Literary Skinheads?

Europa Editions

This book gives a detailed account of how two major Austrian banks profited from their service to the Nazi regime.

2022/2023 Prestel Pub

From the New York Times and international bestselling author of *Sometimes I Lie* comes a brand new, highly anticipated, dark and twisted thriller: *I Know Who You Are*. Meet Aimee Sinclair: the actress everyone thinks they know but can't remember where from. Except one person. Someone knows Aimee very well. They know who she is and they know what she did. When Aimee comes home and discovers her husband is missing, she doesn't seem to know what to do or how to act. The police think she's hiding something and they're right, she is—but perhaps not what they thought. Aimee has a secret she's never shared, and yet, she suspects that someone knows. As she struggles to keep her career and sanity intact, her past comes back to haunt her in ways more dangerous than she could have ever imagined. In *I*

Know Who You Are, Alice Feeney proves that she is a master of brilliantly complicated plots and killer twists that will keep you guessing until the final page.

Der zweite Reiter

Routledge

Inspector John Rebus has messed up badly this time, so badly that he's been sent to a kind of reform school for damaged cops. While there among the last-chancers known as "resurrection men," he joins a covert mission to gain evidence of a drug heist orchestrated by three of his classmates. But the group has been assigned an unsolved murder that may have resulted from Rebus's own mistake. Now Rebus can't determine if he's been set up for a fall or if his disgraced classmates are as ruthless as he suspects. When Detective Sergeant Siobhan Clarke discovers that her investigation of an art dealer's murder is tied to Rebus's inquiry, the two-protégÉ and mentor-join forces. Soon they find themselves in the midst of an even bigger scandal than they had imagined—a plot with conspirators in every corner of Scotland and deadly implications about their colleagues.

With the brilliant eye for character and place that earned him the name "the Dickens of Edinburgh," Ian Rankin delivers a page-turning novel of intricate suspense.

Der zweite Reiter Limes Verlag

The ultimate book-lovers fantasy, this sparkling debut is a "delight of magic and literature, love and adventure" (Kat Howard) featuring a young scholar with the power to bring literary characters into the world. For his entire life, Charley Sutherland has concealed a magical ability he can't quite control: He can bring characters from books into the real world. But when literary characters start causing trouble throughout the city and threatening to destroy the world, he learns he's not the only one with his ability. Now it's up to Charley and his reluctant older brother, Rob, to stop them—hopefully before they reach *The End*. Praise for *The Unlikely Escape of Uriah Heep*: "A star-studded literary tour and a tangled mystery and a reflection on reading itself; it's a pure delight." —Alix E. Harrow, Hugo Award-winning author "This beautifully-written novel is an

exploration of the power fiction wields -- the power to inform and to change, even to endanger, our everyday world." —Louisa Morgan, author of *A Secret History of Witches* "Equal parts sibling rivalry, crackling mystery, and Dickensian battle royale, it'll be one of your most fun reads this year." —Mike Chen, author of *Here and Now and Then* For more from H. G. Parry, check out: *The Shadow Histories A Declaration of the Rights of Magicians A Radical Act of Free Magic February's Son* Penguin Set in a devastated Berlin one month after the close of the Second World War, Berlin has been acclaimed as "ambitious . . . filled with brilliantly drawn characters, mesmerizingly readable, and disturbingly convincing" by the *Sunday Telegraph*. An electrifying thriller in the tradition of Joseph Kanon and Alan Furst, Berlin is a page-turner and an intimate portrait of Germany before, during, and after the war. It is 1945 in the American sector of occupied Berlin, and a German boy has discovered the body of a beautiful young woman in a subway station. Blonde and blue-eyed, she has been sexually assaulted and strangled with a

chain. When the bodies of other young women begin to pile up it becomes clear that this is no isolated act of violence, and German and American investigators will have to cooperate if they are to stop the slaughter. Author Pierre Frei has searched the wreckage of Berlin and emerged with a gripping whodunit in which the stories of the victims themselves provide an absorbing commentary. There is a powerful pulse buried deep in the rubble.

After the Wall Limes Verlag

Dark rituals drag London mage Alex Verus into the center of a conspiracy in this thrilling novel from the national bestselling author of *Marked*. Since his second sight made him infamous for defeating powerful dark mages, Alex Verus has been keeping his head down. But now he's discovered the resurgence of a forbidden ritual. Someone is harvesting the life-force of magical creatures—destroying them in the process. And draining humans is next on the agenda. Hired to investigate, Alex discovers not everyone on the Council wants him delving any deeper.

Struggling to distinguish ally from enemy, he finds himself the target of those who would risk their own sanity for power. Alex still has the advantage of seeing the future—but he might not have a future for much longer.

Wolfhilde's Hitler Youth Diary is the chronicle of a girl growing up in Munich during the most volatile time in world history.

WHAT OTHERS HAVE SAID ABOUT THE DIARY For an in depth review of The Diary, please visit The Herald Palladium. Initially, the material upset me emotionally in an unexpected way. It took me some time to re-read the diary entries one by one to gain a calmer perspective. Of course, for 60 years or longer I have been aware of the strategies and tactics, the techniques and methods applied and utilized by the Nazi regime to contaminate and poison the minds and souls of people—beginning with children from the age of 10—with its fierce, all-embracing ideology. Never, before reading

Wolfhilde's Hitler Youth Diary, have I been confronted with such massive, monstrous evidence as to what the Nazi regime was doing to us—and how they did it. What is presented here in the diary of a girl from 13 through 21 years of age is a textbook example—concrete evidence—of how they did it. Wolfgang Schleich, 1928- Journalist. Retired since 1990 from Radio Free Europe, where he worked for almost 35 years as a reporter, editor, traveling correspondent and head of the network's Berlin Bureau.

Die rote Frau Little, Brown This Encyclopedia is the first to compile pseudonyms from all over the world, from all ages and occupations in a single work: some 500,000 pseudonyms of roughly 270,000 people are deciphered here. Besides pseudonyms in the narrower sense, initials, nick names, order names, birth and married names etc. are included. The volumes 1 to 9 list persons by their real names in alphabetical order. To make the unequivocal identification of a person easier, year and place of birth and death are provided where

available, as are profession, nationality, the pseudonym under which the person was known, and finally, the sources used. The names of professions given in the source material have been translated into English especially for this encyclopaedia. In the second part, covering the volumes 10 to 16, the pseudonyms are listed alphabetically and the real names provided. Approx. 500,000 pseudonyms of about 270,000 persons First encyclopedia including pseudonyms from all over the world, all times and all occupations Essential research tool for anyone wishing to identify persons and names for his research within one single work

Berlin Walter de Gruyter This is the sixth in a series that documents the vast collection of Greek vases in the Getty Museum. Eight essay--in English, German, and Italian--shed light on a number of objects from the Museum's fine collection. Included are the identification of a new Corinthian painter by C.W. Neef; the publication of three Caeretan hydriai by J.M. Hemelrijk; and the reconstruction of an important early krater by

the Berlin painter discussed by Mary B. Moore. Also included is a discussion of a parody of a phylax comedy on a South Italian vase by Anneliese Kossatz-Deissmann, as well as essays by Petra Reichert-Sudbeck, Glann Markoe, Flavia Zisa, and Ruth Lindner.

The Perkiomen Region, Past and Present

Hodder & Stoughton

These two phenomena can be seen as manifestations of a general malaise, a disorientation that may last for quite some time, and Jay Rosellini approaches his subject with the belief that it would be irresponsible to ignore these disquieting trends." "This account is recommended for the general reader interested in international issues as well as for students and scholars of German, intellectual history, political science, and comparative sociology."--BOOK JACKET.

Come, Sweet Death!

Peter Lang GmbH,
Internationaler Verlag Der
Wissenschaften

Dr. Peter Brown is an intern at Manhattan's worst hospital, with a talent for medicine, a shift from hell, and a past he'd prefer to keep hidden.

Whether it's a blocked circumflex artery or a plan to land a massive malpractice suit, he knows what evil lurks in the hearts of men. Pietro "Bearclaw" Brwna is a hitman for the mob, with a genius for violence, a well-earned fear of sharks, and an overly close relationship with the Federal Witness Relocation Program. More likely to leave a trail of dead gangsters than a molecule of evidence, he's the last person you want to see in your hospital room. Nicholas LoBrutto, aka Eddy Squillante, is Dr. Brown's new patient, with three months to live and a very strange idea: that Peter Brown and Pietro Brnwa might-just might-be the same person . . . Now, with the mob, the government, and death itself descending on the hospital, Peter has to buy time and do whatever it takes to keep his patients, himself, and his last shot at redemption alive. To get through the next eight hours-and somehow beat the reaper. Spattered in adrenaline-fueled action and bone-saw-sharp dialogue, *Beat the Reaper* is a debut thriller so utterly original you won't be able to guess what happens next, and so

shockingly entertaining you won't be able to put it down.

Beat the Reaper

Wentworth Press

SHORTLISTED FOR THE
CWA INTERNATIONAL
DAGGER AWARD 2016

'Undoubtedly the most powerful work of crime fiction I have read this year' Independent 'Vivid and harrowing' Sunday Times 'Police procedural, romance, thriller The Murderer in Ruins has a bit of everything and it's one hell of a read.' Bücher Hamburg, 1947 A ruined city occupied by the British, who bombed it, experiencing the coldest winter in living memory. Food and supplies are rationed; refugees and the homeless are crammed into concrete bunkers and ramshackle huts; trade on the black market is rife. A killer is on the loose, and all attempts to find him or her have failed. Plagued with worry about his missing son, Frank Stave is a career policeman with a tragedy in his past that is driving his determination to find the killer. With frustration and anger mounting in an already tense city, Stave is under increasing pressure to find out why - in the wake of a wave of atrocity, the grim Nazi

past and the bleak attempts by his German countrymen to recreate a country from the apocalypse - someone still has the stomach for murder. The first of a trilogy, *The Murderer in Ruins* vividly describes a poignant moment in British-German history, with a riveting plot that culminates in a shocking denouement. Translated from the German by Peter Millar

The Second Rider Walter de Gruyter GmbH & Co KG "Tafari's work is probably the most innovative and exciting new form of European theory since French poststructuralism and this book is probably the best introduction to it for the newcomer. ..."

Greek Vases in the J. Paul Getty Museum Grafit Verlag

A chilling new case for Thora Gudmundsdottir, from Iceland's answer to Stieg Larsson. When all contact is lost with two Icelanders working in a harsh and sparsely populated area on the northeast coast of Greenland, Thora is hired to investigate. Is there any connection with the woman who vanished from the site some months earlier? Why are the locals so hostile? And could one of the team

staying at the site with Thora be responsible for the disappearances?

Already an international bestseller, this fourth book to feature Thora Gudmundsdottir ('a delight' - Guardian) is chilling, unsettling and compulsively readable. Der zweite Reiter Public Affairs

After Stalin's death, during a respite in Cold War tensions in 1955, Austria managed to rid itself of a quadripartite occupation regime and become a neutral state. As the Cold War continued, Austria's policy of neutrality helped make this small country into an important mediator of East-West differences, and neutrality became a crucial part of Austria's postwar identity. In the post-Cold War era Austrian neutrality seems to demand redefinition. The work addresses such issues as what neutrality means when Austria's neighbors are joining NATO? What is the difference between Austrian neutrality in 1955 and 2000? In remaining apart from NATO, do Austrian elites risk their nation's national security? Is Austria a "free rider," too stingy to contribute to Western defense? Has the

neutralist mentality become such a crucial part of Austrian postwar identity that its abandonment will threaten civil society? These questions are addressed in this latest in the prestigious Contemporary Austrian Studies series. The volume emerged from the Wittgenstein Research Center project on "Discourse, Politics, and Identity," an interdisciplinary investigation of the meaning of Austrian neutrality. The first two chapters analyze the current meaning of Austrian neutrality. Karin Liebhart records narrative interviews with former presidents Rudolf Kirchschlger and Kurt Waldheim, both central political actors present at the creation and implementation of Austria's postwar neutrality. Gertraud Benke and Ruth Wodak provide in-depth analysis of a debate on Austrian National Television on "NATO and Neutrality," a microcosm of Austrian popular opinion that exposed all positions and ideological preferences on neutrality. The historian Oliver Rathkolb surveys international perceptions of Austrian neutrality over

the past half-century. For comparative contrast David Irwin and John Wilson apply Foucault's theoretical framework to the history and debates on neutrality in Ireland. Political scientists Heinz Grtner and Paul Luif provide examples of how Austrian neutrality has been handled in the past and today. Michael Gehler analyzes Austria's response to the Hungarian crisis of 1956 and Klaus Eisterer reviews the Austrian legation's handling of the 1968 Czechoslovak crisis. Gnter Bischof is professor of history and executive director of Center Austria at the University of New Orleans. Anton Pelinka is professor of political science at the University of Innsbruck and director of the Institute of Conflict Research in Vienna. Ruth Wodak is professor in the linguistics department at the University of Vienna and director of the research center "Discourse, Politics, Identity" at the Austrian Academy of Science. Ein eigenwilliger Ermittler, eine tödliche Intrige und eine ganze Republik am Rande des Abgrunds ... Wien im Juli 1921: Die Stadt ächzt unter einer

Hitzewelle, Wasser wird rationiert, und der Asphalt schmilzt. Kriminalinspektor August Emmerich macht noch ein ganz anderes Problem zu schaffen: Weil er sich wieder einmal danebenbenommen hat, wird er von den Ermittlungen an zwei ermordeten Tänzerinnen abgezogen und in einer Kadettenschule interniert. Dort soll er, gemeinsam mit anderen schwarzen Schafen aus dem Polizeidienst, bessere Umgangsformen lernen. Doch als in der Schule ebenfalls ein Mord passiert, muss Emmerich für seine Nachforschungen erneut alle Regeln brechen. Denn er sieht sich mit einer blutigen Intrige konfrontiert, die ihn bis in die höchsten politischen Kreise führt ... August Emmerich ermittelt: Band 1: Der zweite Reiter Band 2: Die rote Frau Band 3: Der dunkle Bote Band 4: Das schwarze Band Alle Bände behandeln eigenständige Fälle und können unabhängig voneinander gelesen werden. *Neutrality in Austria* Limes Verlag
An internationally acclaimed crime novel set in post-WWI Vienna: "A thrilling, deeply satisfying

debut" by "the new star of Austrian crime fiction" (Kronen Zeitung). Vienna, 1919. In the desperate years after World War I, the Habsburg Empire is a fading memory and most of Vienna's remaining population survives by its wits, living hand to mouth in a city rife with crime, prostitution, and grotesquely wounded beggars. There are shakedowns on every street corner, the black market is the only market, and shortages of vital goods create countless opportunities for unscrupulous operators. Into this cauldron of vice comes Insp. August Emmerich. A veteran himself, Emmerich is determined to join the Viennese major crimes unit, and he's more than willing to break the rules in pursuit of his ambition. When a corpse is found in the woods outside the city and immediately labeled a suicide, Emmerich sees a chance to prove his mettle. His investigations into the suspicious death soon reveals an insidious and homicidal urge lurking in the city. The Second Rider is the "outstanding series launch" of Alex Beer's international-best-selling novels featuring police agent August Emmerich

(Publishers Weekly, starred review). Crossroads of European Histories Little, Brown Er ist dem Grauen der Schlachtfelder entkommen, doch in den dunklen Gassen Wiens holt ihn das Böse ein ... Wien, kurz nach dem Ende des Ersten Weltkriegs: Der Glanz der ehemaligen Weltmetropole ist Vergangenheit, die Stadt versinkt in Hunger und Elend. Polizeiagent August Emmerich, den ein Granatsplitter zum Invaliden gemacht hat, entdeckt die Leiche eines angeblichen Selbstmörders. Als erfahrener Ermittler traut er der Sache nicht über den Weg. Da er keine Beweise vorlegen kann und sein Vorgesetzter nicht an einen Mord glaubt, stellen er und sein junger Assistent selbst Nachforschungen an. Eine packende Jagd durch ein düsteres, von

Nachkriegswehen geplagtes Wien beginnt, und bald schwebt Emmerich selbst in tödlicher Gefahr... Mord auf Wienerischem Pflaster - August Emmerich ermittelt: Band 1: Der zweite Reiter Band 2: Die rote Frau Band 3: Der dunkle Bote Band 4: Das schwarze Band Alle Bände sind eigenständige Fälle und können unabhängig voneinander gelesen werden.

Unter Wölfen - Der verborgene Feind Melville International Crime Ein jüdischer Antiquar, getarnt als hochrangiger Nazi-Ermittler ... »Alex Beer kann einfach historische Spannung.« Emotion Nürnberg, April 1942: Der jüdische Antiquar Isaak Rubinstein, der sich noch immer als Sonderermittler Adolf Weissmann ausgibt, lässt sich auf eine Liaison mit der Nazigröße Ursula von Rahn ein. Durch sie erhält er Zugang zu den

höchsten gesellschaftlichen Kreisen und bekommt Einsicht in die Pläne der Gegenseite. Doch dann wird Nürnberg plötzlich von brutalen Morden erschüttert. Zwei junge Frauen werden erdrosselt aufgefunden. Ausgerechnet Isaak bekommt von Berlin die Order, den »Würger« aufzuspüren. Darüber hinaus hat er noch ganz andere Probleme: Seine Popularität hat Neider auf den Plan gerufen und besonders ein Mann könnte ihm gefährlich werden ...
