Granny Was a Buffer Girl Abela Publishing Ltd
 It's 1808 . . . and Grace is living with her uncle in London. They have no money, and Grace is always lonely and often hungry. The best part of her day is going to Fleet Street to talk to the horses that she loves so much. One afternoon Grace can't resist taking a shiny red apple from a grocer's cart - and then another... Before she knows it, Grace is being chased through the streets! Will she be caught and sent to prison - or worse? Meet Grace and join her adventure in the first of four exciting stories about a brave convict girl who is given a second chance.

Bestselling author Deborah Abela brings us a heroine to love and a great deal of danger to overcome in this thrilling novel set in a post-apocalyptic, flooded world. Grimsdon is in ruins. Three years ago a massive wave broke its barriers and the sea flooded this grand city. Most were saved, some were lost - and some were left

behind. Isabella Charm and her best friend, Griffin, live with three other children in the top of an opulent mansion. They've survived with the help of Griffin's brilliant inventions, Isabella's fighting skills and their vow to look after each other. But what will happen when a newcomer arrives in his flying machine? Grimsdon is full of hidden perils, from bounty hunters to sneaker waves. Could Xavier's daredevil risks put all their lives in danger? [JACK and JILL and OLD DAME GILL - all 15 illustrated verses of this classic rhyme](#) Little, Brown Books for Young Readers
 A heartwarming story about a girl who is no longer afraid to follow her dreams, and the family who help make them happen. India Wimple can spell with the best of them. How else would she have won the Stupendously Spectacular Spelling Bee and garnered an invitation to the Most Marvelous International Spelling Bee? India couldn't be more thrilled to travel to London along with the rest of the Wimples. And at first, it seems like a dream come true; she reunites with her spelling bee friends, and they even get to meet the Queen! But there is skulduggery afoot, with some rather mysterious goings-on going on and a series of accidents that seem to be not-so-accidental after all. India has her suspicions about who is behind the duplicitous

demonstrations. But can she solve the mystery in time to save the competition?

The Bad Boys of Destiny are back and this rugged Alpha is in for the surprise of his life when he comes back to town. Ten years ago, Duke King knew that getting involved with Grace Truman would only bring trouble into his already hard life. After all, the son of the town drunk has no business falling for the judge's daughter...a passion that led to disaster and ended with Duke serving a ten year prison sentence. Duke never wanted to return to Destiny, especially now that he's built a multimillion dollar custom car empire with his brothers. But when his sick aunt calls him home, he must face his past and discover a secret that instantly changes his life. Grace never thought she would see Duke again, especially after years of silence. But when Duke comes storming back into her life, looking hotter than ever, and determined to get to know the son he never knew he had, she realizes that maybe she'd been wrong about him so many years ago. So Grace decides to make Duke a bet. If he can stay in the house with them for the next thirty days and prove he'll be a good father, she'll agree to letting him be part of his son's life. If not, he'd better be prepared for a fight. Going from single guy to family man isn't going to be easy for Duke, especially with the still sexy, now fiery, Grace clouding his every thought. Can Duke be the man he never thought he could be or will his old bad boy ways be too much to conquer?

Teresa: A New Australian Bloomsbury Publishing

She's destined to save the world . . . if she doesn't destroy it first. Calandra's destiny is also her doom. As the most powerful healer since the woman who sank Atlantis, she's been raised to restore the Heartstone that protects her island from humans . . . before she goes Mad like her mother and all the powerful undine healers before her. When she learns she needs both male and female magic to succeed, she becomes desperate—there hasn't been an undine male born for over three thousand years. Instead, she's being pressured to use the siren mind-bond to enslave her childhood friend, the one man she's sworn to risk a death sentence to free. When Calandra discovers a cryptic message that shows her exiled mother was not only sane but pregnant with a boy, she questions everything she's been taught to believe. But revealing the horrifying truth of the bonds could tear her island apart—and concealing it could unleash the Earth's

oldest, most destructive enemy. With insanity looming, can Calandra find her brother and save the Heartstone, the man she loves, her people, and the world . . . before she loses control and destroys them all? A heartwarming story about a girl who's afraid to follow her dreams, and the family who help make them happen. India Wimple can spell. Brilliantly. Every Friday night, she and her family watch the Stupendously Spectacular Spelling Bee on TV. When the Wimples suggest she enter the next Bee, India feels nothing but trepidation. She's sure she's not good enough but with the support of her family, India finds the courage to sign up. There are plenty of obstacles to reaching the finals, like Summer Millicent Ernestine Beauregard-Champion, a spoiled rich girl who isn't afraid to step on anyone who gets in her way of winning. The whole thing seems rather calamitous to India. But with hope, hard work, and a little bit of heart, something splendiferous might be on the horizon...

A quirky and mysterious tale of friends, fire-twirlers and ghosts from one of Australia's best storytellers. Ever since Aurelie

Bonhoffen was a child, she has juggled, played the dead girl on the ghost train and the back end of the cow in the marquee of Bonhoffen's Seaside Pier. She adores her family - especially her uncles Rolo and Rindolf - but on her twelfth birthday, she stumbles on her family's remarkable secret. It's hard to accept at first, but when her new friend at school reveals a dangerous plot against the pier, the secret helps Aurelie confront the greatest threat her family has ever faced.

Confederates in the Attic meets *The Year of Living Biblically* in a funny and original memoir. In Arkansas, there is a full-scale Roman fort with catapults and ramparts. In Colorado, nearly a hundred men don Nazi uniforms to fight the battle of Stalingrad. On the St. Lawrence River, a group of dedicated history buffs row more slowly than they can walk—along with author Charlie Schroeder, who is sweating profusely and cursing the day he got a book deal. Taking readers on a figurative trip through time and a literal journey across America, *Man of War* details an ordinary guy's attempt to relearn history by experiencing it. Embedding with his fellow countrymen, Charlie Schroeder jumps headlong into the idiosyncratic world of historical reenactment. From encounters with wildlife and frostbite to learning more than he ever expected about guns, ammo, and buttons, Schroeder takes readers to the front lines of bloodless battles in order to show exactly how much the past has to teach us all about our present (and explain why anyone would choose to wear wool in a heat wave).

Through crusades and expulsions, Muslim communities survived for over 500 years, thriving in medieval Europe. This comprehensive study explores how the presence of Islamic minorities transformed Europe in everything from architecture to cooking, literature to science, and served as a stimulus for Christian society to define itself. Combining a series of regional studies, Catlos compares the varied experiences of Muslims across Iberia, southern Italy, the Crusader Kingdoms and Hungary to examine those ideologies that informed their experiences, their place in society and their sense of themselves as Muslims. This is a pioneering new narrative of the history of medieval and early modern Europe from the perspective of Islamic minorities; one which is not, as we might first assume, driven by ideology, isolation and decline, but instead one in which successful communities persisted because they remained actively

integrated within the larger Christian and Jewish societies in which they lived.

Alternating Narratives in Fiction for Young Readers HarperCollins UK

INSTANT NEW YORK TIMES BESTSELLER "One of the most important books I've ever read—an indispensable guide to thinking clearly about the world." – Bill Gates "Hans Rosling tells the story of 'the secret silent miracle of human progress' as only he can. But *Factfulness* does much more than that. It also explains why progress is so often secret and silent and teaches readers how to see it clearly." —Melinda Gates "*Factfulness* by Hans Rosling, an outstanding international public health expert, is a hopeful book about the potential for human progress when we work off facts rather than our inherent biases." - Former U.S. President Barack Obama *Factfulness*: The stress-reducing habit of only carrying opinions for which you have strong supporting facts. When asked simple questions about global trends—what percentage of the world's population live in poverty; why the world's population is increasing; how many girls finish school—we systematically get the answers wrong. So wrong that a chimpanzee choosing answers at random will consistently outguess teachers, journalists, Nobel laureates, and investment bankers. In *Factfulness*, Professor of International Health and global TED phenomenon Hans Rosling, together with his two long-time collaborators, Anna and Ola, offers a radical new explanation of why this happens. They reveal the ten instincts that distort our perspective—from our tendency to divide the world into two camps (usually some version of us and them) to the way we consume media (where fear rules) to how we perceive progress (believing that most things are getting worse). Our problem is that we don't know what we don't know, and even our guesses are informed by unconscious and predictable biases. It turns out that the world, for all its imperfections, is in a much better state than we might think. That doesn't mean there aren't real concerns. But when we worry about everything all the time instead of embracing a worldview based on facts, we can lose our ability to focus on the things that threaten us most. Inspiring and revelatory, filled with lively anecdotes and moving stories, *Factfulness* is an urgent and essential book that will change the way you see the world and empower you to respond to the crises and opportunities of the future. --- "This book is my last battle in my life-long mission to fight devastating ignorance...Previously I armed myself with huge data sets, eye-opening software, an energetic learning style and a Swedish bayonet for sword-swallowing. It wasn't enough. But I hope this book will be." Hans Rosling, February 2017.
