Goodnight, Manger Sterling Children's Books

TAKE - verb: to reach for and hold in one's hands or get into one's possession, power or control. Logan Mitchell is a man who's always been more than happy to take what he wants. It's a philosophy that's proven lucrative in both his business and personal life, and never was it more apparent than the night he laid eyes on Tate Morrison. After pulling out all the stops and convincing the sexy bartender to give him a try—he's hooked. Now, Logan finds himself in a predicament that demands more from him than a smart-ass answer and his innate ability to walk away when things get too deep. He has a choice to make, and it'll force him to do something he's never done before—take a chance. Tate Morrison knows all about taking a chance. He took the biggest one of his life the night he showed up at Logan's apartment to explore his unexpected reaction to the man. Ever since then, he's thought

about little else. At first he was convinced his attraction was based solely on his body's curiosity. But the more time he spends with the silver-tongued lawyer, the more Tate realizes that their physical chemistry is only the beginning. He's starting to catch a glimpse of what life with Logan would be like, and it's one full of excitement and satisfaction—a far cry from what he had in the past with his soon to be ex-wife. Each man will face their fears as they begin to understand the true meaning of give and take. Their feelings for one another will be tested, as will their very beliefs. But now that they've found love where they least expected it, will they be brave enough to reach out and take it?

Hansel and Gretel Little, Brown Books for Young Readers

A disappearing corpse draws Miami PI Mike Shayne into a deadly political conspiracy in this hardboiled mystery that inspired the film *Kiss Kiss Bang Bang*. A year after marrying the toughest PI in Miami, Phyllis Shayne longs for a few weeks alone with her husband. She and Mike are about to board a train to New York when a client shows up at the door. Her face gray and her voice slurred, the mysterious woman passes out before she's able to get through her story. Mike carries the stranger to his spare bedroom and, trying to save his wife from worry, tells Phyllis to go on to the train station without him; he'll meet her in a few days. When he goes back to check on the woman, she is dead, with one of her stockings wrapped tightly around her throat. Something is fishy, but it's about to get far more complicated when the body disappears. The woman arrived just after Mike took a call from Sam Marsh, a close friend who's in a mayoral race that's about to turn bloody. To save his friend's campaign and keep himself out of jail, Mike will have to find the killer—but he'll have to find the body first. *Bodies Are Where You Find Them* is the 5th book in the Mike Shayne Mysteries, but you

may enjoy reading the series in any order.

Karen Webber is in small-town hell. After her mother’s death, she moved to Corrigan Falls to live with strangers—her dad and his perfect, shiny new family—and there doesn’t seem to be room for a city girl with a chip on her shoulder. The only person who makes her feel like a real human being is Tyler MacDonald. But Karen isn’t interested in starting something with a player. And that’s all she keeps hearing about Tyler. Corrigan Falls is a hockey town, and Tyler’s the star player. But the viselike pressure from his father and his agent are sending him dangerously close to the edge. All people see is hockey—except Karen. Now they’ve managed to find something in each other that they both desperately need. And for the first time, Tyler is playing for keeps... The hometown hockey hero won’t know what hit him... Disclaimer: This Entangled Teen Crush book contains adult language, underage drinking, sexual situations, and crazy squirrels. It may cause you to become a fan of hockey—or at least hot hockey players Each book in the Corrigan Falls Raiders series is a standalone, full-length story that can be enjoyed out of order. Wild & Chance Little, Brown Books for Young Readers

The second book in this thrilling, terrifying series by New York Times bestselling author Barry Lyga is perfect for fans of Dexter. Billy grinned. "Oh, New York," he whispered. "We're gonna have so much fun." I Hunt Killers introduced the world to Jazz, the son of history's most infamous serial killer, Billy Dent. In an effort to prove murder didn't run in the family, Jazz teamed with the police in the small town of Lobo's Nod to solve a deadly case. And now, when a determined New York City detective comes knocking on Jazz's door asking for help, he can't say no. The Hat-Dog Killer has the Big Apple--and its police force--running scared. So Jazz and his girlfriend, Connie, hop on a plane to the big city and get swept up in a killer's murderous game. Both the stakes and the body count are higher in this suspenseful and unstoppable sequel from acclaimed author Barry Lyga.

(Book). The Lives in Music series meshes biography with discography. This debut title profiles the legendary King of Blues, B.B. King. An opening essay charts his life from childhood in the Mississippi Delta up to his first studio session. The author then takes an inside look at his distinguished career, album by album, offering a critical appraisal of each recording and a portrait of the making of each album. First-hand interviews with B.B. King, as well as producers, engineers, arrangers, and key musicians, bring these sessions to life and provide readers a context for understanding B.B. King's recordings in light of his career and life events that shaped them. This definitive book also includes a complete history of every B.B. King session.

A wonderfully silly take on library story time that’s perfect for children, chickens, and everyone in between Why did the chicken cross the road? To get to story time at the library, of course! The children like the chicken, the chicken likes the children, and everyone loves story time. So it’s no surprise that more children (and more chickens!) get in on the fun until there are more kids and critters than the librarian knows what to do with. Luckily, she comes up with a creative solution and manages to find little R & R for herself. Fans of Bats in the Library and Library Lion will fall in love and story time will never be the same!

Andrea Bocelli - Romanza EverAfter Romance

They needed the perfect assassin. Boy Nobody is the perennial new kid in school, the one few notice and nobody thinks much about. He shows up in a new high school in a new town under a new name, makes a few friends, and doesn't stay long. Just long enough for someone in his new friend's family to die-of "natural causes." Mission accomplished, Boy Nobody disappears, moving on to the next target. But when he's assigned to the mayor of New York City, things change. The daughter is unlike anyone he has encountered before; the mayor reminds him of his father. And when memories and questions surface, his handlers at The Program are watching. Because somewhere deep inside, Boy Nobody is somebody: the kid he once was; the teen who wants normal things, like a real home and parents; a young man who wants out. And who just might want those things badly enough to sabotage The Program's mission. In this action-packed series debut, author Allen Zadoff pens a page-turning thriller that is as thought-provoking as it is gripping, introducing an utterly original and unforgettable antihero.

The Last to See Her Ghost Mountain Books

Amazon Best Mystery of 2015 A gripping novel of culture clash and murder: as summer draws to a close, a small Long Island town is gripped by a series of mysterious deaths—and one young man, a loner taken in by a local, tries to piece together the crimes before his own time runs out. Orient is an isolated town on the north fork of Long Island, its future as a historic village newly threatened by the arrival of wealthy transplants from Manhattan—many of them artists. One late summer morning, the body of a local caretaker is found in the open water; the same day, a monstrous animal corpse is found on the beach, presumed a casualty from a nearby research lab. With rumors flying, eyes turn to Mills Chevern—a tumbleweed orphan newly arrived in town from the west with no ties and a hazy history. As the deaths continue and fear in town escalates, Mills is enlisted by Beth, an Orient native in retreat from Manhattan, to help her uncover the truth. With the clock ticking, Mills and Beth struggle to find answers, faced with a killer they may not be able to outsmart. Rich with character and incident, yet deeply suspenseful, Orient marks the emergence of a novelist of enormous talent.

Jason Bourne meets Homeward Bound in book two of this fast-paced series where Wild—an unusually intelligent dog—must stop adorably cute, but dangerous, puppies from being released to the greater Los Angeles area with the help of her friends. Wild has been on the run—jumping from one family to the next—ever since she left Chance almost a year ago. But when a mysterious canine corporation, C.A.T., abducts her and threatens to hurt Chance, she will stop at nothing to escape and find her old friend. Together again, Wild and Chance must enlist the help of Junebug to hack into C.A.T.'s computer to discover what they really want. But along the way, the group is reunited with an old friend and introduced to the Puppio puppies—love-at-first-sight cute, with massive eyes, who smell like apple pie. Even though they may look cute on the outside, Wild is convinced everything isn't as it seems. When she finds out a shocking discovery about her past, Wild must decide who is more important to protect—her past, her best friend, or the greater Los Angeles area who are in incredible Puppio danger. Equal parts heart-pounding action and heartfelt journey, this second book in the Wild & Chance series grabs readers from page one and never lets go.

On his deathbed, Kia's father discloses a secret to her alone: a magnificent and unique diamond he has been hiding for years. Fearing he stole it, she too keeps it secret. She learns it comes from the distant colonized planet of Malem, where her father caught the illness that eventually killed him. Now she is even more convinced he stole it, as it is illegal for any off-worlder to possess a Malemese diamond. When 16-yr-old Kia is training to be a translator, she is co-opted by a series of events into travelling as a translator to Malem. Using her skill in languages ? and another skill she picked up after her father?s death, the skill of picking locks - she unravels the secret of the mysterious gem and learns what she must do to set things right:

return the diamond to its original owner. But how will she find out who that is when no one can know that she, an off-worlder, has a Malemese diamond? And how can she bear to part with this last link to her father? Kia is quirky, with an ironic sense of humour and a loner. Her sidekick, Agatha, is hopeless in languages and naive to the point of idiocy in Kia's opinion, but possesses the wisdom and compassion Kia needs.
