Suspects All! Lulu.com
How to Disappear is the authoritative and comprehensive guide for people who seek to protect their privacy as well as for anyone who's ever entertained the fantasy of disappearing—whether actually dropping out of sight or by eliminating the traceable evidence of their existence. Written by the world's leading experts on finding people and helping people avoid being found, How to Disappear covers everything from tools for disappearing to discovering and eliminating the nearly invisible tracks and clues we tend to leave wherever we go. Learn the three keys to disappearing, all about your electronic footprints, the dangers and opportunities of social networking sites, and how to disappear from a stalker. Frank Ahearn and Eileen Horan provide field-tested methods for maintaining privacy, as well as tactics and strategies for protecting

personal information and preventing identity theft. They explain and illustrate key tactics such as misinformation (destroying all the data known about you); disinformation (creating fake trails); and, finally, reformation—the act of getting you from point A to point B without leaving clues. Ahearn illustrates every step with real-life stories of his fascinating career, from undercover work to nabbing department store employees to a stint as a private investigator; and, later, as a career “skip tracer” who finds people who don't want to be found. In 1997, when news broke of President Bill Clinton's dalliance with a White House intern, Ahearn was hired to find her. When Oscar statuettes were stolen in Beverly Hills, Ahearn pinpointed a principal in the caper to help solve the case. When Russell Crowe threw a telephone at a hotel clerk in 2005, Ahearn located the victim and hid him from the media. An indispensable resource not just for those determined to become utterly anonymous, but also for just about anyone in the brave new world of

on-line information, How to Disappear sums up Ahearn's dual philosophy: Don't break the law, but know how to protect yourself.

In, "Deliverance at Cardwell Ranch," deputy sheriff Austin Cardwell rescues a woman with no memory of who she is during a blizzard, and in "A Woman with a Mystery," Holly Barrows returns to Slade Rawlins after mysteriously vanishing claiming to have been kidnapped.

Killer Music Simon and Schuster

The Hunter by Tony Park, the author of Red Earth, is a full-throttle international thriller that will engross fans of Clive Cussler. Safari guide and private investigator Hudson Brand hunts people, not animals. He's on the trail of Linley Brown who's been named as the beneficiary of a life insurance policy. Linley's friend, Kate, supposedly died in a fiery car accident in Zimbabwe, but Kate's sister wants to believe it is an elaborate fraud. South African detective Sannie van Rensburg is also looking for Linley, as well as a serial killer who

has been murdering prostitutes on Sannie's watch. Top of her list of suspects is Hudson Brand. Sannie and Hudson cross paths and swords as they track the elusive Linley from South Africa and Zimbabwe to the wilds of Kenya's Masai Mara game reserve. Tony Park's trademark storytelling prowess turns this hunt into a thrilling - and deadly - escapade through some of the most dangerous, yet beautiful, places on earth.

Dead Wrong Pan Macmillan

The author, a former public defender in Florida, describes his experiences with the post-conviction system, and argues that the death penalty is applied unfairly, is outrageously expensive, and corrodes the justice system

Escape The Past Charlie & Linda Private Detectives Summersdale Publishers LTD

For years, the government has put out hits on people that they found "expendable," or who they felt were "talking too much," covering up their assassinations with drug overdoses and mysterious suicides. In *Dead Wrong*, a study of the scientific and forensic facts of

various Government cover-ups, Richard Belzer and David Wayne argue that Marilyn Monroe was murdered, that the person who shot Martin Luther King Jr. was ordered to do so by the government, and examines many other terrifying lies we've been told throughout our country's history. The extensive research shows how our government has taken matters into its own hands, plotting murder whenever it saw fit. Belzer and Wayne also examine the deaths of White House Counsel Vincent Foster, U.N. Weapons Inspector Dr. David C. Kelly, and bio-weapons expert Dr. Frank Olson, as well as the cases of two murders directly linked Lyndon B. Johnson, the 36th President of the United States. "Big Brother" is watching you—through the scope of a sniper rifle. *Dead Wrong* will give you the straight facts on some of the most controversial and famous deaths this country has ever seen. The harsh reality is that our government only tells us what we want to hear, as they look out for their own best interests and eliminate anyone who gets in their way.

Deliverance at Cardwell Ranch & A Woman With a Mystery

Penguin

Private Investigator Adrienne Hargrove has seen every kind of human depravity, but online predators grooming teenaged girls so they can abuse them seems the most depraved of all. The fact that often the predators are people the young victims know only adds to the horror. The world of Internet chat rooms seems like a world of science fiction to Adrienne, until Detective Mike Morris asks her to assist him in the case of two missing girls, Abigail Montgomery and Matilda Morning. Abigail has been found dead in New Orleans, and Matilda is still missing. With warnings of Hurricane Katrina in every weather report, Adrienne and Mike head to New Orleans, where Voodoo Priestess Madam Helene Dupre sends a message that she believes she can help them find Matilda. As Adrienne and Mike do all they can to find the girl, they become aware of another kind of human depravity. Evacuated to the Superdome in New Orleans following the hurricane, they see firsthand the nightmare of poverty, racial discrimination, government failure, and

human hopelessness at its very worst. Does Madam Dupre have the power to help, or is she a hoax? Will Mike and Adrienne find Matilda in time, or is it already too late? This case is one that will change them both forever.

Slim Callaghan had been hired by beautiful Cynthia Meraulton to stop her cousins getting her step-father's money. But when the old man is murdered, the only suspect with no alibi and a giant motive is Cynthia. Slim always played his cases the way they came, but it turned out the Meraulton job had more twists than a hangman's rope. 'Slim Callaghan's quick wit and knowledge of rough and tumble place him in the top ranks of private eyes. What a man!' New York Times Book Review
The Mining Congress
Journal C & R Crime
Charlie an ex-State Trooper, now a Private Investigator in his mid-forties and Linda in her low thirty's is busy climbing the corporate ladder, they have nothing in common Neither of them suspects that they will be working investigations and living

together within a year. The story includes ex-wives, husbands, and lovers with twist and turns as Charlie & Linda investigate intriguing cases of major thefts, murder, drugs, and other people's problems. During When "The Investigator" walks into a room he looks like he just walked out of a James Bond movie, everything is too perfect, he acts like he owns the place, you don't know if you dislike him or run up to him and ask for his autograph. When Linda walks into an office to pickup information with her long reddish brown hair, and clothing hanging just right, most guys are saying to themselves, Wow, and most female staff wish they looked like that.

When my mother named me Ophelia, she thought she was being literary. She didn't realize she was being tragic. On the surface, Annie Powers's life in a wealthy Floridian suburb is happy and idyllic. Her husband, Gray, loves her fiercely; together, they dote on their beautiful young daughter, Victory. But the bubble surrounding Annie is pricked when she senses that the demons of her past have resurfaced and, to her horror, are now creeping up on her. These are demons she can't fully recall because of a highly dissociative state that allowed her to forget the tragic and violent episodes of her earlier life as Ophelia March and to start over, under the loving and protective eye of Gray, as Annie Powers. Disturbing events—the appearance of a familiar dark figure on the beach, the mysterious murder of her psychologist—trigger strange and confusing memories for Annie, who

realizes she has to quickly piece them together before her past comes to claim her future and her daughter.

HE WAS THE MOST EXTRAORDINARY MALE

The kind a small-town girl like Marly Jessop had rarely—if ever—seen in the flesh. Deacon Cage arrived in Mission Creek, Texas, like a specter in the night, stealthy and secretive. And his ability to stir Marly's feminine senses was like no other man's.... But she didn't have time for female fantasies. As local deputy, Marly had her hands full with a rash of suspicious suicides. Could there be a link between them and the killer Deacon came to catch? And would Marly survive her run-in with the desirable Deacon?

Adrienne Hargrove has always been aware that humans are fragile creatures walking an egg-shell thin line between innocence and deviance. Her own life is a chain of guilt from poor choices she's made. But as a private investigator in the Deep South, she thought she had seen it all. That was before she was hired by Catriona Kirby, wife of

Galen Kirby, a doctor in a small Louisiana town. Adrienne knew she was looking into the possibility the doctor was involved in a drug scam with the sheriff. She even knew there was a possibility the doctor was involved in the murder of an ex-girlfriend. What she never imagined was that Dr. Galen Kirby was a serial killer and deeply involved in a baby black market scheme. And in their wildest nightmares neither Adrienne nor Catriona could have imagined that he was producing his own babies to sell.

[Silhouettes: A Fairplay Novel Featuring Private Investigator Adrienne Hargrove](#) Stephanie Van Orman

When two giant airliners collide over Kansas City, aluminum and dead bodies shower the streets below. Controller Kyle Matthews insists that the two aircraft were two thousand feet apart just seconds before. But when the FBI plays back a tape recording, they can clearly hear him issuing a clearance that probably caused the collision. Complicating matters further is the fact that the Federal Aviation Administration already considers Kyle a rebel because of his outspoken

views on overhauling the air traffic control system. Even though Kyle's own private investigator finds signs of a bomb at the crash site, and additional evidence points to another suspect, the FBI and FAA are both ready to rush to judgment. Things are looking grim until an anonymous benefactor sends his beautiful daughter, Nancy, with an offer to pay Kyle's legal expenses. Kyle's legal team offers additional evidence, but the FBI still can't be dissuaded from pursuing its case. Kyle is now desperate to prove his innocence. But whether or not he lives or dies by lethal injection may all come down to whether or not the prosecutor realizes that his own government is withholding evidence, and digs deeper to learn the truth.

Death and danger stalk undercover investigator DJ Smith when she is seconded to the Portuguese Drug Enforcement Agency on Madeira, island of orchids and flamboyant bird of paradise flowers. After Luis Gomes' body is found floating in Funchal harbour, Comandante

Figueira blames a security lapse by her for jeopardizing the success of anti-drug operation Boa Morte. Given a deadline to get results, DJ narrows down the list of suspects, each of them with something to hide. But her investigations draw the attention of a ruthless killer to herself and to her sniffer cat Gorgonzola. A tense endgame takes place on the two thousand foot high cliffs of Cabo Girao, when DJ is faced with the hardest decision of her life.

FAMILIES ARE FOREVER MORNING, NOON AND NIGHT... Murphy Munroe was shocked to realize that he wanted to be with his tiny, precious son around the clock. Bedtime stories, midnight feedings...Murphy couldn't bear to miss a single moment with his child—or its mother. That was the problem...

Murphy desperately longed to take care of Jordan Kennedy and the baby...forever. But they couldn't make their relationship work before parenthood complicated things. How could they even think about marriage now? Then again...how could they not? Happily ever after—with kids!

Dead Wrong Harlequin

"[An] engrossing, damning tale of widespread unchecked corruption in one of the nation's largest police departments, one that deserves attention . . . Exhaustively researched .

. . The most thorough examination of these much-publicized events."—Boston Globe, on Labyrinth In 2002, acclaimed journalist Randall Sullivan's groundbreaking book

LAabyrinth ignited a firestorm with its startling disclosures about corruption in the LAPD. It told the story of Russell Poole, a highly decorated LAPD detective, who uncovered a cabal of “gangsta cops” tied to Marion “Suge” Knight’s notorious rap label, Death Row Records, and allegedly to the murders of Tupac Shakur and the Notorious B.I.G. Over twenty years later, no one has been held accountable for their killings. Now Dead Wrong tells the story of the last sixteen years in the B.I.G. investigations, and uncovers the conspiracy of silence that met the estate’s wrongful death suit against the City. Back in 2001, an eyewitness identified the man who shot Biggie as Amir Muhammad, a man who was former LAPD officer,

Death Row associate, and convicted bank robber David Mack’s college roommate and the only man to visit him in prison. Poole’s investigation was repeatedly directed away from Mack and Muhammad, and the wrongful death lawsuit sought to make the city explain why—but instead, investigators encountered a disturbing pattern of selective investigation, hidden evidence, and possible witness tampering. Exclusive interviews with the FBI’s lead investigator of the Biggie murder demonstrate a conspiracy that went to the top, and which implicates some of the most powerful men in law enforcement nationally. A gripping investigation into murder, police corruption, and the corridors of power in Los

Angeles, Dead Wrong is full of shocking revelations about a mystery that continues to hold us twenty years on. *Black Out East Bay* Publications
When her client and old college friend is murdered, P.I. Kat Justice knows the killer will come for her next. Her survival depends on finding her unknown enemy first...and working with homicide detective Mitch Elliot, her onetime crush. It'll take all her professional skills to ignore the sparks between them, but Kat can't allow the handsome cop to get close. She's seen too many people she loves die, so she vows just to do her job without getting emotionally involved. Yet keeping her distance may not be the best way to protect her heart—or their lives.
