The book deals with all Parashari and non Parashari divisional charts and brings out their predictive

<p>value and the technique. The high lights of the book are: 1 . Rules for examination of each divisional chart. 2. House significations of divisional charts. 3. Linking of divisional charts. I hope that this book will be helpful to all students and scholars of Astrology in sharpening their predictive accuracy.</p> <p><i>Remedial Measures In Astrology: Simple And Easy To Adopt Measures For Protection</i></p>	<p><i>From Manevolent Planetary Effects All India Federation of Astrologers' Societies Unlock Pending Karma and Its Correction is the first of its kind and is about decoding horoscope through a philosophical background of mythology with a unique amalgamation of Vedic astrology, Bhrgu Nandi Nadi, Lal Kitab, past life pending karma, curses through Lal Kitab and</i></p>	<p>Prashna. Through astrologers are well aware that it is the aspects between planets which has been planets which add detail and definition to a birth chart, there has been no single work which deals comprehensively with the theory and delineation of aspects in Vedic Astrology. This book fills a void by providing a clear and concise treatment of the subject. The authors have drawn

their material from the ancient and medieval classics of Vedic astrology, preserving the wisdom of the sages as well as granting their readers a wealth of insight into how the ancient dictums may be applied to contemporary life.

Esoteric Principles Of Vedic Astrology All India Federation of Astrologers' Societies Komilla Sutton is a co-founder of the British

Association for Vedic Astrology. She is renowned as both a practitioner and teacher of the science with students and clients all over the world. The notion that astrologers can unfold lives and reveal what waits at the next bend is a thought that comes to all and populist claims have inspired the author to come up with a series of books that will discuss the various aspects in astrology, putting together the research and findings by various groups and the experience gained during his journey. The purpose

of the encyclopedia is an attempt to put a clear understanding of the process of astrology, taking into account the first basic principles and dealing with different topics. These would cover the basics in astrology and then go on to the predictive techniques, the nadi astrology,

tajik, yogas, nakshatras, rectification of birth time, vargas, dashas, mundane prashna, muhurta, remedy and other aspects of interest. The advantage of this would be that both students and those who want to pursue research can progress the understanding of this science in a systematic manner. Also the complete set will be of great value to those in India and abroad

who want to understand various levels and will give them the flexibility of dwelling into the complexities in a coherent manner. With the growing interest to learn this science in various countries, the readers there will find this series of books very useful. This is the first book in the series and is the most important. propounded by various schools of thought. Astro Remedies: a Vedic Approach

Very often it is asked as to what is the

use of astrology?
Can the malefic result of planets be glozed?
Suppose a man starts from home with an umbrella if he knows that it will rain today. He cannot prevent the rain but he can save himself to some extent with the umbrella.
Likewise, we try to lessen the malefic effect of the harmful planets by Tantra, Mantra, Yantras, gems, worship or Jap if we

know by Astrology that the period ahead is not auspicious. Different methods of remedies have been mentioned in this book. Learned astrologers prescribe various remedies to curb evil effects of planets. Some scholars advise to wear gems while others prescribe mantras. There are scholars who stress on Yantra-pooja or wearing Rudraksha. Some of them

go for propitiating planets or for that matter tantrik remedies. This book explains that one should seek remedies for which planets and what type of remedies should be prescribed. Lal Kitab remedies have also been discussed in this book. One form of remedy can be to worship the planets by chanting their mantras. Recommendation of establishing Navgrah yantras is also very popular.

The objective of establishing important yantras is also mentioned in this book. Those who do not know the mantras of planets they can learn the important mantra of concerned from this book. If a planet is strongly placed in ones chart in that case the benefic effects of that planet can be multiplied by wearing its gem. This books also helps in selecting the appropriate gem for the

native. Method of wearing gem has also been explained. This book in one of its chapters talks about the use of rare tantric items. In next chapter one can read about the healing touch of Rudraksha. In chapter no. 8 and 9 the remedies for the rectification of malefic influence of sadhesati and Kalsarpayoga are discussed. In concluding chapters the contemplation of God and worship of deities related

to planets is discussed. *Aspects in Vedic Astrology* Institute of Vedic Astrology
 A native suffers or enjoys (with the former having a dominant part) in life as per his prarbdha/destiny. Astrology does indicate what one has to endure and what one can overcome. Whereas great strides have been taken and wonderful results obtained regarding influence of planets, both

benefic & malefic, on human beings, the same can not be said about finding out the remedies for their malefic results. Each remedy is basically a prayer to the Almighty to bail the native out of a difficult situation. It is our Kartvya Karma as part of Prarbdha/Kiryaman Karma to observe remedial actions to keep our body and mind healthy. In a horoscope, destiny/luck is indicated by

9th house and 3rd house represents Purshartha, the free will or Kiryaman Karma, done with a strong will & belief to smoothen the path of destiny. The life or the path of human development is a story of constant struggle between the destiny and Purshartha/remedies, with dices heavily decked against the later. The success of the remedies rests upon the strong will, belief & faith one has in the

remedy and one's total unconditional surrender before the relevant deity. There are various modes of remedies, one can chose from depending on his faith/belief, like colour therapy & Gems, Mantra, Yantra, Tantra & Rudraksh, bath, fast & charity, propitiation of curses and age old folk treatments of Lal Kitab. All these have been covered in this book as an aide-memoire to a native in his fight against

misfortune. Astrology And Remedies Of `lal Kitab` : Easy And Effective Inexpensive Remedial Measures Sagar Publications

There are
large number

there are
groups of
people who
talk about the
benefits of
yoga, mantra,
yantra and
allied topics,

each of which
has a
scientific logic
as is the case
with the
manuscripts
left behind by
the Rishis. As
we all are
aware, there
are planets
which by their
interaction,
govern our
destiny. My
belief,
developed
during the
study of this
science, is
that destiny
depends on
four major
things in equal
proportion.
These are; our
previous
karma, the
place where
we are
staying, the
people with

whom we interact and our own efforts. These are the four parameters and within each comes the important of a large gamut of activities. There is a complex equation that is a matter of study and research which, like any other science, gets deciphered and known. I therefore believe that chart at the time of birth, coupled with the year's horoscope and the time at which the

query is being asked, have to be co-related and a vector from them gives the correct analysis of the query. Similarly, as each planet is associated with a colour and the colours are in turn related to vibrations - a complex phenomenon by itself; the various mantras, colour therapy and other remedies have relevance.

 A practical guide to connecting

with your ancestors for personal, family, and cultural healing • Provides exercises and rituals to help you initiate contact with your ancestors, find ancestral guides, and assist the dead who are not yet at peace • Explains how to safely engage in lineage repair work by connecting with your more ancient ancestors before relating with the recently deceased •

Explores how your ancestors can help you transform intergenerational legacies of pain and abuse and reclaim the positive spirit of the family. Everyone has loving and wise ancestors they can learn to invoke for support and healing. Coming into relationship with your ancestors empowers you to transform negative family patterns into blessings and encourages good health, self-esteem, clarity of

purpose, and better relationships with your living relatives. Offering a practical guide to understanding and navigating relationships with the spirits of those who have passed, Daniel Foor, Ph.D., details how to relate safely and effectively with your ancestors for personal, family, and cultural healing. He provides exercises and rituals, grounded in ancient

wisdom traditions, to help you initiate contact with your ancestors, find supportive ancestral guides, cultivate forgiveness and gratitude, harmonize your bloodlines, and assist the dead who are not yet at peace. He explains how to safely engage in lineage repair work by connecting with your more ancient ancestors before relating with the recently

deceased. He shows how, by working with spiritually vibrant ancestors, individuals and families can understand and transform intergenerational patterns of pain and abuse and reclaim the full blessings and gifts of their bloodlines. Ancestral repair work can also catalyze healing breakthroughs among living family members and help children and future generations to

live free from ancestral burdens. The author provides detailed instructions for ways to honor the ancestors of a place, address dream visits from the dead, and work with ancestor shrines and altars. The author offers guidance on preparing for death, funeral rites, handling the body after death, and joining the ancestors. He also explains how ancestor work can help us to transform problems such

as racism, sexism, homophobia, and religious persecution. By learning the fundamentals of ancestor reverence and ritual, you will discover how to draw on the wisdom of supportive ancestral guides, heal family troubles, maintain connections with beloved family after their death, and better understand the complex and interconnected relationship between the living and the

dead. Nakshatras Science of Light Astronomically, the intersection points of the sun and moon - on their movements in the celestial sphere - are called Rahu and Kethu. They are also called the north node and south node. Rahu and Kethu are unimaginably huge dark shadows in space. During their transit, when their shadow falls on any planet, that planet's all-effects will be completely altered or diverted by Rahu and Kethu. Rahu and Kethu are solely responsible for a beggar to become a millionaire and a millionaire to become a beggar. This book elaborately discusses the effects of Rahu and Kethu. In the horoscope, how Rahu and Kethu are positioned, how the planets and the houses (Bhavas) are affected by them in the birth chart are all analysed in this book. How and when the natives will be affected? To what extent they will be affected? It is because of the birth chart, the transit movement and the Dhasa Bhukthi of Rahu and Kethu? They are all clearly explained in this book with many birth charts. Kindly read this book thoroughly, analyse it with your known people's horoscope, and experience the result. It will surely give you goosebumps! *Practical Vedic*

Astrology

Motilal Banarsidass
 Publishe
 God exists within us on this planet. The 'soul' enters the human form after going through the complete cycle of eighty-four lakh lives and deaths. Human life is determined by the position of planets. Good and bad ideas travel into our minds through waves transmitted by the planets. A woman carries the child in her womb for nine months like the nine

planets. Thus the position and stationing of the planets determine the good and bad times in our lives. This arithmetic of favourable and unfavourable positioning of planets, form the basis of 'Horoscope'. Astrology is a science based on very specific calculation. It is not superstition and it is easy to follow. People who cannot consult an astrologer can just read the book, identify their problems, look

for remedies and follow them without guidance or consultation. The science of astrology is a gift from God and is acquired by following His diktat. Phaldeepika
