CHARLES PONCE

A Companion to Roman Art Oxford University Press, USA
 Living in a "perfect" world without social ills, a boy approaches the time when he will receive a life assignment from the Elders, but his selection leads him to a mysterious man known as the Giver, who reveals the dark secrets behind the utopian facade.
The Myths and Gods of India Archaeopress Publishing Ltd
 Serpent and dragon symbolism is ubiquitous in the art and mythology of premodern cultures around the world. Over the centuries, conflicting hypotheses have been proposed to interpret this symbolism which, while illuminating, have proved insufficient to the task of revealing a singular meaning for the vast majority of examples. In *The Serpent Symbol in Tradition*, Dr. Dailey

argues that, in what the symbolist Rene Guenon and the historian of religions Mircea Eliade have called 'traditional' or 'archaic' societies, the serpent/dragon transculturally symbolizes matter, a state of being that is constituted by the perception of the physical world as chaotic in comparison to what traditional peoples believed to be the 'higher' meta-physical source of the physical world or 'nature.' In the course of Dr. Dailey's investigations into the meaning of traditional serpent/dragon symbolism, the following contributions have proved invaluable: 1) Guénon's interpretation of the language of traditional symbolism and the metaphysics that underlies it, as well as his interpretation of the terminology of the 'Hindu Doctrines,' 2) Eliade's interpretation of traditional/archaic societies by means of his concepts of chaos, creation, Axis Mundi (World Axis), and 'Sacred and Profane,' and 3) the insights of various other researchers of serpent/dragon symbolism. Beyond purporting to resolve some of the mystery of the ancient and varied symbolism of the serpent/dragon, The

Serpent Symbol in Tradition strives to serve the related functions of interpreting the symbolic meanings of a wide variety of premodern artifacts and narratives as well as providing a study of the origination, and ancient human awareness, of the mentioned state of matter.

The Religion of Babylonia and Assyria Courier Corporation
Ancient Greek artists pioneered in the allegorical use of personifications of political ideas, events, places, institutions, and peoples in visual arts. This book surveys and interprets these personifications within the intellectual and political climate of the golden age of Athens.

Horae Britannicae John Wiley & Sons

A Companion to Roman Art encompasses various artistic genres, ancient contexts, and modern approaches for a comprehensive guide to Roman art. Offers comprehensive and original essays on the study of Roman art Contributions from distinguished scholars with unrivalled expertise covering a broad range of international approaches Focuses on the socio-historical aspects of Roman art, covering several topics that have not been presented in any detail in English Includes both close readings of individual art works and general discussions Provides an overview of main aspects of the subject and an introduction to current debates in the field

DigiCat Publishing presents to you this special edition of "The Non-Christian Cross" (An Enquiry into the Origin and History of the Symbol Eventually Adopted as That of Our Religion) by John Denham Parsons. DigiCat Publishing considers every written word to be a legacy of humankind. Every DigiCat book has been carefully reproduced for republishing in a new modern format. The books are available in print, as well as ebooks. DigiCat hopes you will treat this work with the acknowledgment and passion it deserves as a classic of world literature.

The Serpent Symbol in Tradition Partridge Publishing

The Lalitha Sahasranamam is one of the important and famous hymn in the Hindu way of life. It is a hymn in praise of Lalitha Tripurasundari also called as Lalithambika. The Lalitha Sahasranamam occurs in the Brahmanda Purana. It is a hymn that describes the 1000 various names of Sri Lalitha Tripurasundari as the Divine Mother. While doing so, the hymn provides a beautiful mix of poetry, romance, religion and philosophy. It is presented during the course of instructions imparted to Sage Agasthya by Lord Hayagriva who is an incarnation of Lord Vishnu. Broadly, the Sahasranamam describes the beauty of the Goddess, her kingdom known as Sri Puram or Sri Nagara, the great lotus forest known as Mahapadma vana at the centre of this city of Sri Nagara and her ultimate battle against Bhandasura and his annihilation. I have divided the subject into sixteen chapters and tried to briefly explain it to the extent of my understanding.

Prathana: Prayers of Bhakti Marga - Complete with Translations and Vedic Chants Houghton Mifflin Harcourt

The first piece, The Way of the Warrior, is a supplement to the Dhayanam series. The second piece, the Shaman, is with reference to Shamanhood and the intricacies relating to becoming a shaman while the third and fourth pieces, Tara and The Demon Slayer are standalone stories.

Native American Mythology Routledge

"Why does the Apostle Paul personify righteousness as slave-master and athlete in Romans 6 and 9? David J. Southall explores Pauline personification as a trope of character invention in which righteousness becomes an equivalent term for Christ."--BOOK JACKET.

The World's Cyclopedia of Science BRILL

This book, copiously illustrated throughout, studies the garments

and their accessories worn by some 245 figures represented on approximately 41 mosaic floors (some only partially preserved) that once decorated both public and private structures within the historical-geographical area of Eretz Israel in Late Antiquity.

NEW YORK TIMES BESTSELLER A modern-day classic from Newbery Medalist Jerry Spinelli, this beloved celebration of individuality is now an original movie on Disney+! And don't miss the author's highly anticipated new novel, *Dead Wednesday!* *Stargirl*. From the day she arrives at quiet Mica High in a burst of color and sound, the hallways hum with the murmur of "Stargirl, Stargirl." She captures Leo Borlock's heart with just one smile. She sparks a school-spirit revolution with just one cheer. The students of Mica High are enchanted. At first. Then they turn on her. Stargirl is suddenly shunned for everything that makes her different, and Leo, panicked and desperate with love, urges her to become the very thing that can destroy her: normal. In this celebration of nonconformity, Newbery Medalist Jerry Spinelli weaves a tense, emotional tale about the perils of popularity and the thrill and inspiration of first love. Don't miss the sequel, *Love, Stargirl*, as well as *The Warden's Daughter*, a novel about another girl who can't help but stand out. "Spinelli is a poet of the prepubescent. . . . No writer guides his young characters, and his readers, past these pitfalls and challenges and toward their futures with more compassion." —The New York Times

Rediscovering Righteousness in Romans Laurel Leaf

This book explores the exchange of Blackfoot "medicine bundles" within contemporary Blackfoot culture and between the Blackfoot Peoples and Euro-Americans. These ceremonial bundles, which are circulated as gifts in their native context, are robbed of their statuses as living beings or persons, when they are treated as symbolic objects or commodities by cultural outsiders. Much of the original, ethnographic data presented in this book deals with the attempts of some Blackfeet to repatriate ceremonial materials from Euro-American hands. This book represents a valuable study of contemporary Blackfoot religion as well as the repatriation movement. Kenneth Lokensgard also contributes to the studies of material culture and exchange; central to his investigation is the critical examination and reapplication of the interpretative terms "gift" and "commodity." Careful use of these terms, Lokensgard argues, can better help scholars appreciate how different peoples perceive the worlds they inhabit.

The Mountain Good Press

Examines the significance of the most prominent Hindu deities and discusses the philosophy of polytheism and the representation and worship of the deities

SRI LALITHA SAHASRANAMAM Routledge

"Who ever does not shy away from dangers of the most profound depths and the newest pathways, which Hermes is always prepared to open, may follow and reach, whether as scholar, commentator, or philosopher, a greater find and a more certain possession."—Karl Kerényi An exegesis of the myth of Hermes stealing Apollo's cattle and the story of Hephaestus trapping Aphrodite and Ares in the act are used in *The Dairy Farmer's Guide to the Universe Volume III* to set a mythic foundation for Jungian ecopsychology. Hermes, Ecopsychology, and Complexity Theory illustrates Hermes as the archetypal link to our bodies, sexuality, the phallus, the feminine, and the earth. Hermes' wand is presented as a symbol for ecopsychology. The appendices of this volume develop the argument for the application of complexity theory to key Jungian concepts, displacing classical Jungian constructs problematic to the scientific and academic community. Hermes is described as the god of ecopsychology and complexity theory. The front cover image is from a photo

taken by the author of detail on an Attic Greek calyx krater by Euxitheos (potter) and Euphronios (painter) ca. 515 BCE. The gap between the horn-like extensions atop Hermes' staff highlight his domain—the exchange and interactive field between things, as between people, consciousness and the unconscious, body and mind, and humans and nature.

Hermes, Ecopsychology, and Complexity Theory DigiCat Community Prayer is a special time in our day. It is a time when we all connect to the Divine Name and Form, and also to the Divine within ourselves, our environment, and each other. This book contains the prayers and devotional chants performed every morning and evening in Bhakti Marga's international ashram known as Shree Peetha Nilaya, as well as additional material used for special occasions and for individual practice. We hope this prayer book connects you to the Divine within you and helps you feel connected to our unique spiritual community, no matter where you may live. Special feature: this comprehensive edition includes English translations from the Sanskrit.

Christ and Other Masters Lulu.com

Louis Dumont's concept of hierarchy continues to inspire social scientists. Using it as their starting point, the contributors to this volume introduce both fresh empirical material and new theoretical considerations. On the basis of diverse ethnographic contexts in Oceania, Asia, and the Middle East they challenge some current conceptions of hierarchical formations and reassess former debates, both with regard to new theoretical issues and the new world situation—of post-colonial and neo-colonial agendas, ideas of “democratization” and “globalization,” and expanding market-economies.

pt. I. Preface. On the religious tendencies of the present age. On the unity of the human race. On the characteristics of religion under the Old Testament. Appendix Berghahn Books

The aim of this volume is to formulate an alternative account of personification, to demonstrate the ingenuity with which this multifaceted device was utilized by late medieval and early modern authors and artists in Italy, England, Scotland, and the Low Countries

Christ and Other Masters: Preface. On the religious tendencies of the present age. On the unity of the human race. On the

characteristics of religion under the Old Testament. Appendix APH Publishing

This fascinating and informative compendium of Native American lore recounts the continent's myths chronologically and region-by-region, offering a wide range of nomadic sagas, animist myths, cosmogonies and creation myths, end-time prophecies, and other traditional tales. Legends include stories of sun worship, trickster pranks, the ghost world, and secret societies. *Personification and the Use of Abstract Subjects in the Attic Orators and Thukydides* Routledge

Focusing on cultural change and the socio-political movements in the Pacific island nation of Vanuatu, this book uses both anthropological and historical analysis to examine the way the relationship between gender and Christianity has shaped processes of social change. Based on extensive research conducted over several decades, it is one of the few books available to focus on Vanuatu and on the impact of Christianity in Melanesia more generally - as well as on the significance of gender relations in understanding these developments. Providing a model for understanding and comparing processes of change in small-scale societies, this fascinating book will appeal to scholars and students interested in the ethnography of Melanesia and in issues related to contemporary cultural change and gender more generally.

The Beginnings of Religion DigiCat

The scientific, historic, and popular basis behind the ancient art of astrology is explored in this comprehensive reference. The guide also includes a table of astrological glyphs and abbreviations, a section on casting a chart, and a chapter that explains and interprets every planet in every house and sign.
