For these two typecast actors, love can't always be black or white. Shin is an actor whose awkward personality has gotten him typecast as the villain, whereas his secret lover Shige garners all the prime princely roles. As their careers advance, can these two endure all eyes being on them not just in public but in private too? Shige has landed a costarring role on a TV drama with Tatara, a veteran actor who happens to know of his secret relationship with fellow actor Shin. And because of Shige's lack of confidence in his own acting skills, Tatara issues him an

ultimatum—either make this role his signature performance or stop dragging Shin down and end their relationship. Shige has a hard time accepting that other men also care about Shin, but he knows he must do whatever it takes to stand by Shin's side as his equal!

She's an innocent. Caught in the wrong place at the wrong time. My Angel is the one who got away—the only person in the world I love. When she is caught in an unsanctioned bank robbery in my territory, only my reputation protects her. She should have stayed away. Instead, she charges back into my life like a shining beacon in my otherwise bleak existence. She has no place in my world where hardened criminals toy with the lives of the innocent. A better man would let her go - again. There's no white picket fence in life with a Bellandi, and she deserves so much more. I pushed her away once, but now that she's back I won't let anything else come between us. Not even Ivory herself. Disclaimer: *Bloodied Hands* is a full-length standalone novel with crime syndicate members

and dark content. The Bellandi Crime Syndicate Series includes several full-length standalones with HEA that can be read in any order, but would present a better reading experience following the suggested reading order.

A deluxe bind-up edition of Naoki Urasawa's award-winning epic of doomsday cults, giant robots and a group of friends trying to save the world from destruction! A deluxe bind-up edition of Naoki Urasawa's award-winning epic of doomsday cults, giant robots and a group

of friends trying to save the world from destruction! Humanity, having faced extinction at the end of the 20th century, would not have entered the new millennium if it weren't for them. In 1969, during their youth, they created a symbol. In 1997, as the coming disaster slowly starts to unfold, that symbol returns. This is the story of a group of boys who try to save the world. *Midnight Secretary, Vol. 3* Independently Published Though only twelve years old, orphaned Tara has developed strange telekinetic powers that allow her to bend space and levitate others high above the ground, as if they are lighter than air. Her two best friends, Betty and Fabrice—often the victims of Tara's uncontrollable abilities—are the only ones who know about Tara's secret. Even her grandmother and caretaker, Isabella, doesn't have a clue. That is until Tara learns that she is a spellweaver, descended from a long line of powerful magic-wielders born on the planet OtherWorld. Forced to flee her Earth home when Magister, the Master of the Bloodgraves, attacks, Tara escapes to

planet Other- World, where she finds loyal friends and learns about her mysterious powers. But when Tara discovers that her mother is alive and being held captive by Magister, will she be able to save her? Tara Duncan is an inspiring heroine, whose adventures and personal struggles will captivate readers already hooked by fantasy adventures and characters like Harry Potter. This is the first installment of the Tara Duncan series—an epic adventure full of magic and bravery that is sure to cast a spell on young readers!

*Made in Abyss Vol. 5* Simon and Schuster In the summer of 1807, the Explorer, a ship from Her Majesty's Navy recovers a young shipwreck off the coast of Siam, Abel, who can only remember his name. He soon becomes friends with the first officer, acting as a captain because the commander of the ship has apparently absconded with the ship's treasure. Abel returns to England with the Explorer and finds accommodation at the inn run by the three fugitive captain's daughters. Well before he can recover his memory, however, he will discover

something deeply disturbing about himself, and he will understand the true nature of some of the people who helped him. A haunting and intense book that digs into the soul of the protagonists as well as the reader, with a generous helping of good ol' fashioned salty adventure along with many a shanty sung and a sprinkling of magic dust. Presented in a handsome old style, with a worn-looking hardcover, as if taken from a ship captain's library. An uplifting, enthralling escape.
