Welcome to Cherry Hills, where small-town life can be deadly. This box set includes books ten through twelve of the Cozy Cat Caper Mystery series. If you enjoy light, fun, cozy mysteries without excessive violence, bad language, or graphic scenes, then grab this three-book collection today and join Kat Harper and her two crime-fighting felines in their quest for justice! Frozen in Cherry

Hills (Book 10) First days can be killer. Kat Harper's first day at her new job doesn't go as planned when a runaway cat leads her to a dead body outside of her office building. Things only get worse when Sadie Cramer's death is deemed a homicide, and Kat has to wonder what she's gotten herself into by accepting this position. Much to Kat's—and her police detective boyfriend's—dismay, she soon encounters plenty of people with motive for murder. From an employee fired right before the Thanksgiving holiday, to a grown son ruthlessly cut out of an inheritance, it seems the late career counselor angered several people shortly before her passing. And now it's up to the office building's newly hired amateur sleuth to figure out exactly who is guilty . . .

preferably without turning into a victim herself. Hit & Run in Cherry Hills (Book 11) When death imitates art . . . Cherry Hills resident Kat Harper finds herself embroiled in another murder investigation when a local artist is run down in the street. There's no question this was a deliberate act, but who was behind the wheel? Between a money-hungry gallery owner, a brooding rival painter, and the victim's jealous sister, Kat's not sure who had more motive. And, unfortunately, nobody appears to have gotten a good look at the driver—except perhaps for an extremely territorial white cat named Clover. But Clover is too busy guarding his favorite chair to reveal "whodunit." That means it's up to Kat and Kat alone to track down this latest killer. Will the amateur

detective succeed, or will this be the case that finally stumps her? Christmas in Cherry Hills (Book 12) Santa isn't the only one making deliveries this Christmas . . . Kat Harper's holiday visit with her long-lost mother turns out to be nothing like the happy family reunion she envisioned. Maybelle Harper has no qualms about flirting with Kat's police detective boyfriend, and she seems more interested in seeing old friends than her daughter. Worse yet, she hates cats. But Kat might have to put her disappointment aside when bigger problems arise—unwelcome gifts have been showing up on her doorstep, and she has no idea who her secret admirer is, or why she's been added to his Christmas list. All of the Cozy Cat Caper Mystery books can be enjoyed as

standalones but will be better appreciated as part of the series. Murder in a Small Town Signet
Hollywood agent Charlie Greene gets tangled up in a world of holistic

intervention, out-of-body experiences, and murder in this thrilling paranormal mystery Hollywood literary agent and single mother Charlie Greene heads out of town to fog-bound Moot Point, Oregon, to meet a client, reclusive New Age author Jack Monroe. But Charlie barely has time to sample a veggie meal and bond with Jack's bronze Buddha statue before she runs into trouble: Local gossip Georgette Glick and her Schwinn bicycle have just been found under the wheels of Charlie's Toyota—which makes Charlie the prime suspect in Georgette's murder. Luckily, Moot Point sheriff Bennett discovers that Glick was shot, not run over, so Charlie is in the clear. But there are still too many unanswered questions. Who delivered the fatal bullet to Glick's head? And why was the

seventy-eight-year-old riding her bike on a night with zero visibility in the first place? Alongside Sheriff Bennett, whose interest in Charlie seems decidedly more than professional, she resolves to find the murderer among the town's eccentrics, who include the suspiciously nongrieving widower, a holistic veterinarian, the victim's terrified neighbor, and a Byronic artist whose painting of a century-old local shipwreck matches the one in Charlie's recent nightmares. With the killer still at large, Charlie may be tempting an out-of-body experience of her own in this quirky and suspenseful novel.

From the author of *Common Ground* -- one of the most acclaimed books of recent years -- comes a grand narrative of the United States as it charged, full of hope and trepidation, into the twentieth century. J. Anthony Lukas, a masterful storyteller, tells a mesmerizing tale -- of

a terrible murder, a great trial, and the struggle they set off for the soul of America. *Big Trouble* begins on a snowy evening at Christmas time 1905 in the little town of Caldwell, Idaho, to which the state's former governor, Frank Steunenberg, had returned to head his family bank while contemplating his political future. As he walked home that night, he sensed all about him the bold, exuberant, unashamedly acquisitive spirit of Caldwell's young entrepreneurs, who -- as his brother had written -- were "here for the money." Like so many in the West at that time, these brothers believed their prospects for enriching themselves were limitless, that the future opened wide before them. AND yet the governor suffered premonitions that he and his neighbors weren't fully in

control of their own destiny, that something malign threatened their well-being. Now, as he followed the plume of his frozen breath, his boots crunching eight inches of freshly frozen snow, he turned through his garden gate and a bomb attached to the gatepost blew him "into eternity."

Enjoy this Small-Town Murder Mystery Featuring A Unique Sleuthing Couple As a Catholic Priest in a small town, I get along with most of the other clergy in Myerton . . . with one exception. The Reverend Dexter Huckleberry. Lord help me, I just do not like the man. He gives all of us a bad name. He is a demagogue of the worst kind, wrapping himself in

God's word while targeting people because of who they are, how they live, and even where they worship. He never calls me Father, for example. But I don't take it personally. And now, he's targeting Steve Austin and the Hoot-n-Holler as a din of iniquity, calling it a 'gay bar' and a gathering place for perverts. Considering I go there regularly, I take that a little personally . . . But now he's been murdered, and a friend and fellow vet of Steve's stands accused and the fallout from that is something I haven't seen coming. The Reverend Dexter Huckleberry's murder seems open and shut to me . . . A witness places Steve Austin's friend at his office around the time of the murder. A troubled ex-Marine, he has both the strength and the skill to kill a man. Not

only that, he was apparently the last person to see him alive. But my detective doesn't believe he's guilty. The doctor who saved my life is shielding him from me. Steve's angry with me for placing his friend under arrest. Even Tom's questioning me. Not only this, but the Mayor's breathing down my neck to make sure this case is closed quickly. I even got a call from the Governor's office! This case is giving me a huge headache. And there is another problem my gut's telling me I'm wrong. The Maligned Marine is the second novel in the Mercy and Justice Mystery series, a contemporary small town mystery series. The series is a sequel to the Father Tom Mysteries that began with The Penitent Priest and includes the same cast of characters. It features

Father Tom Greer, a Catholic Priest who is also an amateur sleuth in the tradition of Father Brown, and his wife Helen Greer, female Chief of Police and detective in the tradition of Kinsey Millhone. If you enjoy the works of Rhys Dylan, Andrew Mayne, and Mary Stone, you will enjoy this novel.

The Innocent Man Open Road Media Murder, Suicide or Natural Causes? is an entertaining collection of short stories featuring Rex Reedman, a rural Colorado coroner, as he works through cases to determine a cause of death. In the conclusion, Rex explains clues that mattered and why, then reveals the true manner of death. In each chapter the reader learns a different aspect of death investigation. How rigor mortis, lividity, liver temperature and the law are used to make determinations. Sometimes the ruling is surprising; it matters how long

Reunion in Death Arcadia Publishing
Murder by poison is often thought of as a crime mainly committed by women, ususally to despatch an unwanted spouse or children. While there are indeed many infamous female poisoners, such as Mary Ann Cotton, who is believed to have claimed at least twenty victims between 1860 and 1872, and Mary Wilson, who killed her husbands and lovers in the 1950s for the proceeds of their insurance policies, there are also

many men who chose poison as their preferred means to deadly end. Dr Thomas Neil Cream poisoned five people between 1881 and 1892 and was connected with several earlier suspicious deaths, while Staffordshire doctor William Palmer murdered at least ten victims between 1842 and 1856. Readily obtainable and almost undetectable prior to advances in forensic science during the twentieth century, poison was considered the ideal method of murder and many of its exponents failed to stop at just one victim. Along with the most notorious case of murder by poison in the country, this book also features many of the cases that did not make national headlines, examining not only the methods and motives but also the real stories of the perpetrators and their

victims.

Spoken in Darkness Penguin

Elden was just a peaceful, rural town until big money showed up. Shangrila, a large resort complex, is built in the hills behind the village. The resort draws many rich folks from the surrounding countryside but also local citizens who feel lucky to find work there. But with the arrival of luxury comes the arrival of death. A woman is found strangled to

death, followed soon after by a second shocking murder. The authorities are stumped, and the small community begins to turn on itself. The townspeople of Elden start behaving in a suspicious manner, especially those with well-kept secrets that an investigation might expose, and the cops are questioning everyone. There doesn't appear to be a discernable motive, but the resort must be involved—at least that's a good guess. Yet, as secrets are unveiled and more clues come to light, it seems as though the murder victims were mere collateral damage and not the intended targets at all. With eyes everywhere, not much goes unnoticed, as this small town is turned upside-down.

The Long Shadow of Small Ghosts Amber Books Publishing

Between 2005 and 2009, the bodies of eight women were discovered around the town of Jennings, in Jefferson Davis Parish, Louisiana. They had all engaged in sex work as a means of survival, and they came to be called the Jeff Davis 8. The investigations into their deaths, originally searching for a serial killer, raised questions about police misconduct and corruption.

Queer and Cozy Mysteries James R. Mathis

Denville in the 1950s was an idyllic place to live, yet a dark chapter in the era's history has remained uncovered. During the summer of 1953, a wealthy traveler

with a secret rap sheet as a convicted sex offender arrived in town to continue his misdeeds. A group of thirteen local boys ranging in age from fourteen to twenty-two took it upon themselves to teach the man a lesson and drive him out of town. What resulted was his brutal death and the largest number of people ever indicted for murder in the nation at the time. The harrowing trial and its aftermath revealed a town forced to grapple with how to protect its youth and come to terms with the gruesome incident. Local historian Peter Zablocki covers the crime and a small town's path to redemption.
