Game of Thrones Tarot Findhorn Press

Flowers can talk. Red roses say 'I love you', white lilies offer condolence and poppies invite us to remember. For thousands of years, humans have used flowers as a language, a short-hand for emotions and meanings. In her new book, Sally Coulthard, takes a fascinating look at floriography and shows how we still use this secret language across the world. She delves into the meanings of flowers and where they came from, whether it's ancient mythology or hedgerow folklore. Covering 50 well-loved flowers and plants, from peonies to sweetpeas, ivy to irises, *Floriography* is a beautifully illustrated guide that will take the reader on an intriguing journey through the history, legend, anthropology and literature of flowers, showing how modern-day society still relies on the meaning of flowers. From the Chinese lotus flower to the Celtic bluebell, the myth, magic and language of flowers is still blossoming today.

The Field Tarot U.S. Games Systems

Sound folklore wisdom and esoteric tradition combine with a deep, inner understanding of various species of trees in this illustrated collection that contains a book and a card deck.

Pamela Coleman Smith Macmillan

Transcend your fear of negative cards with this beginner-friendly guide to the Rider-Waite-Smith tarot. Using his engaging and easy-going style, Elliot Adam teaches you how to move through the shadows and into the light no matter what card you pull. We've all been there: hoping for the best as we draw a card...but oh no, it's the Devil! This book shows you that fear won't prevail—every card can become something positive. Elliot helps you find the courage to tackle any reading by explaining both upright and reversed meanings in a constructive way. His approach features unique spreads and interpretations, and he encourages you to use your inner wisdom to start an uplifting dialogue with your deck. *Fearless Tarot* provides everything you need to read tarot without fear.

Winner of a 2006 Coalition of Visionary Resources (COVR) Award Ever present in art and mythology, animals have made an indelible impression on our psyche. The *Animals Divine Tarot* can help us reconnect with the natural world and tune into animal energies for a more intuitive, insightful outlook on life. Gorgeous and graceful, Lisa Hunt's watercolor imagery showcases sacred creatures and deities from a myriad of cultures: Aztec, Incan, Indian, Japanese, African, Native American, Greek, Roman, and others. Bast, the cat-headed goddess of Egypt, proudly fulfills the High Priestess role while the adventurous coyote treads a rocky path as The Fool. Inspiring imagination and contemplation, this soulful tarot deck invites us to recognize our inner creatures and merge with our animal energies. Click here to view the artwork of the *Animals Divine Tarot*.

Oracle of Visions Macmillan

'The Herbal Tarot' deck was created by Michael Tierra and designed by Candice Cantin. Each card features a different herb identified by name.

Revised and expanded second edition, 2018. New edition includes additional interpretation information for each rune and 17 new rune layouts. In 1987, women's spirituality foremother and wayshower, Shekhinah Mountainwater, experienced a "goddess-lightning strike" of inspiration and created a set of 41 woman-identified rune symbols for divination and personal growth. Twenty-five years later, I discovered Womanrunes and created an expanded means of interpreting, using, and exploring these powerful, magical symbols. Discover and explore... *the herstory and development of Womanrunes *how to interpret Womanrunes *how to make your own Womanrunes *how to lay out and read Womanrunes

Secrets of the Mystic Grove Llewellyn Worldwide

Journalist and writer William Cook Haigwood offers a unique look at the Counterculture of the 1960s in this collection of historical essays and vintage photographs that uses the symbolism of the Tarot to describe and conceptualize the era's critical cycles of experience. *Journeying the Sixties: A Counterculture Tarot* features photographs selected from thousands made by the author during more than 15 years of reporting and participation in what has come to be called "the 20th century's longest decade." Selected images from the period have been formatted as Tarot cards. Essays supporting the cards use the Fool's Journey to extend a new reading of the period's crucial touchpoints, including the changing nature of personal relationships, the sexual revolution, the emergence of the New Left, feminism, civil rights, cultural and artistic developments and social, economic and intellectual achievements. Foreword is by renowned Tarot author and scholar Mary K. Greer. It is a time that emerges in remarkably accessible ways through the Tarot, a system of symbolic silos of experience described by Sixties historian and critic Theodore Roszak as "a circle that goes somewhere." For reasons that become evident, the Tarot offers a revealing template for a return visit to a unique and controversial period in the world's cultural and political history. Haigwood's photographs, many never before published, provide a fresh view of a generation's experience with change at a crucial cultural crossroads of American history. His well-researched essays look critically at the ideas, actions, relationships and struggles of the time, as well as many of its key players. Haigwood describes *Journeying the Sixties* as a kind of "reverse inquiry," a selective-if still broad-inventory of events that views the Counterculture's primary, oscillating experiences through the lens of a psyche reactivated by Tarot symbolism. It is a "return trip" and the cards of the Tarot, reformed anew from recovered photographs of the era, are its signposts.

 Pamela Colman Smith: The Untold Story brings together the work of four distinguished scholars who have devoted years of research to uncover the life and artistic accomplishments of Pamela Colman Smith. Known to millions as the creator of the Rider-Waite Tarot deck, Pamela Colman Smith (1878-1951) was also a stage and costume designer, folklorist, poet, author, illustrator of ballads and folktales, suffragette, and publisher of books and broadsheets. This collaborative work presents: a richly illustrated biography of Pamela's life with essays on the events and people that influenced her including Jack Yeats, Ellen Terry, Alfred Stieglitz, Bram Stoker and William Gillette. There is also a chronological survey of her folktales, art and poetry and an exploration of her lasting legacy. Over 400 color images of Pamela's non-tarot art have been curated from her publications including A Broad Sheet, The Green Sheaf, Blue Beard, Annancy stories, Russian ballet, costumes, stage designs, Iri

Issued in a chunky slipcase, Ancient Egyptian Tarot returns the tarot to the land of its ancestors. Based on Ancient Egyptian life and mythology, this pack includes a tarot deck, accompanying handbook and hardback journal. that it originated in Egypt; the meanings of each card, along with instructions on how to lay out and read the cards; how traditional tarot imagery corresponds with the resurrection cycle of Osiris; how the Major Arcana's central theme is the story of Osiris and his resurrection by the hands of Isis; and how the Minor Arcana reflects the culture of the Ancient Egyptians based upon genuine wall paintings and carvings from their tombs and temples.

Botanical Inspirations Deck & Book Set U.S. Games Systems

"Get this book, learn the system, do cool readings." - David Numen "Julian's work is the best of the bunch in these genres. I have scoured book stores. I only learn from his books and ideas." - John Cesta My latest ebook which teaches the fundamentals of cartomancy is now ready for release. It's similar to my other books in that it's aimed at complete beginners as well as people who've started learning this particular reading discipline but then given up for one reason or another. Like my other books I use a no nonsense approach with lots of memory tips, insights, reviews and exercises over

ninety pages to help you get up to speed as quickly as possible and the whole experience is extremely 'hands on'. In fact part of the process involves scribbling on the cards a lot to make sure the basics are implanted in your mind as you go. I'm really hoping that this new book gets some of you on the road to giving proper and interesting readings with cards instead of just thinking about it. There's a lot more information hidden in those fifty-two bits of paper than you probably realise!
 REVIEWS "I got this yesterday and have started the study and have to say it's quite brilliant. I've read cards of one form or another for 20 years after learning initially from the Joe Riding course but for various reasons I was looking for something to help me sharpen my skills - and this more than does the trick. For anyone who might feel that they'd rather this was on tarot I think it's worth pointing out that when I started doing readings many moons ago a number of clients would tell me of this mystical sounding old man who read from "ordinary cards." It was clear that the impression given to these women was that reading ordinary cards was somehow more skillful and impressive than tarot cards (I guess the pictures on the cards might make it obvious to some astute clients that there are highly visible cues on the cards). Playing card readings rock - and playing cards predate tarot and are thus, in my book, purer and more mysterious than tarot." - David Numen "I purchased this ebook. What a great system. Always in the easily understood clear writing format you'd expect from Julian. This is of a quality you would expect to find in a book store. I have in the past purchased Julian's James Bond Cold Reading book and his Palm Reading book. For me this is one of the best. I find I am more in tune with numbers than the others. I always have a deck of cards and certainly the places I frequent there are cards as well. The fact that you can use a few cards, a few more to create a simple or more complex reading is terrific. Make it as long or short as you'd like. Julian's audio book (available for free from his site) is also top notch! Lots of valuable audio files to use while driving or sitting in a Doctor's office. Certainly worth the asking price. If you have any of Julian's other offerings you know what I mean. If you don't have any of Julian's other offerings don't hesitate. His metaphors and memory links make sense and they work." - John Cesta OTHER KINDLE BOOKS IN THE SPEED LEARNING SERIES BY JULIAN MOORE Speed Learning: Graphology - The Art Of Handwriting Analysis Speed Learning: The James Bond Cold Reading Coming Soon: Speed Learning: Palmistry - Palm Readings In Your Own Words
The Botany of Empire in the Long Eighteenth Century Llewellyn Worldwide
 The Buddhism Reading Cards are designed as an easy and simple introduction to the fundamental teachings of Buddhism in a fun and practical way. Each card represents one fundamental, core principal of Buddhism. The cards are simple to use, each containing a wisdom that, like a glimmer of light, brings healing, direction and inspiration to your life. The peaceful Buddha image helps the wisdom to flow easily, gently penetrating your mind and spirit. By choosing the card that you most connect with, you can easily open up a way to positively communicate with your subconscious mind. You will find that the cards shine new light on situations by inviting inner solutions that come easily from the energy, creativity and intelligence found within your own, deep being. The deck comprises 36 cards in total and is divided into four sections.

Animals Divine Tarot Dumbarton Oaks Research Library & Collection

Osho Zen Tarot, from the #1 bestselling mystic and spiritual author Osho! When life seems to be full of doubt and uncertainty we tend to look for a source of inspiration: what will happen in the future?

What about my health, the children? What will happen if I make this decision and not that one? This is how the traditional tarot is often used, to satisfy a longing to know about the past and future. The Osho Zen Tarot focuses instead on gaining an understanding of the here and now. It is a system based on the wisdom of Zen, a wisdom that says events in the outer world simply reflect in the outer world simply reflect our own thoughts and feelings, even though we ourselves might be unclear about what those thoughts and feelings are. So it helps us to turn our attention away from outside events so we can find a new clarity of understanding in our innermost hearts. The conditions and states of mind portrayed by the contemporary images on the cards are all shown as being essentially transitional and transformative. The text in the accompanying book helps to interpret and understand the images in the simple, straightforward and down to earth language of Zen.

Pictorial Key Tarot/Tarot De La Clave Pictorica Storey Publishing

The Field Tarot was created to guide readers through the sacred space ("the field") where the tarot narrative takes place. Inspired by colorful, botanical, and otherworldly dreamscapes, the accessible artwork situates the reader within the scene, allowing them to easily connect with the card meanings. The Field Tarot acts as an intuitive tool to help readers navigate through life, relationships, and their inner and outward journeys. Includes 78-card deck and 96-page guidebook.

Angel Wishes U S Games Systems
