'A godsend for German literature' Ina Hartwig It's Autumn in Stuttgart, just before Halloween, and thirty-something mothers Judith and Leonie are safely ensconced in their upmarket apartments in one of the city's best neighborhoods. Judith has squeezed her life into the straitjacket of wholesome stay-at-home motherhood – no TV, no sweets, nature hikes, and, above all, routine – and marriage to staid university professor Klaus. Leonie is proud of her work at a bank and her husband Simon's career, though she worries that she's neglecting her young daughters, and that Simon's work distracts him from his family. Over the course of a few days, Judith and Leonie's apparently stable, successful lives are thrown into turmoil by the secrets they keep, the pressures they've been keeping at bay, and the waves of change lapping at the peaceful shores of their existence. *Shorter Days* is both an 'exorcism of women's fears' and a heartrending exploration of the joys and challenges of modern family life. Anna Katharina Hahn was born in 1970. Her other works include the collection of stories *Kavaliersdelikt* (Petty Crime), for which she was awarded the Clemens Brentano Prize in 2005, and *Am Schwarzen Berg* (The Neighbours) in 2012. In 2010, Anna Katharina Hahn was awarded the Heimato von Doderer Literary Award. *Shorter Days* was longlisted for the German Book Prize in 2009. 'The focus, in particular, on the seemingly everyday quality of life, as well as the fact that the plot takes place over only a few days – which lead directly to disaster – are what make *Shorter Days* so captivating, as well as shocking' Frankfurter Allgemeine Zeitung 'Shorter Days begins like a family play and broadens to world-class theater ... terrific' Süddeutsche Zeitung *Rainbow* Dk Pub

Barbapapa's Voyage Penguin UK

'My name Mbu is a short version of Mbuyiseli, which in isiXhosa means something like "the one who returns something". I once asked my mom why she gave me this name. She said: "I never got anything from life; I hope to get something back from my children one day ... maybe from you." In this moving and gripping tale of his life, Mbu recounts his childhood growing up in the shacks of some of the poorest townships in the Eastern and Western Cape; the battle to survive hunger, neglect and sleeping on the streets; the beloved older brother who took care of him as a toddler; the unwavering dream of education that kept him going; and the search for values and dignity in a world of alcohol, drugs, crime and few positive role models. Mbu's story is the story of countless other young men and women in South Africa, born into similar situations of hardship, growing up abandoned or neglected by parents themselves in need of parenting. What makes his story different is that it is a journey not of despair but transformation, lit by the kindness of friends and strangers, and Mbu's own determination not to stop hoping for a better life. Mbu Maloni lives in HOKISA Children's Home in Masiphumelele Township, Cape Town South Africa. He is currently in Grade 11, and plans to matriculate next year. This book is dedicated to a dear friend of his and serves to provide hope for the many 'street children' out there who, if they believe strongly enough in something positive, can achieve more than they are often led to believe. Lutz van Dijk is an internationally acclaimed writer, who, amongst other books, has published the bestseller "Stronger than the Storm", the novels "Romeo and Jabulile" and "Themba" (made into a movie in 2010) and "A

History of Africa" (preface by Archbishop Tutu).

Brave Old World Canelo

A hard-hitting, and emotional story set in South Africa, following Themba and his dreams of becoming a famous footballer. Themba grows up dreaming of becoming a football star. One day he leaves the village and travels with his sister to the city in search of their mother. Life is a struggle and Themba has to grow up fast. A lucky break gives him the chance to train as a footballer and play professionally – but Themba has a secret – should he tell the truth about his HIV and risk everything he's ever dreamed of? ~ Themba won an IBBY award - Best Book for Young People. Karin Chubb was Shortlisted for the Marsh Award for Children's Literature in Translation for Themba, a unique award celebrating the high quality and diversity of translated fiction for young readers. The book was also made into an award-winning film. "Beautifully translated from the original ... it is a book full of hope and the more young people who read books like this and who come to understand how other young children live, the more this hope will spread." Books, Teens and Magazines "Themba reminds me of my own childhood and youth in a township close to a small village in the Transvaal in South Africa: Like him I wanted to escape poverty, like him I had the hope that our world will be a just world one day – and like him I loved my mother who was working at the time as a maid for a white family. To be very honest: in soccer Themba seems to be simply better than I was." Archbishop Desmond Tutu "READ OF THE MONTH" Pride magazine "...an inspirational coming of age drama about a young South African boy's escape from poverty and the pursuit of a dream." Spling online "It's a rags to riches story – a story of hope, of dreaming your dreams and achieving them, and it's also a story of friendship..." The Sunday Independent "It's a really engaging book, and because Aids is a serious issue, it made us want to carry on reading more about it." Durning Library teenage reading group "Beautifully translated from the original and it is an easy and straightforward read. However, the storyline is tough – poverty, AIDS and death haunt the pages of the book. The reader learns about the hardship of life for many ordinary South Africans (even after Mandela came to power) and the struggle for those families who have a family member suffering from AIDS. The problems they face do not lie solely in a lack of medication and good nutrition; it also lies in the ignorance of their neighbours and friends and a refusal of many to acknowledge the illness and help the ill. However this is not a depressing book – it is a book full of hope and the more young people who read books like this and who come to understand how other young children live, the more this hope will spread." Valerie and the Good-Night Swing Stanford University Press

A huge bestseller in Germany for over a year, *My Father's Country* offers extraordinarily moving and riveting insight into the experience of being German in the last century. On August 26, 1944, Hans Georg Klamroth, officer in the German army and member of the SS, was executed for high treason for his participation in the July 1944 plot to assassinate Hitler. *My Father's Country* is the extraordinary work of Klamroth's daughter, Wibke, born only six years before her father's death. Decades later, Bruhns was watching a TV documentary about the events of July 1944 when images of her father in the court room suddenly appeared on screen. "I stare at this man with the empty face. I don't know him. But I can see myself in him — his eyes are my eyes; I know I resemble him. I know I wouldn't be here without him. And what do I know about him? Nothing at all." Based on an extensive collection of family letters, private diaries, photographs and even menus, *My Father's Country* traces Wibke Bruhns' father's, and more widely, her well-to-do merchant family's, life in the Germany of the late nineteenth and early twentieth centuries. With it, Bruhns not only brings to life the nuances of this world — its culture and its assumptions, politics and beliefs — but also comes to know, finally, the mysterious father she barely remembers.

Time to burn and time to kill, time for two young orphans to learn that life isn't won without a fight. Julian survives only because his older brother, Michael, is fearless and fiercely protective. When tensions boil over and a boy is brutally killed, there is only one sacrifice left for Michael to make: He flees the orphanage and takes the blame with him. TO KEEP HER SAFE For two decades, Michael has been an enforcer in New York's world of organized crime, a prince of the streets so widely feared he rarely has to kill anymore. Nobody Will Ever Kill Me Franklin Watts

In his brilliant interdisciplinary analysis of the global financial crisis, Joseph Vogl aims to demystify finance capitalism—with its bewildering array of new instruments—by tracing the historical stages through which the financial market achieved its current autonomy. Classical and neoclassical economic theorists have played a decisive role here. Ignoring early warnings about the instability of speculative finance markets, they have persisted in their belief in the inherent equilibrium of the market, describing even major crises as mere aberrations or adjustments and rationalizing dubious financial practices that escalate risk while seeking to manage it. "The market knows best": this is a secular version of Adam Smith's faith in the market's "invisible hand," his economic interpretation of eighteenth-century providentialist theodicy, which subsequently hardened into an "oikodicy," an unquestioning belief in the self-regulating beneficence of market forces. Vogl shows that financial theory, assisted by mathematical modeling and digital technology, itself operates as a "hidden hand," pushing economic reality into unknown territory. He challenges economic theorists to move beyond the neoclassical paradigm to discern the true contours of the current epoch of financial convulsions.

Hemda Horovitz is nearing the end of her life. As she lies in bed in Jerusalem, the present flickers in and out as memories from the past flood her thoughts: her childhood in the kibbutz spent under the

disappointed gaze of her stern, pioneer father; the lake that was her only solace; and her own two children, one whom she could never love and the other whom she loved too much. Avner, the beloved child, has grown up to be a heavy, anguished man, disillusioned by his work and trapped in a loveless marriage. When visiting his mother in hospital he witnesses an elegant couple's final poignant moments together; after the man's death Avner becomes obsessed with finding the woman, and a strange and delicate relationship unfolds. Dina, Hemda's daughter, has put aside her career in order to give her teenage daughter, Nitzan, the warmth she never received from her own mother. But Nitzan is withdrawing from her, and as Dina slides into despair she is overcome by a longing to adopt a child - a longing that, if fulfilled, may destroy her fragile family. Zeruya Shalev's electrifying new novel is at once a meditation on the state of modern Israel and a profound exploration of family, yearning, compromise and the insistent pull of the past.
