A wedding and a hurricane. What could go wrong? When people see Zachary Williams they see a billionaire entrepreneur who changed the face of

an entire industry, but without love and family it's worthless to him.

Lonely and frustrated with the dating scene, he remembers an agreement he made with his best friend when they were in their teens. Zach searches out Addison and offers her the deal of a lifetime.

When Addison hears from

her childhood friend and he invokes a pact they made as teenagers, she thinks he's joking. By the time she figures out how serious he is, she's committed herself to his crazy marriage scheme with no way to back out gracefully. After a quick beach wedding on his private island, the staff

and their families depart. Not long after, the hurricane hits and it's just the two of them battling nature together. Find out how childhood friends find romance and love while they weather the storm of a lifetime in *The Billionaire's Reluctant Bride*.

The Billionaire Baby Bombshell HarperCollins UK

I just had the best sex of my life with New York's most eligible playboy bachelor, billionaire Preston Easterbrook. There are only three

problems. #1: He's my brother's best friend. #2: I can't stand the man, and he can't stand me either. #3: I'm pregnant now and the baby is his. Actually, make that four problems. After I told Preston he was going to be a dad, he chased me down on the street and proposed marriage. Unfortunately, the paparazzi were there too. I fell during all the commotion, hit my head, and now I can't remember anything. When I wake up with amnesia, I'm being cared for by the New York's sexiest bachelor.

Supposedly I hated this guy, but I can't figure out why. He's strong and successful. He's loving and patient. He treats me like I'm the only girl he's ever wanted. Was I too blind to see it all these years, or is there something really big I'm forgetting? Maybe it's best if I don't remember. There's a wedding coming up, and I don't want this fairy tale to end.
