A bloody conflict with so many similarities to those of the main players in Europe. The Serbian Revolution was fought for freedom, peace, and self-governance. The fate of small European nations was often dictated by larger global geopolitical events. As the actions of the world's major powers almost without fault swept up small and powerless nations in their wake, ethnicities, sovereignties, and centuries of history were often thoroughly destroyed. Serbia can be in many ways regarded as an iconic example of such a turbulent and tumultuous fate - as the machinations of large Empires decided its fate, destiny, and its independence. But even the smallest of nations can cling fiercely to their identity, to their religion, and above all - to the immortal feeling of hope that is ingrained in every oppressed person. The Serbian Nation is venerable in every regard, its roots stretching far back in time. Its history was often instrumental in the great scale of European developments, and its position was in many ways the key to its importance. Nevertheless, the fate of Serbia was often directly linked to the fate of the great empires of the world, who coveted its strategic geopolitical position and its wealth of resources. Simply put, Serbia was ever at the crossroads of cultures, at the center of the windswept battlefield of the East and the West, of Islam and Christianity. And it is this position that led to much suffering of its folk. As you turn the pages we will take you through the Serbian Revolution and the bravery of those who stood up for their freedom from the oppressive Ottoman Empire.

### The Languages of the World Cambridge University Press

A cookbook and a history of Polish culinary customs. Short essays cover subjects like Polish hospitality, holiday traditions, even the exalted status of the mushroom. Included are over 100 recipes for traditional family fare.

### **The Serbian Dictionary** Hippocrene Books

Serbia, a landlocked country at the crossroads of Central and Southeastern Europe, covers the southern part of the Pannonian plain and the central part of the Balkans. The dominant power in the former Yugoslavia, it has had a bad press in the West. However, the truth is much more nuanced and interesting than that portrayed by the media. Serbia is a country with wonderful scenery, architectural riches, and a vibrant arts scene, waiting to be discovered by Westerners. Serbs are proud, passionate, and generous people with an independent streak. They have always had to fight for survival, first against the Ottoman Turks and then against the Habsburg Empire. Following the First World War, they took the lead in forming independent Yugoslavia. They resisted Hitler heroically. Under Tito's rule Yugoslavia steered an independent course. After his death the multinational state disintegrated amid bitter conflict. The war over the secession of the province of Kosovo saw Serbia bombed by NATO forces for two and a half months. The Serbian people's reaction

to their hardline Communist regime was the Bulldozer Revolution—a campaign of civil resistance that returned the country to democracy in 2000. Against this turbulent backdrop, the visitor to Serbia needs to be well informed and sensitive to people's feelings. Culture Smart! Serbia introduces you to a diverse, complex, and dynamic society. It offers background information on Serbian history and customs, and essential advice on what to expect and how to behave in different circumstances. If you show interest and respect, you will receive a warm welcome and lasting loyalty in return.

The dictionary and phrasebook includes a dictionary of over 1,000 words, plus helpful phrasebook chapters covering such subjects as travel and transportation, getting around, food and drink, healthcare, and much more.

### Beginner's Serbian Routledge

Crime and Punishment in the Future Internet is an examination of the development and impact of digital frontier technologies (DFTs) such as Artificial Intelligence, the Internet of things, autonomous mobile robots, and blockchain on offending, crime control, the criminal justice system, and the discipline of criminology. It poses criminological, legal, ethical, and policy questions linked to such development and anticipates the impact of DFTs on crime and offending. It forestalls their wide-ranging consequences, including the proliferation of new types of vulnerability, policing and other mechanisms of social control, and the threat of pervasive and intrusive surveillance. Two key concerns lie at the heart of this volume. First, the book investigates the origins and development of emerging DFTs and their interactions with criminal behaviour, crime prevention, victimisation, and crime control. It also investigates the future advances and likely impact of such processes on a range of social actors: citizens, non-citizens, offenders, victims of crime, judiciary and law enforcement, media, NGOs. This book does not adopt technological determinism that suggests technology alone drives social development. Yet, while it is impossible to know where the emerging technologies are taking us, there is no doubt that DFTs will shape the way we engage with and experience criminal behaviour in the twenty-first century. As such, this book starts the conversation about a range of essential topics that this expansion brings to social sciences, and begins to decipher challenges we will be facing in the future. An accessible and compelling read, this book will

appeal to those engaged with criminology, sociology, politics, policymaking, and all those interested in the impact of DFTs on the criminal justice system.

*Hungarian-English/English-Hungarian Dictionary and Phrasebook* Oxford University Press  
Book & 2 CDs. The Beginner's Series offers basic language instruction, with grammar, vocabulary, and common phrases presented in clear, concise lessons. Review questions and exercises accompany each lesson. "Beginner's Serbian" is designed for both classroom use and self-study. Each of the 15 lessons includes a dialogue about an everyday topic, vocabulary lists, explanations of grammar, and exercises. The audio CDs accompany the lessons, providing correct pronunciation of the dialogues and vocabulary, with pauses for repetition by the student. Includes: a brief introduction to Serbian history and culture; fifteen practical lessons with dialogues, vocabulary, and expressions; instruction in the Cyrillic script; exercises with answer keys; Serbian-English and English-Serbian glossaries; two audio CDs of dialogues and vocabulary spoken by native Serbian speakers.

This compact new guide to Belgrade is a natural addition to the growing list of Bradt city guide destinations, selected for the savvy traveler wishing to explore the new face of Europe. Belgrade contains all the information expected for the short-stay visitor, business person, and traveler on a tour, from walking tours of the city with tips on the best shopping and cafe pit-stops to essential words and phrases to help visitors enjoy the local specialties and enjoy all that the city offers. Short trips beyond the city to Smederevo fortress and Mount Avala are included to introduce the visitor to the Serbian countryside. Features include:

**The Shadow of the Wind** OUP Oxford

In the early nineteenth century, Vuk Karadzic, a Serb scholar and linguist, collected and eventually published transcriptions of the traditional oral poetry of the South Slavs. It was a monumental and unprecedented undertaking. Karadzic gathered and heard sung to him the rich songs of Balkan peasants, outlaws, and professional singers and their rebel heroes. His four volumes constitute the classic anthology of Balkan oral poetry, treasured for nearly two centuries by readers of all literatures, and influential to such literary giants as Goethe, Merimee, Pushkin, Mickiewicz, and Sir Walter Scott. This edition of the songs offers the most complete and authoritative translations ever assembled in English. Holton and Mihailovich, leading scholars of Slavic literature, have preserved here the unique meter and rhythm at the heart of Serbian oral poetry, as well as the idiom of the original singers. Extensive notes and comments aid the reader in understanding the poems, the history they record and the oral tradition that lies beneath them, the singers and their audience. The songs contain seven cycles, identified here in sections titled: Songs Before History, Before Kosovo, the Battle of Kosovo, Marko Karadzic, Under the Turks, Songs of the Outlaws, and Songs of the Serbian Insurrection. The editors have selected the best known and most representative songs from each of the cycles. A complete bibliography is also provided. "This is the most comprehensive collection of Serbian oral poetry available today. The editors have done a superb job in presenting this invaluable material from the treasury of European folklore". Toma Longinovic, University of Wisconsin, Madison "There is no doubt in my mind that this large and informative collective will be of great and lasting value and interest to everyone concerned with the folk traditions and oral

literatures of the perplexing and psychologically intriguing Southern Slavs". George Vid Tomashhevich, Buffalo State College

*Serbian-English, English-Serbian dictionary* University of Wisconsin Press

Contains over 1,500 entries in both Bosnian and English along with a pronunciation guide. Includes essential phrases for typical tourist and business situations.

*Bosnian-English/English-Bosnian Dictionary and Phrasebook* University of Illinois Press

"Three official languages have emerged: Croatian in Croatia, Serbian in Serbia, and both these languages plus Bosnian in Bosnia-Herzegovina. Bosnian, Croatian, Serbian, a Textbook introduces the student to all three. Dialogues and exercises appear in each language, presented side by side for easy comparison; in addition, Serbian is rendered in both its Latin and its Cyrillic spellings. Teachers may choose a single language to use in the classroom, or they may want to familiarize students with all three"--Book jacket.

*Reading and Writing with English Learners* Hippocrene Books

Written in a detailed and fascinating manner, this book is ideal for general readers interested in the English language.

**Hungarian-English, English-Hungarian** Bradt Travel Guides

Designed for the student and traveller, this two-way compact dictionary contains 14,000 entries.

Each entry provides part of speech, noun gender, and verb category when applicable. A pronunciation guide, list of geographical locations, and conversion tables are also included.

*Orthodox Dogmatic Theology* Createspace Independent Publishing Platform

Presents the historical and geopolitical background of the country of Kosovo, including its annexation by Serbia in 1912 and incorporation into Yugoslavia, its declaration of independence in February, 2008, and its strategic importance to the Western Balkans.

**German-English, English-German Concise Dictionary** Independently Published

This dictionary contains 6000 commonly used English idioms with their corresponding Albanian translation. Nearly 15,000 examples from specialised dictionaries, explanatory dictionaries, fiction and phrasebooks are used to illustrate the phrases.

*Healthful Living* Hippocrene Books

Provides more than 6,500 entries, a pronunciation guide, a phrasebook, information on Serbian culture, and a brief history of the Serbian language.

*Serbian Dictionary & Phrasebook* Hippocrene Books

Offering a single, coherent framework of the political, economic, and social phenomena that characterize post-communist regimes, this is the most comprehensive work on the subject to date. Focusing on Central Europe, the post-Soviet countries and China, the study provides a systematic mapping of possible post-communist trajectories. At exploring the structural foundations of post-communist regime development, the work discusses the types of state, with an emphasis on informality and patronalism; the variety of actors in the political, economic, and communal spheres; the ways autocrats neutralize media, elections, etc. The analysis embraces the color revolutions of civil resistance (as in Georgia and in Ukraine) and the defensive mechanisms of democracy and autocracy; the evolution of corruption and the workings of "relational economy"; an analysis of China as "market-exploiting dictatorship"; the sociology of "clientage society"; and the instrumental

use of ideology, with an emphasis on populism. Beyond a cataloguing of phenomena—actors, institutions, and dynamics of post-communist democracies, autocracies, and dictatorships—Magyar and Madlovics also conceptualize everything as building blocks to a larger, coherent structure: a new language for post-communist regimes. While being the most definitive book on the topic, the book is nevertheless written in an accessible style suitable for both beginners who wish to understand the logic of post-communism and scholars who are interested in original contributions to comparative regime theory. The book is equipped with QR codes that link to [www.postcommunistregimes.com](http://www.postcommunistregimes.com), which contains interactive, 3D supplementary material for teaching.

#### *Bosnia* Hippocrene Concise Dictionary

Hungarian is spoken by approximately ten million people in Hungary and by an additional three million people throughout Eastern Europe, the United States, and elsewhere in the world. This dictionary and phrasebook offers the essential vocabulary that English speakers will need while visiting some of Hungary's 1,000 hot springs and 1,500 castles.

From A to Z, the Penguin Drop Caps series collects 26 unique hardcovers—featuring cover art by Jessica Hische. It all begins with a letter. Fall in love with Penguin Drop Caps, a new series of twenty-six collectible and hardcover editions, each with a type cover showcasing a gorgeously illustrated letter of the alphabet. In a design collaboration between Jessica Hische and Penguin Art Director Paul Buckley, the series features unique cover art by Hische, a superstar in the world of type design and illustration, whose work has appeared everywhere from Tiffany & Co. to Wes Anderson's recent film *Moonrise Kingdom* to Penguin's own bestsellers *Committed* and *Rules of Civility*. With exclusive designs that have never before appeared on Hische's hugely popular Daily Drop Cap blog, the Penguin Drop Caps series debuted with an 'A' for Jane Austen's *Pride and Prejudice*, a 'B' for Charlotte Brönte's *Jane Eyre*, and a 'C' for Willa Cather's *My Ántonia*. It continues with more perennial classics, perfect to give as elegant gifts or to showcase on your own shelves. Z is for Zafón. *Barcelona, 1945: A city slowly heals in the aftermath of the Spanish Civil War.* Daniel, an antiquarian book dealer's son who mourns the loss of his mother, finds solace in what he finds in the

“cemetery of lost books,” a mysterious book entitled *The Shadow of the Wind*, by one Julián Carax. But when he sets out to find the author's other works, he makes a shocking discovery: someone has been systematically destroying every copy of every book Carax has written. In fact, Daniel may have the last of Carax's books in existence. Soon Daniel's seemingly innocent quest opens a door into one of Barcelona's darkest secrets—an epic story of murder, madness, and doomed love.

#### **Serbian-English, English-Serbian Concise Dictionary** Hippocrene Books

The dissolution of communism and the rise of ethnic and religious conflict throughout the former Yugoslavia, which sparked the war among Bosnians, Serbs, and Croats, has captivated the attention of the Western media throughout the 1990s. But little notice has been paid to the growing ethnic and religious tensions within the Serbian province of Kosovo -- tensions that now pose a serious threat to the security of the Balkans. Nearly 90 percent of the population of Kosovo is composed of Albanian Muslims, many of whom support a growing movement -- at first peaceful, but now turning violent -- for independence from Christian Serbia. In *Between Serb and Albanian*, Miranda Vickers explores the roots of this conflict and tracks the recent trajectory of Serbian and Albanian relations in Kosovo. The first third of the book outlines the history of Kosovo during the medieval and Ottoman periods, when relations between the two communities were generally good. The second part examines Kosovo since 1945, when the area fell under Serbian administration in the socialist Yugoslav system. Vickers concludes by surveying the steady deterioration in Serb-Albanian relations since the disintegration of Yugoslavia in 1981. With careful detail, she reveals how a largely peaceful, politically driven campaign for the independence of Kosovo has recently turned to violence with terrorist attacks on Serb political and military institutions, on Albanians thought to be collaborating with the Serbs, and on Serbs themselves. In the process, the author provides a balanced account of the Serb and Albanian positions, while placing much of the blame for the current situation on the repressive policies of Serb dictator Slobodan Milosevic. Vickers sees ominous portents that the conflict may soon spread to neighboring Balkan countries. This book is essential reading for all those wishing to understand the historical, social, and cultural aspects of ethnic and religious strife in Serbia, and the implications of this conflict for the current political situation in all of southeast Europe.
