God's Other Arm AuthorHouse

Job is a person lifted out of ancient history in dramatic fashion, addressing the most basic questions of life: Is God good and just? What does it mean to possess a secure relationship with God? How can security be obtained? The suffering of Job provides the impetus for a theological debate. Job's friends believe his sins caused his troubles. Job refuses to submit to their hypocritical diatribes. He prefers an audience with God. He presumes to indict God's testimony of justice in the world. After his friends exhaust

their efforts, a young man confronts Job's magisterial presentation. He challenges Job's declarations concerning God's person and work. He prepares him to meet with true majesty. The Lord continues to challenge from a whirlwind. His first speech reinforces His power of justice, His ability to sustain life, and His design through creation, revealing the character of a God who oversees life with good intentions. The second speech addresses God's ability to judge and destroy the personality of evil. The center of this speech reveals a Messianic expression of hope. The way in which God introduces this testimony reinforces the understanding this Coming One is God Himself. The knowledge gained by Job propels him into a spirit of praise and worship, preparing him to minister as a priest for his erring friends.

How is the God of heaven showing Himself to the world? How has He shown Himself to you? Sweet Revelation is one woman's revelation story, a narrative memoir written to people in all walks of life. Author Davida Blanton describes times throughout her life when God showed Himself real to her. In her darkest moments of fear, disappointment, and grief, God's arm brought comfort to Davida and healed her brokenness, wrapping her in truth, embracing her in love, protecting her in light. The word "revelation" means an unveiling. When something is unveiled before our eyes, it is made visible. When eternal things are unveiled before us, allowing us to "see" in the spiritual realm, our lives are affected in profound ways. We are changed. This happens differently for each person, because every man and

woman has unique needs and experiences. This book tells how it's happened for one woman and invites you to consider how it's happened in your own life. Jesus said, "The person who has my commands and keeps them really loves me; and whoever really loves me...I will love him and will show Myself to him. I will let Myself be clearly seen by him and make Myself real to him." (John 14:21 AMP) Revelation of the sweetest kind. "I anoint your eyes with eye salve, that you may see." -Words of Christ recorded in Revelation 3:18 (NKJV)

Do You Think God'S Arm Is Too Short? Tyndale House Publishers, Inc.

Alaska in the 1960's was truly the Last Frontier. It had recently achieved statehood as the 49th U.S. state on January 3, 1959, about two years before I arrived with my husband, an Alaskan Aleut. The population at the time was mostly native Alaskans of different tribes such as Eskimo, Aleut, Tlingit, Alaskan Athabaskans and others. In the village where I lived the natives were part Aleut, Russian, Irish and Swede. The village in 1960 was a small, close-knit community of about 60 people. They were all related to each other in some way. When I lived there I was the only white person from the lower 48th in the village. These are entries from a diary I kept in a spiral-bound notebook. They are an account of my day-to-day life as a young married woman living in Alaska. I hope you see the hand of God working in my life, and the many times He was present, miraculously protecting me and delivering me from harm, both physically and spiritually. I

promised my sister, before she died of cancer, that I would write this book about my life and adventures in Alaska.

2020 Symbolizes- Visual Clarity by God At the start of 2020, everyone saw the new year as the start of new beginnings. According to "Parade" magazine, on December 9, 2019, the top

ten New Year's resolutions were to lose weight, increase finances, exercise, start a new job, manage stress, stop smoking, improve relationships, stop procrastinating and set aside time for themselves. Although people had their own ideas of New Year's resolutions, God's plan was to lead people of the world to him by opening their eyes to a harsh reality while bringing light to deeds done in darkness. He wants his people to remember and acknowledge that God is in control. In Acts 26:18 Jesus said, "I am sending you to open their eyes, so they may turn from darkness to light and from the power of satan to God, that they may receive forgiveness of sins and a place among those who are sanctified by faith to me." Stop saying, "This is the worst year ever" or "I can't wait until 2020 is over." Regardless of the troubles we have faced in 2020, everyday is a gift from God. Let us all focus on Christ. God's promises will sustain you in this pandemic and provide you with PEACE, PROTECTION, PROVISION, and PATIENCE.

Looking at chapters 40-55 in the book of Isaiah, F. B. Meyer relates the Old Testament prophecies to their fulfillment found in the New Testament. He presents a striking portrait of our Lord as He was revealed and through the prophet Isaiah during the time of the exodus from Babylon.

For anyone who thinks that comfort is equivalent to pity and that it is only priceless to those who need an emotional crutch, best-selling author Warren Wiersbe applies the words of the prophet Isaiah to prove that God's comfort is no such thing. The word comfort actually translates "to repent" in Hebrew; our English translation, however, adds another dimension to the word since it originated from two Latin words meaning "with strength." With definitions and insights like this, the "pastor of pastors" and phenomenal author Warren Wiersbe continues to enliven the Scriptures as he weaves the words of Isaiah with historical

explanations and thought-provoking questions for every chapter, creating a study guide that can be used in personal Bible study or with a group. With over 4 million copies of his "Be" series alone in circulation, he is a man who has given his life to a deep examination of the Word of God, to communicating it in such a way that the masses see its relevance for today.

A. W. Pink's Studies in the Scriptures Harold Shaw Pub

The book of Isaiah has been called "the Bible in miniature." Both are comprised of sixty-six sections—chapters in Isaiah, books in the Bible. Isaiah first chronicles a holy God's need to judge sin, reflecting the Old Testament, as latter chapters preface the New

Testament, revealing the mercy to come through God's Son. This study examines a sweeping narrative of Israel, and explores the very arch of God's redemptive story, as sin and judgment are defeated through the grace of our Savior. The Wiersbe Bible Studies Series explores timeless wisdom found in God's word. Based on Dr. Warren W. Wiersbe's popular "BE" series, each study provides topical, relevant insights from selected books of the Bible. Designed for small groups, this eight-week study features selected commentaries from BE Comforted, engaging questions, and practical applications, all designed to help you connect God's word with your life.
