"In The Good Book of
Human Nature,
evolutionary
anthropologist Carel van
Schaik and historian Kai
Michel advance a new
view of Homo sapiens'
cultural evolution. The
Bible, they argue, was

written to make sense of
the single greatest
change in history: the
transition from egalitarian
hunter-gatherer to
agricultural societies.
Religion arose as a
strategy to cope with the
unprecedented levels of
epidemic disease,
violence, inequality, and
injustice that confronted
us when we abandoned
the bush--and which still

confront us today, "--

One man's quest to find
the oldest Bible scrolls in
the world and uncover the
story of the brilliant,
doomed antiquarian
accused of forging them.
In the summer of 1883,
Moses Wilhelm
Shapira—archaeological
treasure hunter and

inveterate social climber—showed up unannounced in London claiming to have discovered the oldest copy of the Bible in the world. But before the museum could pony up his £1 million asking price for the scrolls—which discovery called into question the divine authorship of the scriptures—Shapira’s nemesis, the French archaeologist Charles Clermont-Ganneau, denounced the manuscripts, turning the public against him.

Distraught over this humiliating public rebuke, Shapira fled to the Netherlands and committed suicide. Then, in 1947 the Dead Sea Scrolls were discovered. Noting the similarities between these and Shapira’s scrolls, scholars made efforts to re-examine Shapira’s case, but it was too late: the primary piece of evidence, the parchment scrolls themselves had mysteriously vanished. Tigay, journalist and son of a renowned Biblical scholar, was galvanized

by this peculiar story and this indecipherable man, and became determined to find the scrolls. He sets out on a quest that takes him to Australia, England, Holland, Germany where he meets Shapira’s still aggrieved descendants and Jerusalem where Shapira is still referred to in the present tense as a “Naughty boy”. He wades into museum storerooms, musty English attics, and even the Jordanian gorge where the scrolls were said to have been found all in a tireless effort to uncover the truth about

the scrolls and about Shapira, himself. At once historical drama and modern-day mystery, *The Lost Book of Moses* explores the nineteenth-century disappearance of Shapira's scrolls and Tigay's globetrotting hunt for the ancient manuscript. As it follows Tigay's trail to the truth, the book brings to light a flamboyant, romantic, devious, and ultimately tragic personality in a story that vibrates with the suspense of a classic detective tale.

Rugged Land Books
Hart presents a guide to some of the essential literary works of Western civilisation which retain their ability to energise us intellectually, tracing the main currents of Western culture for all who wish to understand the roots of their civilisation and the basis for its achievements.

Did Moses Exist? John Wiley & Sons

This book offers a close survey of the changing audiences, modes of reading, and cultural expectations that shaped

epic writing in the sixteenth and seventeenth centuries. According to Anthony Welch, the theory and practice of epic poetry in this period—including little-known attempts by many epic poets to have their work orally recited or set to music—must be understood in the context of Renaissance musical humanism. Welch's approach leads to a fresh perspective on a literary culture that stood on the brink of a new relationship with antiquity and on the history of music in the

early modern era.

The Jewish Audio-visual Review FriesenPress

The story of a tiny baby's epic journey--and the surprising help he gets along the way--in a touching, transcendent picture book. In the time of the pharaohs, a loving mother saves her son by tucking him into a basket and setting him afloat on the wide, wild Nile River. Over one long night, the creatures of the Nile-- Curious Ibis, Mama Hippo, Mighty Crocodile--watch over Moses, nudge him on his way, and keep him

safe through catching reeds and a raging storm. As morning breaks, the river delivers the baby safe and sound into an unexpected safe haven-- the welcoming arms of the pharaoh's daughter. With a poetic text and sumptuous watercolors, Caryn Yacowitz and Julie Downing introduce the youngest readers to Moses and the Exodus story and weave a warm, reassuring tale of love and comfort. Ideal for Passover and year-round, this universal story invites little ones of any faith to

experience a thrilling journey in perfect, protected safety.

Moses in the Qur'an and Islamic Exegesis

Wipf and Stock Publishers

Who wrote the first five books of the Bible? Does it really matter who did?

The Books of Moses

Revisited explores this question by comparing the covenants of

Exodus/Leviticus and

Deuteronomy with the

inter-state treaties of the late second millennium

BC. Some compelling

similarities come to light, both in the pattern

adopted and in many small details. Lawrence clearly demonstrates this with many examples and diagrams, yet without assuming that readers possess a detailed knowledge of ancient history and linguistics. Despite the entrenchment of the widely held theory--the so-called Documentary Hypothesis--that the first five books of the Bible were the product of an anonymous editor living many centuries after Moses, this book argues that the first five books of the Bible

bear many hallmarks of being late second millennium BC compositions and that Moses should not be ruled out as being the author. The book also explores how several ancient texts--the Egyptian Story of Sinuhe, the Mesopotamian Epic of Gilgamesh, and Homer's Iliad and Odyssey--were transmitted in antiquity and suggests that a similar process also lies behind the transmission of the first five books of the Bible.
The Exodus Reality

Thomas Nelson
In this highly controversial and explosive book, archaeologist, historian, mythologist and linguist Acharya S. marshals an enormous amount of startling evidence to demonstrate that Christianity and the story of Jesus Christ were created by members of various secret societies, mystery schools and religions in order to unify the Roman Empire under one state religion. In developing such a fabrication, this multinational cabal drew

upon a multitude of myths and rituals that existed long before the Christian era, and reworked them for centuries into the religion passed down to us today. Contrary to popular belief, there was no single man who was at the genesis of Christianity; Jesus was many characters rolled into one. These characters personified the ubiquitous solar myth, and their exploits were well known, as reflected by such popular deities as Mithras, Heracles/Hercules, Dionysos and many

others throughout the Roman Empire and beyond. The story of Jesus as portrayed in the Gospels is revealed to be nearly identical in detail to that of the earlier savior-gods Krishna and Horus, who for millennia preceding Christianity held great favor with the people. The Christ Conspiracy shows the Jesus character as not unique or original, not “divine revelation.” Christianity reinterprets the same extremely ancient body of knowledge that revolved

around the celestial bodies and natural forces. The result of this myth making has been “The Greatest Conspiracy Ever Sold.” .

Canaanite Myth and Hebrew Epic Routledge
96-year-old author of Pulitzer Prize-winning *The Caine Mutiny* pens an ingeniously witty novel about the life of Moses. For more than 50 years, Herman Wouk has dreamed of writing a novel about the life of Moses. Finally, at the age of 96, he has found an ingeniously witty way to

tell the tale of The Lawgiver, a romantic and suspenseful epistolary novel about a group of people trying to make a movie about Moses in the present day. At its centre is Margo Solovei, a brilliant young writer-director who has rejected her father's strict Jewish upbringing to pursue a career in the arts. When an Australian multi-billionaire promises to finance a movie about Moses, Margo does everything she can to land the job, including a reunion with her

estranged first love, an influential lawyer with whom she has unfinished business. * Visit Herman Wouk's website at www.hermanwouk.net 'Endearing and light-hearted' Michael Prodger, FT

Moses Liturgical Press
Lavish musical soundtracks contributed a special grandeur to the new widescreen, stereophonic sound movie experience of postwar biblical epics such as Samson and Delilah, Ben-Hur, and Quo Vadis. In Epic Sound, Stephen C.

Meyer shows how music was utilized for various effects, sometimes serving as a vehicle for narrative plot and at times complicating biblical and cinematic interpretation. In this way, the soundscapes of these films reflected the ideological and aesthetic tensions within the genre, and more generally, within postwar American society. By examining key biblical films, Meyer adeptly engages musicology with film studies to explore cinematic interpretations

of the Bible during the 1940s through the 1960s. *Moses's Staff and Aeneas's Shield* NavPress In this groundbreaking work, the authors reexamine humanity's most enduring account of bondage, emancipation, and freedom. The Great Exodus is the story of how one man, empowered by divine epiphany, brought the mighty ancient kingdom of Egypt to its knees. For thousands of years, this story has bolstered the faithful of three major religions, though little historical

data confirms it. So the question must be asked: Did it ever really happen? **Epic Sound** Simon and Schuster From the internationally bestselling author of Sarah comes the riveting story of the remarkable woman who walked beside Moses. Although she is a Cushite by birth—one of the people of the lands to the south—Zipporah grew up as the beloved daughter of Jethro, high priest and sage of the Midianites. But the color of Zipporah's skin sets her

apart, making her an outsider to the men of her adopted tribe, who do not want her as a wife. Then one day while drawing water from a well, she meets a handsome young stranger. Like her, he is an outsider. A Hebrew raised in the house of the Egyptian Pharaoh, Moses is a fugitive, forced to flee his homeland. Zipporah realizes that this man will be the husband and partner she never thought she would have. Moses wants nothing more than a peaceful life with the Midianites, but Zipporah

won't let Moses forget his past—or turn away from his true destiny. She refuses to marry him until he returns to Egypt to free his people. When God reveals himself to Moses in a burning bush, his words echo Zipporah's, and Moses returns to Egypt with his passionate and generous wife by his side. A woman ahead of her time, Zipporah leaps from the pages of this remarkable novel. Bold, independent, and a true survivor, she is a captivating heroine, and her world of deserts,

temples, and ancient wonders is a fitting backdrop to an epic tale. *The Books of Moses Revisited* BRILL This volume will provide students with an introduction to the poetry and life of Elizabeth Barrett Browning, one of the most popular poets of her day in Britain and America and who has become one of the great icons of Victorianism for the modern age. The authors present a biographical survey, study of her poetry, its critical reception and an

assessment of her influence on later poets. This book also examines the complex 'myths' which are associated with Elizabeth Barrett Browning and offers re-readings of her life and work, particularly in dispelling the myth of the ailing invalid poet-recluse and instead showing her to be one of the great intellectuals of her day, immersed in European history and politics from a very early age. The book situates Browning within broader historical, political and cultural contexts than

have yet been examined enabling a better understanding of her poetry and paints the portrait of a fine and innovative poet, an intellectual and an astute political thinker.

Moses Yale University Press

The groundbreaking volume *The Torah: A Women's Commentary*, originally published by URJ Press and *Women of Reform Judaism*, has been awarded the top prize in the oldest Jewish literary award program, the 2008 National Jewish Book

Awards. A work of great import, the volume is the result of 14 years of planning, research, and fundraising. **THE HISTORY:** At the 39th Women of Reform Judaism Assembly in San Francisco, Cantor Sarah Sager challenged Women of Reform Judaism delegates to "imagine women feeling permitted, for the first time, feeling able, feeling legitimate in their study of Torah." WRJ accepted that challenge. *The Torah: A Women's Commentary* was introduced at the Union for Reform Judaism 69th

Biennial Convention in San Diego in December 2007. WRJ has commissioned the work of the world's leading Jewish female Bible scholars, rabbis, historians, philosophers and archaeologists. Their collective efforts resulted in the first comprehensive commentary, authored only by women, on the Five Books of Moses, including individual Torah portions as well as the Hebrew and English translation. *The Torah: A Women's Commentary* gives dimension to the

women's voices in our tradition. Under the skillful leadership of editors Dr. Tamara Cohn Eskenazi and Rabbi Andrea Weiss, PhD, this commentary provides insight and inspiration for all who study Torah: men and women, Jew and non-Jew. As Dr. Eskenazi has eloquently stated, "we want to bring the women of the Torah from the shadow into the limelight, from their silences into speech, from the margins to which they have often been relegated to the center of the page - for

their sake, for our sake and for our children's sake."

How to Read Your Bible

Lulu.com

Moses is probably the most important figure in the Old Testament of the Bible. Born into a Hebrew family, he was rescued from a cruel death and raised in the court of the Pharaoh. But after killing an Egyptian, he fled into the desert. Many years later, God appeared to him in the form of a burning bush. He ordered Moses to go back to Egypt and lead the Hebrews out

of bondage and into the Promised Land. It wasn't easy. The Hebrews spent many years wandering in the desert, during which time Moses received the Ten Commandments twice. He smashed the stone tablets on which they were inscribed the first time because the Hebrews had begun worshiping a golden calf during his absence. Despite all the difficulties and the dangers, Moses determined leadership finally brought his people to the Promised Land. He died before he could

accompany his fellow Hebrews into their new home.

Reading the Bible in the 21st Century Harvard University Press

Relating the Muslim understanding of Moses in the Qur'an to the Epic of Gilgamesh, Alexander Romances, Aramaic Targums, Rabbinic Bible exegesis, and folklore from the ancient and medieval Mediterranean, this book shows how Muslim scholars authorize and identify themselves through allusions to the Bible and Jewish tradition.

Exegesis of Qur'an 18:60-82 shows how Muslim exegetes engage Biblical theology through interpretation of the ancient Israelites, their prophets, and their Torah. This Muslim use of a scripture shared with Jews and Christians suggests fresh perspectives for the history of religions, Biblical studies, cultural studies, and Jewish-Arabic studies.

Elizabeth Barrett Browning SCB Distributors
The biblical figure of Moses has been the center of fascination for

over 2,000 years, but what do we actually know about him? Was he a real person? Did the Exodus truly happen? Or is the story in the Pentateuch a mythical account written centuries after the alleged events? Why does Moses's story resemble that of other, older lawgivers and legendary predecessors? Why are there so many elements of sun and wine god myths in the tale of Moses? What does the focus on the serpent in his story signify? Who were Yahweh and the Elohim?

 HarperCollins
 "An instant classic. . . . A pure joy to read."
 —Washington Post Book World Both a heart-racing adventure and an uplifting quest, *Walking the Bible* presents one man's epic journey- by foot, jeep, rowboat, and camel- through the greatest stories ever told. From crossing the Red Sea to climbing Mount Sinai to touching the burning

bush, Bruce Feiler's inspiring odyssey will forever change your view of history's most legendary events. The stories in the first five books of the Bible, also known as the Torah, come alive as Feiler searches across three continents for the stories and heroes shared by Christians and Jews. You'll visit the slopes of Mount Ararat, where Noah's ark landed, trek to the desert outpost where Abraham first heard the words of God, and scale the summit where Moses received the

Ten Commandments. Using the latest archeological research, Feiler explores how physical location affects the larger narrative of the Bible and ultimately realizes how much these places, as well as his experience, have affected his faith. A once-in-a-lifetime journey, *Walking the Bible* offers new insights into the roots of our common faith and uncovers fresh answers to the most profound questions of the human spirit. "Smart and savvy, insightful and

illuminating." —Los Angeles Times "An exciting, well-told story informed by Feiler's boundless intellectual curiosity . . . [and] sense of adventure." —Miami Herald

The story of Moses as seen through the eyes of "Rod," a direct descendant of the Tree of the Knowledge of Good

and Evil, is both entertaining and thought provoking. It is an epic journey for people of all ages.

The Ultimate Exodus

Stellar House Publishing Moses' Staff and Aeneas' Shield uses two emblems to symbolize the important differences between the tragic but triumphant heroism of Virgil's Aeneid and the kenotic heroism of Moses in the Exodus story of Aeneas' shield and Moses' staff. The shield of Aeneas represents Rome's imperial destiny to rule

the earth's peoples by strength, and Aeneas' personal destiny to end in triumph as a warrior. In contrast, the staff of Moses represents the saving wonders the Lord works through him to save the children of Israel from slavery in Egypt and bind them to himself in covenant, and his mission to go beyond being simply a wonder worker to "a man of words" who preaches the Lord's Torah. This study uses the plot structure of the two stories to argue that Aeneas's character as a

warrior who has pietas never changes. He simply needs the vision to use his heroic capacities to found Rome. The whole of the Aeneid is structured for Aeneas to end in triumph in his combat with Turnus. Moses, however, as the Lord's chosen prophet and servant, undergoes profound character changes. In Exodus the Lord transforms him from an exiled outsider to a wonder-working prophet and servant. Then, at the pinnacle of the narrative on Mount Sinai, he

becomes a transfigured covenant mediator and kenotic hero who selflessly intercedes in behalf of sinful Israel. But in Numbers, Moses faces apparent tragedy when he

and the Exodus generation fail to reach the Promised Land. The Exodus story ends with Moses, the once stammering shepherd,

becoming in the speeches of Deuteronomy "a man of words" who divests himself of authority and proceeds to preach the Lord's Torah to a new generation.
