The old method of bringing products to market through prototyping and patents doesn't work anymore. It's cheaper and more profitable to do it Key's way. The Prayer Eagle "Do you know that there are forces that can pick up prayers and swallow them? One of the major disasters of modern day Christianity is prayerlessness. Prayers cannot be measured like we measure water into the bucket. I have seen men who can pray for ten hours non stop at prayer meetings but immediately they get home from the prayer meeting, they can beat up their wives." Read this book and become a prayer eagle!

Patterned after the annual feasts of the Tabernacle, the annual 70 days of fasting and prayer program is an annual spiritual sacrifice that cannot but yield power and breakthroughs given the covenant that backs it up. "We give all the glory to the Lord for what He has been doing with our annual Seventy days prayer and fasting programme. The Lord has used the programme to: Ignite the fire of revival in thousands of lives, put stubborn pursuers to flight, produce prayer eagles, open chapters of prosperity for many, confuse satanic dribblers and put the enemies' gear in reverse. Prayer is of great value in turbulent and non-turbulent situations. Prayer is a necessity not an option."

"Howbeit this kind goeth not out but by PRAYER AND FASTING" (Matt 17:21).

He begins with an overarching look at the need for Kingdom parenting, our roles and responsibilities in raising God-following children, and how to prepare children to take on the assignments God has for their lives. He then provides specific training for kids in the power of prayer, wisdom, loving God's Word, getting through trials, controlling their tongues, developing patience, the surrender of service, and much more.
