Rybczynski's
parents and
grandparents

were a thriving, cultured family in prewar Warsaw, then a sophisticated European city. With the onset of war, their world fell apart. His mother and father made separate escapes, reuniting against many odds on a ship bound for Scotland from Marseilles. That people can lose everything, overcome stunning odds to survive, remake themselves in a foreign

country, learn a new language and culture, and then do it again is extraordinary. My Two Polish Grandfathers is a testament to the boundaryless world of art, architecture, and music -- which can be transported from one country to another -- and clear affirmation of Rybczynski's own path toward becoming an architect and one of today's most original thinkers. Beautifully written,

thoughtful, and extraordinarily subtle, this riveting work offers a rare glimpse into the development of Rybczynski's educated outsider's eye and is a tribute to a European generation that has helped to define postwar American culture. [Polish Your Kitchen](#) Lulu.com The Pulitzer Prize-winning journalist explores Poland's vibrant and

modern culinary life in this beautifully photographed cookbook with 90+ recipes. For too many people, the term “Polish cooking” conjures to mind heavy, greasy, flavorless food. But historian and journalist Anne Applebaum, who has lived in the country since before the fall of Communism, knows better. With recipes inspired by her home in the Polish countryside, Anne sets the record straight

about this fresh and delightful cuisine. From a Polish Country House Kitchen offers a tantalizing look at Poland’s cultural heritage, turbulent history, and culinary rejuvenation. With recipes including Caviar and Blini, Steak Tartare, Zupa Gryzbowa, Trout with Lemon Cream Sauce, as well as pierogis, pancakes, latkes, and desserts, Anne shares the sustaining foods of her

Polish country home with home cooks from the world over. *Authentic Polish Cooking* Penguin From a gifted young writer, the story of his quest to reclaim his family's apartment building in Poland--and of the astonishing entanglement with Nazi treasure hunters that follows Menachem Kaiser's brilliantly told story, woven from improbable events and profound

revelations, is set in motion when the author takes up his Holocaust-survivor grandfather's former battle to reclaim the family's apartment building in Sosnowiec, Poland. Soon, he is on a circuitous path to encounters with the long-time residents of the building, and with a Polish lawyer known as "The Killer." A surprise discovery-- that his grandfather's cousin not only survived

the war, but wrote a secret memoir while a slave laborer in a vast, secret Nazi tunnel complex-- leads to Kaiser being adopted as a virtual celebrity by a band of Silesian treasure seekers who revere the memoir as the indispensable guidebook to Nazi plunder. Propelled by rich original research, Kaiser immerses readers in profound questions that reach far beyond his personal

quest. What does it mean to seize your own legacy? Can reclaimed property repair rifts among the living? Plunder is both a deeply immersive adventure story and an irreverent, daring interrogation of inheritance--material, spiritual, familial, and emotional.

Polish Cookbook

Penguin Supplies recipes for a wide variety of Polish foods, including appetizers, breads main

courses, and desserts and provides menus for traditional Polish Easter and Christmas meals Gulag Pantheon In the heart of Central Europe stand some of the most elegant and grandly conceived country houses ever constructed, from medieval fortresses and Renaissance-era estates to baroque villas and neoclassical palaces. Until the last decade these illustrious residences

were inaccessible to the West. This landmark volume presents these rarely seen treasures of the Czech Republic, Slovakia, Hungary, and Poland, nations that shelter a superb selection of Europe's finest country houses, built over the centuries by some of the continent's most distinguished families. Richly illustrated with specially commissioned photography,

The Great Country Houses of Central Europe tells the stories of these magnificent buildings and the families that constructed them, immersing us in the vanished world of the region's aristocracy. Lord Michael Pratt sets his discussion of the houses and their patrons against the backdrop of Central European history. Beginning in the Middle

Ages and continuing to the present day, this monumental study analyzes thirty of the region's most important estates and introduces dozens of others. Although the primary focus is on the houses and the families that built them, gardens, grounds, and interiors are also illustrated in detail, including examples of furniture, decorative arts, and

paintings. Splendid and surprising, these remarkable structures and the magisterial book that celebrates them display Central Europe in its full glory.

Girls Dial Press
From Langdon Hall Country House Hotel & Spa—the luxury Relais & Châteaux property in Canada—comes award-winning Chef Jason Bangerter's stunning collection of

recipes in a deluxe cookbook. Nestled within the Carolinian Forest in southwestern Ontario, Langdon Hall is one of the Canada's most gorgeous country house hotels. Renowned for exquisite cuisine that changes with the seasons to reflect the reaps of the harvest—wild produce growing in abundance on the property and the bounty of the kitchen gardens—Chef Jason Bangerter

offers guests an unforgettable dining experience. In the spring this might mean Sweet Pea Tart with Fresh Peas from the Garden and Buckwheat, and the summer might inspire Sea Scallops with White Beet Purée and Beetroot Cream. Upon the arrival of first frost, seasonally inspired dishes include Autumn Squash Soup with Sweetbreads, Chestnuts and Orchard

Apple, or Sweet Corn and Mustard Caramel with Brown Butter Pound Cake and Popped Sorghum. Snow-covered months of winter offer comforting dishes like Beef Short Rib and Rutabaga with Black Truffle and Madeira Jus, or a decadent Milk Chocolate Tart with Cocoa Crust and Passion Fruit. Langdon Hall: A Cookbook, is a stunning collection of seasonally inspired recipes with notes on

techniques, wine pairings, and stories about ingredients, cooking, farmers, and purveyors. Featuring gorgeous food and location photography throughout, readers will be transported to the century-old luxury estate. Some of the dishes are ambitious and others are simpler and come together easily—all within the reach of the home cook. *The Things We Cannot Say* Tabula In the long-awaited

follow-up to her Pulitzer Prize-winning Gulag, acclaimed journalist Anne Applebaum delivers a groundbreaking history of how Communism took over Eastern Europe after World War II and transformed in frightening fashion the individuals who came under its sway. At the end of World War II, the Soviet Union to its surprise and delight found itself in control of a

huge swath of territory in Eastern Europe. Stalin and his secret police set out to convert a dozen radically different countries to Communism, a completely new political and moral system. In Iron Curtain, Pulitzer Prize-winning journalist Anne Applebaum describes how the Communist regimes of Eastern Europe were created and what daily life was like once they were

complete. She draws on newly opened East European archives, interviews, and personal accounts translated for the first time to portray in devastating detail the dilemmas faced by millions of individuals trying to adjust to a way of life that challenged their every belief and took away everything they had accumulated. Today the Soviet Bloc is a lost civilization,

one whose cruelty, paranoia, bizarre morality, and strange aesthetics Applebaum captures in the electrifying pages of *Iron Curtain*.

Amanda Bright @ Home The Experiment “A Michener epic is far more than a bedtime reader, it’s an experience. Poland is a monumental effort, a magnificent guide to a better understanding of the country’s

tribulations.” —Chicago Tribune In this sweeping novel, James A. Michener chronicles eight tumultuous centuries as three Polish families live out their destinies. The Counts Lubonski, the petty nobles Bukowksi, and the peasants Buk are at some times fiercely united, at others tragically divided. With an inspiring tradition of resistance to brutal invaders, from the barbarians

to the Nazis, and a heritage of pride that burns through eras of romantic passion and courageous solidarity, their common story reaches a breathtaking culmination in the historic showdown between the ruthless Communists and rebellious farmers of the modern age. Like the heroic land that is its subject, Poland teems with vivid events, unforgettable characters, and the unfolding drama of an

entire nation.
 BONUS: This edition includes an excerpt from James A. Michener's Centennial. Praise for Poland "Engrossing . . . a page-turner in the grand Michener tradition."—The Washington Post "Stunning . . . an unmatched overview of Polish history . . . The families themselves come very much alive, and through them, Poland itself."—USA Today "A titanic documentary

novel."—The Wall Street Journal
Rose Petal Jam The History Press
 NEW YORK TIMES
 BESTSELLER • A revelatory history of one of Stalin's greatest crimes, the consequences of which still resonate today, as Russia has placed Ukrainian independence in its sights once more—from the author of the Pulitzer Prize-winning Gulag and the National Book Award finalist Iron Curtain.

"With searing clarity, Red Famine demonstrates the horrific consequences of a campaign to eradicate 'backwardness' when undertaken by a regime in a state of war with its own people." —The Economist In 1929 Stalin launched his policy of agricultural collectivization—in effect a second Russian revolution—which forced millions of peasants off their land and onto collective farms. The result was a

catastrophic famine, the most lethal in European history. At least five million people died between 1931 and 1933 in the USSR. But instead of sending relief the Soviet state made use of the catastrophe to rid itself of a political problem. In *Red Famine*, Anne Applebaum argues that more than three million of those dead were Ukrainians who perished not because they were

accidental victims of a bad policy but because the state deliberately set out to kill them. Devastating and definitive, *Red Famine* captures the horror of ordinary people struggling to survive extraordinary evil. Applebaum's compulsively readable narrative recalls one of the worst crimes of the twentieth century, and shows how it may foreshadow a new threat to

the political order in the twenty-first. *Pan Tadeusz* Anchor Includes an interview featuring Dagmara Dominczyk and Adriana Trigiani A vibrant, engaging debut novel that follows the friendship of three women from their youthful days in Poland to their complicated, not-quite-successful adult lives Because of her father's role in the Solidarity movement, Anna and her

parents immigrate to the United States in the 1980s as political refugees from Poland. They settle in Brooklyn among immigrants of every stripe, yet Anna never quite feels that she belongs. But then, the summer she turns twelve, she is sent back to Poland to visit her grandmother, and suddenly she experiences the shock of recognition. In her family's hometown of Kielce, Anna

develops intense friendships with two local girls—brash and beautiful Justyna and desperately awkward Kamila—and their bond is renewed every summer when Anna returns. The Lullaby of Polish Girls follows these three best friends from their early teenage years on the lookout for boys in Kielce—a town so rough its citizens are called “the switchblades”—to the loss of innocence that wrecks

them, and the stunning murder that reaches across oceans to bring them back together after they've grown and long since left home. Dagmara Dominczyk's assured narrative flashes from the wild summers of the girls' youth to their years of self-discovery in New York and Europe. Her writing is full of grit and guts, and her descriptions of the emotional experiences of her characters resonate with

honesty. The Lullaby of Polish Girls captures the passion and drama of friendship, the immigrant's yearning to be known, and the exquisite and wistful transformation of young women coming of age. Praise for *The Lullaby of Polish Girls* "A coming-of-age tale of three young Polish women [that is] brimming with teary epiphanies, betrayal and love, as well as the grit of both New York and Kielce. [It's] Girls with

a Polish accent."—The New York Times "The Lullaby of Polish Girls will make you swoon. Dagmara Dominczyk has written a glorious debut novel inspired by her own emigration from Poland to Brooklyn with depth, intensity, humor, and grace."—Adriana Trigiani "An ennui-stricken actress returns to the old country—and to the friends of her youth—in Dagmara

Dominczyk's *The Lullaby of Polish Girls*, in which solidarity is all about summer evenings under the stars with a vodka bottle and a radio playing 'Forever Young.'"
—Vogue "Compelling . . . an original portrait of friendship and identity . . . Dominczyk uses a fresh, confident style."—People "In this arresting debut novel, Polish American film and TV actress Dominczyk pays homage

to her native city of Kielce while capturing the joys, insecurities, and struggles of three girlfriends coming of age. Spanning thirteen years, Dominczyk's absorbing story is a triptych of *tsknota* (Polish for a kind of yearning) and a profound desire for acceptance, freedom, and home."—Booklist (starred review) "The Lullaby of Polish Girls is sexy and sensitive, with a raw, openhearted

center. Dominczyk's love for her complicated characters is apparent from the first page to the last, and by the novel's end the reader cares for them just as deeply."—Emma Straub

Part memoir and part travelogue, this unique cookbook that

the story of Beata Zatorska's childhood in rural Poland, mixing stories of her youth and her grandmother's handwritten recipes with stunning photos of Poland in summer. Included are more than 60 recipes for traditional Polish home cooked meals, from poppyseed cake and pierogi to fruit-flavored summer liqueurs. The photography—ranging across locales such as Warsaw,

Poznan, the Tatra Mountains, and the Baltic Sea—showcases the Polish landscape and its influence on the country's distinct cuisine.

Red Famine

Doll's House Sticker Books Explores the possibilities of pierogies with the editor of the website Good. Food. Stories. and this array of recipes. This tasty tribute to the pierogi takes a familiar wrapping and stuffs it with a host of unconventiona

l, innovative, and decidedly non-traditional fillings. With 60 sweet and savory recipes that include everything from the classic Polish cheddar and potato offerings to American-inspired Reuben pierogies and fried apple pie-rogies to worldly fillings like falafel and Nutella, there's a pierogi for every party and every palate! Each recipe comes with a charming story from Barber's

extensive explorations in pierogi flavors. "What I adore about Pierogi Love is that it does for pierogies what my blog has done for cupcakes—it pushes the boundaries of pierogies. The book begins by sharing a basic savory and a basic sweet pierogi dough and detailing assembly, cooking, and storage procedures. Then, it moves on to the fillings. This is where the book gets fun!"—Stefani Pollack, writer

& recipe developer, Cupcake Project “I must say these pierogies are a great option to have available at your holiday festivities.”—Kristina Gill, food & drinks editor, Design Sponge, and author of *Tasting Rome Langdon Hall* Simon & Schuster A rollicking tour of the English country home after World War II, when swinging London collided with aristocratic values As the sun set slowly

on the British Empire, its mansions fell and rose. Ancient families were reduced to demolishing the parts of their stately homes they could no longer afford, dukes and duchesses desperately clung to their ancestral seats, and a new class of homeowners bought their way into country life. A delicious romp, *Noble Ambitions* pulls us into these crumbling halls of power, leading us

through the juiciest bits of postwar aristocratic history—from Mick Jagger dancing at deb balls to the scandals of Princess Margaret. Capturing the spirit of the age, historian Adrian Tinniswood proves that the country house is not only an iconic symbol, but a lens through which to understand the shifting fortunes of the British elite in an era of monumental social change. *Plunder* W.  essay, she
 contends that

political systems with radically simple beliefs are inherently appealing, especially when they benefit the loyal to the exclusion of everyone else. Elegantly written and urgently argued, *Twilight of Democracy* is a brilliant dissection of a world-shaking shift and a stirring glimpse of the road back to democratic values. *Fresh from Poland* Farrar, Straus and Giroux Allen

Ginsberg, Lionel and Diana Trilling, Lillian Hellman, Hannah Arendt, and Norman Mailer -- all are ex-friends of Norman Podhoretz, the renowned editor and critic and leading member of the group of New York intellectuals who came to be known as "the Family." As only a family member could, Podhoretz tells the story of these friendships, once central

to his life, and shows how the political and cultural struggles of the past fifty years made them impossible to sustain. With wit, piercing insight, and startling honesty, we are introduced as never before to a type of person for whom ideas were often matters of life and death, and whose passing from the scene has left so large a gap in American culture. Podhoretz was the trailblazer of the now-

famous journey of a number of his fellow intellectuals from radicalism to conservatism - a journey through which they came to exercise both cultural and political influence far beyond their number. With this fascinating account of his once happy and finally troubled relations with these cultural icons, Podhoretz helps us understand why that journey was undertaken

and just how consequential it became. In the process we get a brilliantly illuminating picture of the writers and intellectuals who have done so much to shape our world. Combining a personal memoir with literary, social, and political history, this unique gallery of stern and affectionate portraits is as entertaining as a novel and at the same time more instructive about postwar American culture than a

formal scholarly study. Interwoven with these tales of some of the most quixotic and scintillating of contemporary American thinkers are themes that are introduced, developed, and redeveloped in a variety of contexts, with each appearance enriching the others, like a fugue in music. It is all here: the perversity of brilliance; the misuse of the mind; the benightedness

of people usually considered especially enlightened; their human foibles and olympian detachment; the rigors to be endured and the prizes to be won and the prices to be paid for the reflective life. Most people live their lives in a very different way, and at one point, in a defiantly provocative defense of the indifference shown to the things by which intellectuals are obsessed, Norman

Podhoretz says that Socrates' assertion that the unexamined life was not worth living was one of the biggest lies ever propagated by a philosopher. And yet, one comes away from Ex-Friends feeling wistful for a day when ideas really mattered and when there were people around who cared more deeply about them than about anything else. Reading of a time when the finest minds of

a generation regularly gathered in New York living rooms to debate one another with an articulateness, a passion, and a level of erudition almost extinct, we come to realize how enviable it can be to live a life as poignantly and purposefully examined as Norman Podhoretz's is in Ex-Friends. *A Covert Action: Reagan, the CIA, and the Cold War Struggle in Poland*

Hippocrene Books
An important, shrewd, and laugh-out-loud funny debut novel that answers the question: What happens when Bridget Jones or the Sex and the City girls get married and have babies? Maybe you know Amanda. Maybe you are Amanda. Whoever you are, you will love Amanda. Nothing ever prepared Amanda for this: not her elite college degree, not her brainy friends, not her mother the feminist heroine. At age 35, she finds herself at home with two children, mopping spills and singing The Itsy-Bitsy Spider. It doesn't help that her husband's face is all over national television or that her best friend is dating a billionaire or that every woman she knows seems to have a plastic surgeon and an interior decorator. While everyone else is racing up the fast track, it's getting hard for Amanda to remember why she left work in the first place. Set amidst the glamour and power of boom-time Washington, D.C., *Amanda Bright* is a novel about status and ambition marriage and jealousy and a woman's struggle to discover the things that matter most. *Amanda Bright@Home* will become an anthem for a generation of women that is learning that success is

not always found at the office. House of Day, House of Night Chronicle Books

In the summer and fall of 1991, Anne Applebaum, Pulitzer Prize-winning author of Gulag and Iron Curtain, took a three month road trip through the freshly independent borderlands of Eastern Europe. She deftly weaves the harrowing history of the region and captures the effects of political upheaval on a personal level. An extraordinary journey into the past and present of the lands east of Poland and west of Russia—an area defined throughout its history by colliding empires. Traveling from the former Soviet naval center of Kaliningrad on the Baltic to the Black Sea port of Odessa, Anne Applebaum encounters a rich range of competing cultures, religions, and national aspirations. In reasserting their heritage, the inhabitants of the borderlands attempt to build a future grounded in their fractured ancestral legacies. In the process, neighbors unearth old conflicts, devote themselves to recovering lost culture, and piece together competing legends to create a new tradition. Rich in surprising encounters and vivid characters, Between East and West

brilliantly illuminates the soul of the borderlands and the shaping power of the past.

THE GREAT GATSBY PURE SNOW

PUBLISHING

Written by a Brit who has lived in Poland for more than twenty years, this book challenges some accepted thinking in the West about

Poland and about the rise of Law and Justice (PiS) as the ruling party in 2015.

It is a remarkable account of the Polish post-1989 transition and contemporary politics, combining personal views and experience with careful fact and material collections.

The result is a vivid description of the events and scrupulous explanations of the political processes, and all this

with an interesting twist – a perspective of a foreigner and insider at the same time. Settled in the position of participant observer, Jo Harper combines the methods of macro and micro analysis with CDA, critical discourse analysis. He presents and interprets the constituent elements and issues of contemporary Poland: the main political forces, the Church, the media, issues of gender, the

Russian connection, the much-disputed judicial reform and many others. A special feature of the book is the detailed examination of the coverage of the Poland's latest two elections, one in 2019 (parliamentary) and the other in 2020 (presidential) in the British media, an insightful and witty specimen of comparative cultural and political analysis.
