HURLEY LAWRENCE

500 Teapots Antique Trader Books

A young woman's art career begins to lift off as those around her succumb to addiction and alcoholism. *The Customer is Always Wrong* is the continuing saga of a young naïve artist working in a restaurant of drunks, junkies, thieves, and creeps. Oakland in the late seventies is a scuzzy, low-rent warzone and Mimi Pond folds the tales of the

sleaze-ball characters that surround her into her workaday waitressing life. Outrageous and loving tributes and takedowns of her co-workers and satellites of the Imperial Cafe create a snapshot of a time in Mimi's life where she encounters who she is, and who she is not. Told in the same brash yet earnest style as her previous memoir *Over Easy*, Pond's storytelling gifts have never been stronger than in this epic, comedic novel. She drops readers right back at the Imperial with its great coffee and depraved cast, where things only

get worse for the addicts and alcoholics surrounding her while her career as a cartoonist starts to take off.

Cats have a way of walking into our lives and making themselves right at home. No cat lover can imagine life without a feline presence -- even if it is only as fleeting as the occasional conversation with a neighbourhood stray. *Meow*: A book of happiness for cat lovers is a compendium of delightful quotes that capture the essence of this fascination. Some are by famous people (Mark Twain, Jean Cocteau, Ernest Hemingway), others not; some are

philosophical, others lighthearted -- all are memorable. Accompanied by beautiful photography, and presented in a high-quality gift format, this is a collection of quotes to treasure.

Dragons and their riders compete in an international sports tournament in this alternate contemporary world fantasy. Lana Torres has always preferred dragons to people. In a few weeks, sixteen countries will compete in the Blazewrath World Cup, a tournament where dragons and their riders fight for glory in a dangerous relay. Lana longs to represent her native Puerto Rico in their first ever World Cup appearance, and when Puerto Rico's Runner—the only player without a dragon steed—is kicked

off the team, she's given the chance. But when she discovers that a former Blazewrath superstar has teamed up with the Sire—a legendary dragon who's cursed into human form—the safety of the Cup is jeopardized. The pair are burning down dragon sanctuaries around the world and refuse to stop unless the Cup gets cancelled. All Lana wanted was to represent her country. Now, to do that, she'll have to navigate an international conspiracy that's deadlier than her beloved sport.

The inspiration for *The Durrells in Corfu*, a Masterpiece production on public television: A naturalist's account of his childhood on the exotic Greek island. When the Durrells could no longer endure the gray English climate, they did what any sensible family would do: sold their house and relocated to the sun-soaked island of Corfu. As they settled into their new home, hilarious mishaps ensued as a ten-year-old Gerald Durrell pursued his interest in natural history and explored the island's fauna. Soon, toads and tortoises, bats and

butterflies—as well as scorpions, geckos, ladybugs, praying mantises, octopuses, pigeons, and gulls—became a common sight in the Durrell villa. Uproarious tales of the island's animals and Durrell's fond reflections on his family bring this delightful memoir to life. Capturing the joyous chaos of growing up in an unconventional household, *My Family and Other Animals* will transport you to a place you won't want to leave. This ebook features an illustrated biography of Gerald Durrell including rare photos from the author's estate.
