, and one full-length practice test. The Best Unofficial Practice Tests for the Middle Level SSAT -- This book consists of two full-length practice tests with answer keys, allowing students and instructors to measure progress and preparing students for what they will experience on test day. (Note -- These practice tests have different questions than the practice test in Success on the Middle Level SSAT and the two books can be combined for a total of three full-length practice tests.) Each book can be used

independently or they can be combined with each other, depending on the needs of the individual student. SSAT is a registered trademark of The Enrollment Management Association. Please note that The Enrollment Management Association has neither endorsed nor affiliated itself in any way with this book.
