DieCast X covers the entire spectrum of automotive diecast from customizing to collecting. it takes an insider's look at the history behind popular diecast cars and trucks, as well as how each model has helped shape the automotive industry and motor sports

**Chilton's CCJ.** National RV Trader  
"There's nothing semi about Finn

Murphy's trucking tales of The Long Haul."—Sloane Crosley, Vanity Fair More than thirty years ago, Finn Murphy dropped out of college to become a long-haul trucker. Since then he's covered more than a million miles as a mover, packing, loading, hauling people's belongings all over America. In The Long Haul, Murphy recounts with wit, candor, and charm the America he has seen change over the decades and the poignant, funny, and often haunting stories of the people he encounters on the job.

Logging & Sawmilling Journal W. W.

Norton & Company

The author of this text argues that the role of strategic marketing in business performance is demonstrated in the market-driven strategies of successful organizations competing in a wide array of product and market situations. The escalating importance of providing customer satisfaction, responding to diversity in the marketplace, developing new products and recognizing global competitive challenges require effective marketing strategies for gaining and keeping a competitive edge. The text examines the concepts and processes for gaining competitive advantage in the market place.
