*CHASTISEMENT OF MANSOUR* Wentworth Press

The most engaging, informative, and student-friendly introduction to criminology that explores how theory and research connect to real events and issues. Canadian Criminology draws on theory, topical examples, and the latest research and statistics to help students think critically about how we define criminal acts, why these acts occur, and what Canadian society should do about crime.

*Frithiof's Saga* Wentworth Press

Envoyé littéraire du Figaro, il a fait un séjour au Tonkin de trois mois au début 1884. Son récit, initialement publié par lettre, a ensuite été regroupé dans ce livre.

*Argot and slang* Harpercollins Pub Limited

This book aims to be a convenient, easy-to-use study guide, consisting of a series of detailed and probing questions based on

each chapter of the book with discussion of the correct and incorrect answers to the questions. This edition includes new questions with annotated answers keyed to the larger reference book and should be useful as a preparation tool for obstetrics board examinations.

*On Latin Glossaries* Wentworth Press

Dirty Fan Male, the hit Edinburgh show set to tour New York and Australia, is here for the first time - this collection of genuine letters and the remarkable story of how one man (and his mum) came to run his porn star sister's successful fan club. This is the true story behind the acclaimed stage show which enjoyed terrific reviews at the 2004 Edinburgh Festival. Jonny Trunk describes how he came to run his sister's fan club. A job that brought him into contact with her fan base through their letters. Before long he started to collect the more unusual correspondence that came in. There are obscene letters and lots of them, and absurd ones too. And then there were all the kinky ones. And of course the really really strange ones. He found these letters strangely addictive. He'd never read anything quite like them before in his

life. So he collects more and more... Dirty Fan Male offers us a view of pornography we have never seen before, not just from inside the business, but from the point of view and pen of the end user. You will have never read or seen anything quite as odd, disturbing, so totally sad or as hilarious before.
