Hobby RHCP Digital

An Instant New York Times Bestseller! Winner of the Coretta Scott King - John Steptoe for New Talent Author Award Filled with mystery and an intriguingly rich magic system, Tracy Deonn's YA

contemporary fantasy reinvents the King Arthur legend and “braids together Southern folk traditions and Black Girl Magic into a searing modern tale of grief, power, and self-discovery” (Dhonielle Clayton, New York Times bestselling author of *The Belles*). After her mother dies in an accident, sixteen-year-old Bree Matthews wants nothing to do with her family memories or childhood home. A residential program for bright high schoolers at UNC–Chapel Hill seems like the perfect escape—until Bree witnesses a magical attack her very first night on campus. A flying demon feeding on human energies. A secret society of so called “Legendborn” students that hunt the creatures down. And a mysterious teenage mage who calls himself a “Merlin” and who attempts—and fails—to wipe Bree’s memory of everything she saw. The mage’s failure unlocks Bree’s own unique magic and a buried memory with a hidden connection: the night her mother died, another Merlin was at the hospital. Now that Bree knows there’s more to her mother’s death than what’s on the police report, she’ll do whatever it takes to find out the truth, even if that means infiltrating the Legendborn as one of their initiates. She recruits Nick, a self-exiled Legendborn with his own grudge against the group, and their reluctant partnership pulls them

deeper into the society’s secrets—and closer to each other. But when the Legendborn reveal themselves as the descendants of King Arthur’s knights and explain that a magical war is coming, Bree has to decide how far she’ll go for the truth and whether she should use her magic to take the society down—or join the fight. This paperback edition of Legendborn contains a teaser to the thrilling sequel, *Bloodmarked*, as well as an exclusive short story from Selwyn Kane’s perspective!

The falconer adopts the boy and teaches him all of the things he’s forgotten, including the boy’s true name--and the legacy of magic that will be his when he comes of age. “This first

book of the Young Merlin Trilogy will have readers awaiting the sequels.”--The Horn Book

Avalon is on the verge of total destruction: an army of warriors, a swarm of fire dragons, and a lethal plague are all laying waste to Merlin's beloved land. But Merlin is nowhere to be found. Leading the fight in his place is Basil, the once tiny lizard who is now the most powerful dragon in Avalon. But to restore peace, the mastermind behind this chaos, Doomraga, will need to be discovered and destroyed before his power grows stronger and Avalon and its inhabitants are beyond saving. For Basil to triumph, he and his friends may need to make the ultimate sacrifice. In this final book of the Merlin's Dragon trilogy, T. A. Barron brings this saga to a thrilling-if bittersweet- end.

The Eternal Flame Simon and Schuster

In Robert Treskillard's take on the Arthurian legends, young Merlin is faced with the challenge of saving his country and those he loves when a mysterious, and dangerous, stone falls from the sky. Partially blinded years ago, Merlin is a timid swordsmith who wants nothing more than to live a quiet life and win the hand of Natalenya, the beautiful and kind daughter of a magistrate. But after he and his friend Garth encounter a strange stone in the wood, one protected by druids, Merlin receives a series of visions and prophecies that he is to save his land and his Christian faith from a dark force. As the power of the stone grows and threatens his family and friends, Merlin is forced to embrace his calling—for he may be the only one immune to the stone's power. Touching on multiple elements of the classic Arthur story—from the Lady of the Lake, the creation of Excalibur, the sword in the stone, and the rescue of Arthur himself—this fantasy tale will appeal to young adults looking for adventure and a hint of romance, as well as adults who enjoy the classic tale this series is based on.

Kava: The Pacific Elixir Houghton Mifflin Harcourt

NEW YORK TIMES BESTSELLER • A “brilliant [and] entrancing” (The Guardian) journey into the hidden lives of fungi—the great connectors of the living world—and their astonishing and intimate roles in human life, with the power to heal our bodies, expand our minds, and help us address our most urgent environmental problems. “Grand and dizzying in how thoroughly it recalibrates our understanding of the natural world.”—Ed Yong, author of *I Contain Multitudes* ONE OF THE BEST BOOKS OF THE YEAR—Time, BBC Science Focus, The Daily Mail, Geographical, The Times, The Telegraph, New Statesman, London Evening Standard, Science Friday When we think of fungi, we likely think of mushrooms. But mushrooms are only fruiting bodies, analogous to apples on a tree. Most fungi live out of sight, yet make up a massively diverse kingdom of organisms that supports and sustains nearly all living systems. Fungi provide a key to understanding the planet on which we live, and the ways we think, feel, and behave. In *Entangled Life*, the brilliant young biologist Merlin Sheldrake shows us the world from a fungal point of view, providing an exhilarating change of perspective. Sheldrake's vivid exploration takes us from yeast to psychedelics, to the fungi that range for miles underground and are the largest organisms on the planet, to those that link plants together in complex networks known as the “Wood Wide Web,” to those that infiltrate and manipulate insect bodies with devastating precision. Fungi throw our concepts of individuality and even intelligence into question. They are metabolic masters, earth makers, and key players in most of life's processes. They can change our minds, heal our bodies, and even help us remediate environmental disaster. By examining fungi on their own terms, Sheldrake reveals how these extraordinary organisms—and our relationships with them—are changing our understanding of how life works. Winner of the Wainwright Prize, the Royal Society Science Book Prize, and the Guild of Food Writers Award • Shortlisted for the British Book Award • Longlisted for the Rathbones Folio Prize
